EXHIBIT A Debtors' and Shareholder Proponents' Joint Chapter 11 Plan of Reorganization  
EXHIBIT B Financial Projections

## I. INTRODUCTION

On March 16, 2020, PG&E Corporation (“**PG&E Corp.**” or “**HoldCo**”) and Pacific Gas and Electric Company (the “**Utility**” and together with PG&E Corp., “**PG&E**” or the “**Debtors**”), and certain funds and accounts managed or advised by Abrams Capital Management, LP and certain funds and accounts managed or advised by Knighthead Capital Management, LLP (the “**Shareholder Proponents**” and, together with the Debtors, the “**Plan Proponents**”) filed the *Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization Dated March 16, 2020* [Docket No. 6320] (as it may be amended, modified or supplemented, and together with any exhibits or schedules thereto, the “**Plan**”). This disclosure statement (as it may be amended, modified or supplemented, and together with any exhibits or schedules hereto, the “**Disclosure Statement**”) is being provided to you in connection with the solicitation of votes to accept or reject the Plan. A copy of the Plan is annexed to this Disclosure Statement as **Exhibit A**. Unless otherwise defined herein, capitalized terms used in this Disclosure Statement have the meanings ascribed to such terms in the Plan.

The Plan is supported by the following parties:

1. The Debtors;
2. The Ad Hoc Committee of Senior Unsecured Noteholders of Pacific Gas and Electric Company, consisting of major holders of the Utility’s outstanding prepetition funded debt claims (the “**Ad Hoc Noteholders Committee**”);
3. The Ad Hoc Group of Subrogation Claim Holders, consisting of major holders of claims arising from insurance payments made to victims in connection with the wildfires (the “**Ad Hoc Subrogation Group**”);
4. Several Public Entities in the areas in which the wildfires occurred (the “**Public Entities**”); and
5. Certain major shareholders of PG&E Corp.

**THESE PARTIES BELIEVE THAT CONFIRMATION AND IMPLEMENTATION OF THE PLAN IS THE FASTEST WAY FOR FIRE VICTIMS AND OTHER CLAIMANTS TO RECEIVE PAYMENTS ON THEIR CLAIMS, AND THAT IF THE PLAN IS NOT APPROVED THOSE PAYMENTS WILL BE SIGNIFICANTLY DELAYED AND FIRE VICTIMS AND OTHER CLAIMANTS MAY RECEIVE SIGNIFICANTLY LESS THAN WHAT THEY WOULD RECEIVE UNDER THE PLAN.**

It is important to note that (as described in more detail below) under the Plan, aggregate consideration of \$13.5 billion will be transferred to a trust to satisfy Fire Victim Claims (the “**Fire Victim Trust**”) as follows:

1. \$5.4 billion in Cash on the Effective Date of the Plan;
2. An additional \$1.35 billion in Cash, consisting of (i) \$650 million to be paid in Cash on or before January 15, 2021 pursuant to a Tax Benefits Payment Agreement, and (ii) \$700 million to be paid in Cash on or before January 15, 2022 pursuant to a Tax Benefits Payment Agreement;

- 1 3. \$6.75 billion in common stock of Reorganized PG&E Corp. (using equity valued  
2 using a multiple equal to 14.9 multiplied by the Normalized Estimated Net Income  
3 as of a date to be agreed upon among the parties to the Tort Claimants RSA (as  
4 defined below)), representing not less than 20.9% of the outstanding common stock  
5 of Reorganized PG&E Corp. as of the Effective Date;

6 **THE \$6.75 BILLION VALUE OF THE COMMON STOCK OF**  
7 **REORGANIZED PG&E CORP. IS BASED ON A FORMULA SET FORTH**  
8 **IN THE TORT CLAIMANTS RSA AND INCORPORATED IN THE PLAN.**  
9 **THE \$6.75 BILLION VALUE DOES NOT NECESSARILY REFLECT THE**  
10 **ACTUAL VALUE OF THE STOCK TO BE HELD BY THE FIRE VICTIM**  
11 **TRUST ON THE EFFECTIVE DATE AND THEREAFTER. THE ACTUAL**  
12 **VALUE OF THE STOCK ON THE EFFECTIVE DATE AND**  
13 **THEREAFTER COULD BE GREATER OR LESS THAN \$6.75 BILLION**  
14 **BASED ON THE FUTURE TRADING VALUE OF THE COMMON STOCK**  
15 **OF REORGANIZED PG&E CORP.;**

- 16 4. The assignment to the Fire Victim Trust of certain claims that the Fire Victim Trust  
17 may pursue for the benefit of holders of Fire Victim Claims; and
- 18 5. The assignment of rights under the 2015 Insurance Policies to resolve any Claims  
19 related to Fires in those policy years, other than the rights of the Debtors to be  
20 reimbursed under the 2015 Insurance Policies for claims submitted to and paid by  
21 the Debtors prior to the Petition Date.

22 Pursuant to the Plan, all Allowed Fire Victim Claims will be paid from the assets described above  
23 that will be transferred to the Fire Victim Trust. All Fire Victim Claims will be resolved and satisfied  
24 by the Fire Victim Trust pursuant to claims resolution procedures to be adopted by the Fire Victim Trust.  
25 **Although common stock of Reorganized PG&E Corp. is to be transferred to the Fire Victim Trust**  
26 **pursuant to the Plan, NOTHING IN THE PLAN OR THE FIRE VICTIM TRUST AGREEMENT**  
27 **REQUIRES A FIRE VICTIM TO RECEIVE PAYMENT IN STOCK.**

28 The aggregate consideration of \$13.5 billion described above to be contributed to the Fire Victim  
Trust (plus the assigned claims) was determined by a settlement among the Debtors, the Shareholder  
Proponents, the Official Committee of Tort Claimants (the “**Tort Claimants Committee**”) that has a  
fiduciary duty to represent the interests of all holders of Fire Victim Claims, other than the interests of  
Governmental Units in the Chapter 11 Cases, and the law firms (the “**Consenting Fire Claimant**  
**Professional Group**”) that represent Fire Victims holding over 70% of the in excess of 70,000 fire  
claims that have been filed. The sole source of recovery for holders of Fire Victim Claims is the Fire  
Victim Trust. Holders of Fire Victim Claims will not be able to otherwise pursue their claims against  
the Debtors, Reorganized PG&E, or their respective assets or properties.

**IF YOU ARE A FIRE VICTIM, PLEASE SEE THE ENCLOSED “FIRE VICTIM**  
**CLAIM PLAN TREATMENT SUMMARY” FOR ADDITIONAL INFORMATION.**

It is also important to note that the Plan Proponents believe that the Plan will enable the Debtors  
to support California’s clean energy goals and ensure that PG&E has access to sufficient resources to  
aggressively invest in capital improvements and wildfire mitigation and to provide safe and reliable  
service to its customers and communities.

1 Finally, the Plan Proponents believe that upon implementation of the Plan, PG&E will be able  
2 to participate in the recently authorized Go-Forward Wildfire Fund, which is designed to support the  
3 creditworthiness of California electrical corporations and provide a mechanism to attract capital for  
4 investment in safe, clean, and reliable power for California at a reasonable cost to ratepayers.

5 **THE DEBTORS, THE AD HOC NOTEHOLDERS COMMITTEE, THE AD HOC  
6 SUBROGATION GROUP, THE PUBLIC ENTITIES, AND THE SHAREHOLDER  
7 PROPONENTS RECOMMEND THAT HOLDERS OF CLAIMS AND INTERESTS

11 **A. Notice to Creditors**

12 The purpose of this Disclosure Statement is to set forth information that (i) summarizes the  
13 treatment of Claims and Interests under the Plan, including the treatment of Claims held by Fire Victims,  
14 (ii) advises holders of Claims and Interests of their rights under the Plan, (iii) assists parties entitled to  
15 vote on the Plan in making informed decisions as to whether they should vote to accept or reject the  
16 Plan, and (iv) assists the Bankruptcy Court in determining whether the Plan complies with the provisions  
17 of chapter 11 of the Bankruptcy Code and should be confirmed. The Bankruptcy Court previously set  
18 certain dates and deadlines with respect to approval of the Disclosure Statement and confirmation of the  
19 Plan by Order, dated February 11, 2020 [Docket No. 5732] (the “**Scheduling Order**”).

20 **IT IS THE OPINION OF THE PLAN PROPONENTS, THE AD HOC SUBROGATION  
21 GROUP, AND THE PUBLIC ENTITIES THAT CONFIRMATION AND IMPLEMENTATION  
22 OF THE PLAN IS IN THE BEST INTERESTS OF THE DEBTORS’ ESTATES, CREDITORS  
23 (INCLUDING ALL FIRE VICTIMS), AND SHAREHOLDERS.**

24 **THEREFORE, THE DEBTORS, THE AD HOC NOTEHOLDERS COMMITTEE, THE  
25 AD HOC SUBROGATION GROUP, THE PUBLIC ENTITIES, AND THE SHAREHOLDER

27 ARE ENTITLED TO VOTE, VOTE TO ACCEPT THE PLAN.**

15 describing the establishment and administration of the Fire Victim Trust have been filed with the  
16 Bankruptcy Court, as has the substantially final form of Subrogation Wildfire Trust Agreement  
17 describing the establishment and administration of the Subrogation Wildfire Trust. Certain documents  
18 necessary to the effectuation of the Plan will be filed with the Bankruptcy Court no later than 14 days  
19 before the Confirmation Objection Deadline. These documents are referred to collectively as the Plan  
20 Supplement and will include, but not be limited to: (i) the Schedule of Rejected Contracts; (ii) the New  
21 Organizational Documents; (iii) to the extent known, information required to be disclosed in accordance  
22 with section 1129(a)(5) of the Bankruptcy Code as to the officers and directors of the Reorganized  
23 Debtors on the Effective Date of the Plan; (iv) the Exit Financing Term Sheets; (v) the Schedule of  
24 Assigned Rights and Causes of Action; (vi) the Tax Benefits Payment Agreement; (vii) the Fire Victim  
25 Trust Agreement; and (viii) the Fire Victim Claims Resolution Procedures. Such documents will be  
26 consistent with the terms of the Plan, *provided*, that, through the Effective Date, the Plan Proponents  
27 will have the right to amend documents contained in, and exhibits to, the Plan Supplement in accordance  
28 with the terms of the Plan.

18 **WHERE TO FIND ADDITIONAL INFORMATION:** The Debtors currently file annual,  
19 quarterly and current reports with, and furnish other information to, the Securities and Exchange  
20 Commission (the “SEC”). Copies of any document filed with the SEC may be obtained by visiting the  
21 SEC website at <http://www.sec.gov> and performing a search under the “Company Filings” link or by

23 found in the following filings (but later information filed with the SEC that updates information in the  
24 filings incorporated by reference will update and supersede that information):

- 25 • Form 10-K for the fiscal year ended December 31, 2019, filed with the SEC on February  
26 18, 2020 (the “**2019 Form 10-K**”); and
- 27 • Form 8-Ks filed with the SEC during the pendency of these Chapter 11 Cases.

## 1 **II. OVERVIEW OF THE CHAPTER 11 CASES**

### 2 **A. Commencement of Chapter 11 Cases**

3 On January 29, 2019, the Debtors commenced the Chapter 11 Cases. The Debtors continue to  
4 operate their business and manage their properties as debtors in possession pursuant to sections 1107(a)  
and 1108 of the Bankruptcy Code.

5 The principal objectives of the Chapter 11 Cases are:

- 6 • First, to establish a process for PG&E to fully address and resolve its liabilities resulting  
7 from the 2017 and 2018 Northern California wildfires and to provide compensation to  
8 those entitled to compensation from the Debtors fairly and expeditiously – more quickly  
9 and more equitably than those liabilities could be addressed and resolved in the state  
court system;
- 10 • Second, to restore PG&E's financial stability and assure that PG&E has access to the  
11 capital and resources necessary to sustain and support its ongoing operations and to  
12 enable PG&E to continue investing in its systems infrastructure and critical safety and  
wildfire prevention initiatives, including investing in PG&E's Community Wildfire  
13 Safety Program (a program to further reduce wildfire risks and help keep the customers  
and communities PG&E serves safe through enhanced real-time monitoring and  
14 intelligence, safety measures, and electrical system equipment);
- 15 • Third, to work collaboratively and constructively with State regulators and policy makers  
to (i) address safety, operational and structural reforms; (ii) determine the most effective  
16 way for PG&E to provide safe and reliable electric and natural gas service to its  
customers and communities for the long term; and (iii) address the significant increase  
17 in wildfire risk in an environment that continues to be challenged by climate change and  
its ongoing and future impact on California, including on PG&E and its operations; and
- 18 • Fourth, to enable PG&E to continue its extensive restoration and rebuilding efforts to  
19 assist the communities affected by the 2017 and 2018 Northern California wildfires.  
20

21 For further information regarding the commencement of the Chapter 11 Cases, please refer to  
the Form 10-K for the fiscal year ended December 31, 2018, filed with the SEC on February 28, 2019  
22 and the *Amended Declaration of Jason P. Wells in Support of First Day Motions and Related Relief*  
[Docket No. 263].  
23

### 24 **B. Certain Significant Events During the Chapter 11 Cases**

25 The following sections briefly summarize certain significant events occurring during the Chapter  
26 11 Cases.  
27  
28

## 1. Estimation of Aggregate Wildfire Liabilities

On July 18, 2019, the Debtors filed a motion in the Bankruptcy Court to establish procedures for the estimation of PG&E's aggregate liability for claims arising out of the 2015 Butte Fire and the 2017 and 2018 Northern California wildfires for Plan confirmation purposes [Docket No. 3091] (the "**Estimation Motion**").

On August 21, 2019, the Bankruptcy Court issued a recommendation to the United States District Court for the Northern District of California (the "**District Court**") requesting the District Court withdraw its reference in part so that the District Court – and not the Bankruptcy Court – would decide key questions relating to the estimation process. On August 22, 2019, the District Court accepted the Bankruptcy Court's recommendation and assigned the matter to United States District Judge James Donato.

These estimation proceedings are currently pending as Case No. 19-cv-05257-JD in the District Court (the "**Estimation Proceedings**") but, as further discussed below, have been stayed in light of the settlement approved in connection with the Tort Claimants RSA (as defined below).

## 2. Bankruptcy Court Lifts Automatic Stay to Allow Tubbs Cases to Proceed in State Court

The Tort Claimants Committee and the Ad Hoc Subrogation Group, on July 2 and 3, 2019, respectively, filed motions (the "**Tubbs Lift Stay Motions**") seeking relief from the automatic stay to allow certain elderly or infirm individuals (collectively, with certain indispensable parties, the "**Tubbs Preference Claimants**") to pursue state court litigation relating to the 2017 Tubbs fire (the "**Tubbs Cases**"). The Bankruptcy Court considered the Tubbs Lift Stay Motions at the hearing on August 14, 2019. On August 21, 2019, the Bankruptcy Court entered an order granting the Tubbs Lift Stay Motions, allowing the Tubbs Cases to proceed to trial in Superior Court for the State of California (the "**Superior Court**").

In light of the Tort Claimants RSA, the Superior Court entered an order vacating the existing trial dates for the Tubbs Cases and setting a hearing for March 2, 2020, to show cause regarding dismissal of the Tubbs Cases. Upon entry into and pursuant to the Tort Claimants RSA, the Debtors promptly entered into settlement discussions with the Tubbs Preference Claimants to resolve the Tubbs Cases. On January 6, 2020, the Debtors filed a motion (the "**Tubbs Settlement Motion**") seeking approval of settlement agreements settling and liquidating the claims of the Tubbs Preference Claimants for payment by the Fire Victim Trust, as provided in the Tort Claimants RSA. On January 30, 2020, the Bankruptcy Court entered an order [Docket No. 5571] granting the relief requested in the Tubbs Settlement Motion.

## 3. Debtors Settle Plan Treatment of Public Entities Wildfire Claims and Enter Into Public Entities Plan Support Agreements

On June 18, 2019, the Debtors and the Public Entities<sup>1</sup> entered into those certain *Plan Support Agreements as to Plan Treatment of Public Entities' Wildfire Claims* (the "**Public Entities Plan**

---

<sup>1</sup> The "**Public Entities**" include the City of Clearlake, the City of Napa, the City of Santa Rosa, the County of Lake, the Lake County Sanitation District, the County of Mendocino, Napa County, the

1 **Support Agreements**”). Pursuant to the Public Entities Plan Support Agreements, the Public Entities  
2 agreed to support and vote in favor of a chapter 11 plan proposed by the Debtors that provides that,  
3 among other things, the Public Entities Wildfire Claims will be satisfied with \$1 billion in Cash, to be  
4 distributed from a trust account in accordance with the “Public Entities Settlement Distribution  
5 Protocol,” and the Reorganized Debtors will establish a \$10 million segregated defense fund for the  
6 benefit of the Public Entities.

7 The Public Entities Plan Support Agreements provide that each may be terminated by the  
8 applicable Public Entity under certain circumstances, including (i) if the Federal Emergency  
9 Management Agency (“**FEMA**”) or the California Governor’s Office of Emergency Services (“**Cal**  
10 **OES**”) fails to agree that no reimbursement is required from the Public Entities on account of assistance  
11 rendered by either agency in connection with the Fires, and (ii) by any individual Public Entity, if a  
12 material amount of Public Entities Third Party Claims is filed against such Public Entity and such Public  
13 Entity and such Public Entities Third Party Claims are not released pursuant to the Plan.

#### 14 **4. Debtors Settle Subrogation Wildfire Claims and Enter Into Subrogation 15 Claims RSA**

16 On September 24, 2019, the Debtors filed a motion seeking Bankruptcy Court approval of that  
17 certain Restructuring Support Agreement, dated as of September 22, 2019 and related settlement  
18 agreement (together, as amended and restated, and as may be further amended, restated and  
19 supplemented, the “**Subrogation Claims RSA**”) with the Consenting Creditors (as defined in the  
20 Subrogation Claims RSA). Pursuant to the Subrogation Claims RSA, holders of approximately 96% of  
21 all Subrogation Wildfire Claims (in dollar amount) agreed, among other things, to support and vote in  
22 favor of the Plan, in consideration of, among other things, an Allowed Subrogation Wildfire Claim of  
23 \$11 billion that will be paid in full in Cash under the Plan, and the payment of up to \$55 million in  
24 reasonable, documented and contractual fees of certain of the Ad Hoc Subrogation Group’s  
25 professionals. On December 19, 2019, the Bankruptcy Court entered an order [Docket No. 5173]  
26 authorizing the Debtors to enter into, and approving the terms of, the Subrogation Claims RSA and the  
27 settlement embodied therein.

#### 28 **5. Bankruptcy Court Appoints a Mediator**

On October 28, 2019, the Bankruptcy Court appointed retired Bankruptcy Judge Randall  
Newsome as mediator in the Chapter 11 Cases to identify and mediate issues to progress the cases  
towards timely confirmation of a chapter 11 plan. Beginning on October 31, 2019, Judge Newsome  
facilitated confidential settlement discussions among a number of key parties to the Chapter 11 Cases,  
including the Debtors, the Tort Claimants Committee, certain plaintiffs’ attorneys for individuals  
holding Fire Victim Claims, the Official Committee of Unsecured Creditors (the “**Creditors**  
**Committee**”), the Ad Hoc Noteholders Committee, certain agencies of the United States of America  
and the State of California asserting fire-related Claims, as well as the Shareholder Proponents.

County of Nevada, the County of Sonoma, the Sonoma County Agricultural Preservation and Open  
Space District, the Sonoma County Community Development Commission, the Sonoma County Water  
Agency, the Sonoma Valley County Sanitation District and the County of Yuba (collectively, the “**North**  
**Bay Public Entities**”); the Town of Paradise; the County of Butte; the Paradise Recreation & Park  
District; the County of Yuba; and the Calaveras County Water District.

1                   **6. Debtors Settle Plan Treatment of Fire Victim Claims and Enter Into Tort**  
2                   **Claimants RSA**

3                   On December 6, 2019, the Debtors, the Tort Claimants Committee, the Consenting Fire Claimant  
4 Professional Group, and the Shareholder Proponents, entered into that certain Restructuring Support  
5 Agreement, dated December 6, 2019 (as amended on December 16, 2019 and may be further amended,  
6 restated and supplemented, the “**Tort Claimants RSA**”) that, among other things, resolved the treatment  
7 of all Fire Victim Claims under the Plan. The agencies of the United States of America and the State of  
8 California asserting fire-related Claims are not signatories to the Tort Claimants RSA. On December  
9 19, 2019, the Bankruptcy Court entered an order [Docket No. 5174] authorizing the Debtors’ and TCC’s  
10 entry into, and approving the terms of, the Tort Claimants RSA and the settlements embodied therein.

11                   The Tort Claimants RSA provides, among other things, that (i) pursuant to the Plan, the Debtors  
12 will fund a Fire Victim Trust, to be established for the benefit of all holders of Fire Victim Claims, with  
13 cash and stock valued at \$13.5 billion, and contribute certain assigned rights and causes of action to the  
14 Fire Victim Trust; (ii) the parties agree to a stay of the Estimation Proceedings; (iii) the Debtors would  
15 promptly negotiate a settlement of the claims of the Tubbs Preference Claimants; and (iv) the Tort  
16 Claimants Committee and Consenting Fire Claimant Professional Group will support the Plan.

17                   **7. Debtors Settle with Ad Hoc Noteholders Committee and Enter Into Noteholder**  
18                   **RSA**

19                   On January 22, 2020, the Debtors, the Shareholder Proponents, and the Ad Hoc Noteholders  
20 Committee entered into that certain Restructuring Support Agreement, dated January 22, 2020 (as may  
21 be amended, restated and supplemented, the “**Noteholder RSA**”). The Noteholder RSA provides,  
22 among other things, that the Ad Hoc Noteholders Committee will (i) withdraw their alternative plan;  
23 (ii) suspend their motion to reconsider the order approving the Subrogation Claims RSA and Tort  
24 Claimants RSA; (iii) withdraw all discovery issued in connection with and support the relief requested  
25 in the Debtors’ Exit Financing Motion (as defined below); (iv) have their debt secured on the Effective  
26 Date; and (v) support the Plan. On February 5, 2020, the Bankruptcy Court entered an order [Docket  
27 No. 5637] authorizing the Debtors to enter into, and approving the terms of, the Noteholder RSA and  
28 the settlements embodied therein. On February 5, 2020, the Ad Hoc Noteholders Committee withdrew  
the TCC/Noteholder Plan [Docket No. 5644].

**8. Briefing on Plan Confirmation Issues**

                  On October 31, 2019, the Bankruptcy Court entered an order [Docket No. 4540] (the “**Pre-Confirmation Scheduling Order**”) establishing briefing and hearing schedules for the following issues related to plan confirmation: (i) whether the doctrine of inverse condemnation applies to a privately-owned utility, (ii) what is the appropriate postpetition interest rate for unsecured claims in a solvent debtor case, (iii) whether holders of the Utility Senior Notes are entitled to Allowed Claims for make-whole premiums or similar amounts, and (iv) whether the Subrogation Claimants are impaired under the Plan.

**Inverse Condemnation:** On November 27, 2019, following briefing and oral argument on the issue, the Bankruptcy Court issued a memorandum decision determining that the doctrine of inverse condemnation applies to the Utility. Following the decision, the Bankruptcy Court certified the issue for appeal to the Ninth Circuit. On January 16 and 17, 2020, the Debtors concurrently filed a

petition for direct appeal with the United States Court of Appeals for the Ninth Circuit (the “**Ninth Circuit**”) and a motion to stay the proceedings pending confirmation of the Plan (and the settlements encompassed therein) by the Bankruptcy Court. On January 31, 2020, the Ninth Circuit issued an order granting the Debtors’ motion to stay the proceedings.

**Postpetition Interest:** On December 30, 2019, following briefing and oral argument on the issue, the Bankruptcy Court issued a memorandum decision [Docket No. 5226] (the “**Memorandum Decision**”) determining that the appropriate rate of postpetition interest on unsecured claims in a solvent debtor case is the federal judgment interest rate as of the Petition Date calculated pursuant to 28 U.S.C. § 1961(a). On February 6, 2020, the Bankruptcy Court entered the *Interlocutory Order Regarding Postpetition Interest* [Docket No. 5669] (the “**PPI Order**”) consistent with the Memorandum Decision. On February 20, 2020, the Ad Hoc Committee of Holders of Trade Claims (the “**Trade Committee**”) filed a motion seeking a determination that the Memorandum Decision and PPI Order are final orders that may be appealed without leave, or, to the extent the Memorandum Decision and PPI Order are not final orders, leave to appeal the Memorandum Decision and PPI Order to be heard in the District Court. On March 4 and 5, 2020, Mizuho Bank, Ltd., in its capacity as HoldCo Term Loan Administrative Agent, the Creditors Committee, Citibank, NA, BOKF, NA, and the Ad Hoc Noteholders Committee also filed notices of appeal and cross-motions for leave to appeal the Memorandum Decision and PPI Order, similarly requesting its appeal be heard in the District Court (collectively, the “**PPI Appeals**”).

Consistent with the PPI Order and Memorandum Decision, the Plan provides for payment of postpetition interest on General Unsecured Claims at the applicable Federal Judgment Rate—2.59%. The Trade Committee asserts that postpetition interest on General Unsecured Claims should be paid consistent with state law, and that under Cal. Civ. Code § 3289, this requires payment of postpetition interest on contract-based claims, such as trade claims, at the rate set forth in the applicable contract, or in the absence of a contract rate, at the statutory rate of 10%. If the PPI Order and Memorandum Decision are overturned by a final non-appealable decision, the amount of postpetition interest the Debtors or Reorganized Debtors are required to pay with respect to General Unsecured Claims could significantly increase. The Debtors contend that the PPI Order and Memorandum Decision are not final orders and are opposing the PPI Appeals, including the motions for leave to pursue the PPI Appeals.

**Make-Whole Claims:** The parties have fully briefed the question of whether holders of Utility Senior Notes are entitled to Allowed Claims for make-whole premiums or similar amounts in accordance with the Pre-Confirmation Scheduling Order. Pursuant to the terms of the Noteholder RSA, the parties have agreed to adjourn the matter without a further hearing date.

**Subrogation Claims Impairment:** On November 27, 2019, the Debtors and the Ad Hoc Subrogation Group filed a joint opening brief arguing the Subrogation Wildfire Claims, as settled under the Subrogation Claimants RSA, are impaired for plan purposes. The Ad Hoc Noteholders Committee filed a reservation of rights on the issue and, on January 10, 2020, the Creditors Committee filed a responsive brief. In view of the Noteholder RSA, the parties have agreed to remove the issue from the Bankruptcy Court’s calendar without prejudice.

## 9. Exit Financing Motion

On October 23, 2019, the Debtors filed the *Debtors’ Motion for Entry of Orders (I) Approving Terms of, and Debtors’ Entry into and Performance Under, Exit Financing Commitment Letters and (II) Authorizing Incurrence, Payment and Allowance of Related Fees and/or Premiums, Indemnities,*

1 *Costs and Expenses as Administrative Expense Claims* [Docket No. 4446] (as amended at Docket Nos.  
2 **Exit Financing Motion**”), seeking approval of certain exit financing commitment letters providing for up to \$12 billion  
3 in equity commitments (as further amended, modified and supplemented, the **Equity Backstop**  
4 **Commitment Letters**) and up to \$34.35 billion in debt commitments (as further amended, modified  
5 and supplemented, the **Debt Backstop Commitment Letters**,” and together with the Equity Backstop  
6 Commitment Letters, the **Exit Financing Commitment Letters**”). On January 22, 2020, the Governor  
7 filed an objection to the Exit Financing Motion [Docket No. 5445] (the **Governor’s Objection**”),  
8 which focused primarily on the Governor’s proposal to alter the Debtors’ corporate governance  
9 structure. On January 22, 2020, the Debtors reached a settlement with the Ad Hoc Noteholders  
10 Committee regarding the treatment of the Utility’s pre-petition funded debt under the Plan. The  
11 Bankruptcy Court approved the settlement on February 5, 2020. In light of the settlement with the Ad  
12 Hoc Noteholders Committee, the Debtors further amended the Exit Financing Commitment Letters to,  
13 among other things, reduce the aggregate Utility debt commitments and revise the provisions of the  
14 letters affected thereby. On March 3, 2020, the Debtors filed an amended Exit Financing Motion to  
15 reflect the updated Exit Financing Commitment Letters. Following a hearing on March 16, 2020, the  
16 Bankruptcy Court granted the relief requested in the Exit Financing Motion [Docket Nos. 6321 and  
17 6323].

#### 10. Tentative Settlements in Principle with Federal Agencies and Cal State Agencies

13 Certain federal agencies (collectively, the **Federal Agencies**”), including FEMA, and certain  
14 agencies of the State of California (collectively, the **State Agencies**”), including Cal OES and the  
15 California Department of Forestry and Fire Protection (**CAL FIRE**”), have asserted Fire Claims in the  
16 Chapter 11 Cases against the Debtors in excess of \$7.7 billion, for the majority of which the Debtors do  
17 not believe they have liability. On December 2, 2019, the Tort Claimants Committee filed an objection  
18 [Docket No. 4943] (as supplemented at Docket No. 5319 and as joined by the Debtors at Docket No.  
19 5639, the **FEMA Claims Objection**”) to all Claims asserted by FEMA, which total approximately  
20 \$3.9 billion (the **FEMA Claims**”), and on December 12, 2019, the Tort Claimants Committee filed an  
21 objection [Docket No. 5096] (as joined by the Debtors at Docket No. 5734, the **Cal OES Claims**  
22 **Objection**” and, together with the FEMA Claims Objection, the **Government Claims Objections**”),  
23 to all Claims asserted by Cal OES, which total approximately \$2.7 billion (the **Cal OES Claims**”).  
24 The Cal OES Claims Objection also contested approximately \$2.4 billion of the Cal OES Claims as  
25 being duplicative of the FEMA Claims. At a hearing on February 26, 2020, the Bankruptcy Court heard  
26 oral argument to consider the Government Claims Objections and took the matters under advisement.  
27 As of the date hereof, the Bankruptcy Court has not ruled on the Government Claims Objections.

22 In connection with the Government Claims Objections and other contested matters, on February  
23 18, 2020, the Bankruptcy Court issued an order [Docket No. 5810] for, among other things, mediation  
24 of classification issues related to the FEMA Claims and Cal OES Claims. Pursuant to the Plan, and as  
25 described in more detail below, the FEMA Claims, Cal OES Claims, and other Fire-related government  
26 agency Claims are classified as Fire Victim Claims to be channeled to and, if Allowed, paid from the  
27 Fire Victim Trust. FEMA, Cal OES, and certain other federal and state government agencies, however,  
28 contend that their Claims should be classified and treated as General Unsecured Claims under the Plan  
and, as such, expressed their intent to file formal motions challenging the Debtors’ proposed  
classification of such Claims. In lieu of formal motion practice, the Plan Proponents and the government

1 agencies stipulated to a briefing and hearing schedule on this classification issue, with a hearing before  
2 the Bankruptcy Court that was scheduled for April 1, 2020.

3 Tentative agreements in principle have been reached with the Federal Agencies and the State  
4 Agencies with respect to (a) the FEMA Claims and certain other claims asserted by Federal agencies  
5 that constitute Fire Claims (the “**Federal Agency Fire Claims**”), and (b) the State Agencies’ Fire  
6 Claims that are channeled to the Fire Victim Trust (the “**State Agency Fire Claims**”). Pending the  
7 finalization and approval of the settlements by the Bankruptcy Court, the briefing schedule on the  
8 classification issues related to the Federal Agency Fire Claims and State Agency Fire Claims has been  
9 suspended indefinitely.

10 Pursuant to the terms of the tentative settlements:

- 11 • the FEMA Claims will be reduced and Allowed at \$1 billion, channeled to the Fire Victim  
12 Trust, and fully subordinated to all other Fire Victim Claims;
- 13 • the Federal Agency Fire Claims shall be Allowed in the aggregate amount of \$117  
14 million and payable solely from the proceeds of the Assigned Rights and Causes of  
15 Action, after the payment of professional fees and costs incurred in connection with the  
16 pursuit of such Assigned Rights and Causes of Action;
- 17 • the Cal OES Claims will be withdrawn with prejudice;
- 18 • CAL FIRE’s Fire Claims (*i.e.*, only those claims that are channeled to the Fire Victim  
19 Trust under the Plan) will be settled and Allowed at \$115.3 million, payable over a period  
20 of years by the Fire Victim Trust solely and exclusively from any cash interest earned on  
21 the cash holdings of the Fire Victim Trust after the Effective Date;
- 22 • the other State Agency Fire Claims (*i.e.*, only those claims that are channeled to the Fire  
23 Victim Trust under the Plan) will be settled and Allowed at \$89 million, payable by the  
24 Fire Victim Trust over a period of years, payable solely from proceeds of the  
25 monetization of New HoldCo Common Stock in excess of \$6.75 billion and certain  
26 available interest on the cash holdings of the Fire Victim Trust; and
- 27 • the holders of the above Claims that are being settled shall have no right of recovery from  
28 the Debtors or Reorganized Debtors on account of the Fire Claims that are the subject of  
tentative settlements.

## 29 C. Related Pending Proceedings

### 30 1. **Securities Class Action**

31 Prior to the Petition Date, the Public Employees Retirement Association of New Mexico  
32 (“**PERA**”) filed a securities class action lawsuit in the U.S. District Court for the Northern District of  
33 California, Case No. 18-03509 (the “**Securities Litigation**”) against the Debtors, a number of the  
34 Debtors’ current and former directors and officers, and investment-bank underwriters of certain of the  
35 Debtors’ notes offerings.

1 In the Securities Litigation, PERA asserts securities claims relating to, among other things,  
2 allegedly misleading statements the defendants made regarding their wildfire safety practices. The  
3 claims are being asserted on behalf of investors who acquired the Debtors' notes and equity securities  
4 during the class period of April 29, 2015 through November 15, 2018.

5 The Securities Litigation has been and remains stayed with respect to the Debtors. PERA  
6 continues to pursue the Securities Litigation against the non-Debtor defendants. The non-Debtor  
7 defendants have filed motions to dismiss PERA's complaint in the District Court.

8 On October 21, 2019, PERA filed proofs of claim in the Bankruptcy Court asserting a claim on  
9 behalf of itself. On December 9, 2019, PERA filed a motion to treat its proof of claim as a class proof  
10 of claim on behalf of the equity and debt securities holders covered by the Securities Litigation under  
11 Bankruptcy Rule 7023. On February 3, 2020, the Court issued a ruling indicating that it had tentatively  
12 determined either to allow the proof of claim filed by PERA to be treated as a class proof of claim  
13 (subject to Plaintiffs meeting the requirements of Rule 23 of the Federal Rule of Civil Procedure) or,  
14 instead, to allow certain additional noticing and an extension of the Bar Date in the Chapter 11 Cases  
15 for potential class members. The Court directed the parties to file supplemental briefs addressing why  
16 an extension of the Bar Date for these class members was not preferable. On February 18, 2020, the  
17 Court issued an order [Docket No. 5810], among other things, directing the parties to participate in  
18 mediation regarding the allowance of the class proof of claim or an extension of the Bar Date. The  
19 parties were ultimately unable to come to a resolution and, following a hearing on the issue, on February  
20 27, 2020, the Court issued an Order denying the motion by PERA to have its proof of claim treated as a  
21 class proof of claim, ordering notice be provided to claimants that purchased the Debtors' publicly traded  
22 debt and equity securities from April 29, 2015 through November 15, 2018 and who may have claims  
23 under securities laws against the Debtors for rescission or damages and extending the Bar Date for those  
24 claimants to file claims to the Further Extended Bar Date of April 16, 2020.

25 Any such Claims that are filed in advance of the Further Extended Bar Date, if Allowed, will  
26 (i) if such Claims are for rescission or damages with respect to notes, be subordinated under section  
27 510(b) of the Bankruptcy Code relative to Claims that are senior or of equal priority, and need to be  
28 funded and paid in full under the Plan, or (ii) if such Claims are for rescission or damages with respect  
to equity, be afforded the same priority as that afforded to holders of the Debtors' common stock.

## 2. Butte County District Attorney Investigation and Potential Claims

21 As disclosed in the 2019 Form 10-K, the Butte County District Attorney's Office and the  
22 California Attorney General's Office opened a criminal investigation of the 2018 Camp fire. The  
23 Debtors have produced documents and continue to produce documents and respond to other requests for  
24 information and witness testimony in connection with the criminal investigation of the 2018 Camp fire,  
25 including, but not limited to, documents related to the operation and maintenance of equipment owned  
26 or operated by the Debtors. The Debtors have also cooperated with the Butte County District Attorney's  
27 Office and the California Attorney General's Office in the collection of physical evidence from  
28 equipment owned or operated by the Debtors. The Debtors currently are unable to predict the outcome  
of the criminal investigation into the 2018 Camp fire.

Potential criminal charges that could be filed against the Debtors and current or former  
employees with respect to the 2018 Camp fire include recklessly causing a fire, manslaughter and related  
environmental charges. The Debtors could be subject to material fines, penalties, or restitution orders

1 if it is determined that the Debtors failed to comply with applicable laws and regulations in connection  
2 with the 2018 Camp fire, as well as non-monetary remedies such as oversight requirements. If the  
3 Debtors were found criminally liable, the Debtors could also be liable for claims of restitution on behalf  
4 of certain Fire Victims under the California Penal Code. The Debtors believe that any claims for such  
5 restitution would constitute Fire Victim Claims and under the Plan would be satisfied solely out of the  
6 Fire Victim Trust. The criminal investigation is not subject to the automatic stay under the Bankruptcy  
7 Code.

8 The filing of criminal charges against the Debtors, the creation of any potential material  
9 indemnification obligation on the Debtors or any determination that any such claim for restitution is not  
10 satisfied solely out of the Fire Victim Trust may have a material impact on the ability of the Debtors to  
11 have the Plan confirmed by June 30, 2020.

### 12 **3. Adversary Proceeding Related to Public Safety Power Shutoffs (“PSPS”)**

13 On December 19, 2019, an individual plaintiff commenced a putative class action Adversary  
14 Proceeding No. 19-03061 (the “**PSPS Adversary Proceeding**”) against the Debtors in the Bankruptcy  
15 Court seeking to certify a class alleging damages in the amount of \$2.5 billion and seeking injunctive  
16 relief related to certain planned power outages instituted by the Debtors in October and November of  
17 2019. The Debtors do not believe there is any merit to the claims asserted in the PSPS Adversary  
18 Proceeding or that it is capable of being sustained as a class action. On January 21, 2020 the Debtors  
19 filed a motion to dismiss the PSPS Adversary Proceeding and alternatively to strike class  
20 allegations. The motion was fully briefed by the parties and heard by the Bankruptcy Court on March  
21 10, 2020.

## 22 **III. POSTPETITION LEGISLATIVE AND REGULATORY MATTERS**

### 23 **A. Wildfire Legislation<sup>2</sup>**

24 On July 12, 2019, Governor Newsom signed into law Assembly Bill 1054 (“**AB 1054**” or the  
25 “**Wildfire Legislation**”), which, among other things, establishes a statewide fund that participating  
26 utilities may access to pay for liabilities arising in connection with future wildfires occurring after July  
27 12, 2019 (the “**Go-Forward Wildfire Fund**”). The Wildfire Legislation also provides details regarding  
28 the conditions to and costs of participating in the Go-Forward Wildfire Fund and sets the criteria by  
which participating utilities can access the fund.

Each of California’s large investor-owned electric utility companies that are not currently subject  
to chapter 11, Southern California Edison (“**SCE**”) and San Diego Gas & Electric Company  
 (“**SDG&E**”), has elected to participate in the Go-Forward Wildfire Fund. AB 1054 provides that the  
Go-Forward Wildfire Fund is established upon SCE and SDG&E funding their initial contributions.

The Utility has provided notice to the California Public Utility Commission (the “**CPUC**”) of its  
intent to participate in the Go-Forward Wildfire Fund, and on August 26, 2019, the Bankruptcy Court  
issued an order [Docket No. 3689] authorizing the Debtors to participate in the Go-Forward Wildfire  
Fund. Under AB 1054, however, to participate in the Go-Forward Wildfire Fund, the Utility must satisfy  
several additional conditions. Upon emergence from chapter 11, the Utility must pay the initial and

<sup>2</sup> This summary is qualified in its entirety by the actual text of AB 1054.

1 annual contributions required for participation in the Go-Forward Wildfire Fund. Additionally, the  
2 Utility must satisfy the following conditions by June 30, 2020:

3 (A) The [Utility's Chapter 11 Case] has been resolved pursuant to a plan or  
4 similar document not subject to a stay.

5 (B) The [B]ankruptcy [C]ourt or a court of competent jurisdiction, in the  
6 [Chapter 11 Cases], has determined that the resolution of the [Chapter 11  
7 Case] provides funding or establishes reserves for, provides for assumption  
8 of, or otherwise provides for satisfying any prepetition wildfire claims  
9 asserted against the [Utility] in the [Chapter 11 Cases] in the amounts  
10 agreed upon in any pre-insolvency proceeding settlement agreements or any  
11 post-insolvency settlement agreements, authorized by the court through an  
12 estimation process or otherwise allowed by the court.

13 (C) The [CPUC] has approved the reorganization plan and other documents  
14 resolving the [Utility's Chapter 11 Cases], including the [Utility's] resulting  
15 governance structure, as being acceptable in light of the [Utility's] safety  
16 history, criminal probation, recent financial condition, and other factors  
17 deemed relevant by the [CPUC].

18 (D) The [CPUC] has determined that the [Utility's] reorganization plan and  
19 other documents resolving the [Chapter 11 Cases] are (i) consistent with the  
20 state's climate goals as required pursuant to the California Renewables  
21 Portfolio Standard Program and related procurement requirements of the  
22 state and (ii) neutral, on average, to the ratepayers of the [Utility].

23 (E) The [CPUC] has determined that the reorganization plan and other  
24 documents resolving the [Chapter 11 Cases] recognize the contributions of  
25 ratepayers, if any, and compensate them accordingly through mechanisms  
26 approved by the [CPUC], which may include sharing of value appreciation.

27 Cal. Pub. Util. Code §3291(b)(1)(A)-(E).  
28

29 If the Utility satisfies the requirements to participate in the Go-Forward Wildfire Fund, the  
30 Utility's required contributions to the Go-Forward Wildfire Fund will be substantial. The Go-Forward  
31 Wildfire Fund is expected to be funded with approximately (i) \$10.5 billion of proceeds of bonds  
32 supported by a 15-year extension of the Department of Water Resources charge to ratepayers, (ii) \$7.5  
33 billion in initial contributions from California's three investor-owned electric utility companies and  
34 (iii) \$300 million in annual contributions paid by California's three investor-owned electric utility  
35 companies. The contributions from the investor-owned electric utility companies will be effectively  
36 borne by their respective shareholders, as they will not be permitted to recover these costs from  
37 ratepayers. The costs of the initial and annual contributions are allocated among the three investor-  
38 owned electric utility companies pursuant to a "Wildfire Fund allocation metric" set forth in AB 1054  
39 based on land area in the applicable utility's service territory classified as high fire threat districts and  
40 adjusted to account for risk mitigation efforts. The Utility's initial Go-Forward Wildfire Fund allocation  
41 metric will be 64.2% (representing an initial contribution of approximately \$4.8 billion and annual  
42 contributions of approximately \$193 million). In addition, all initial and annual contributions will be  
43 excluded from the measurement of the Utility's authorized capital structure.

1 Participation in the Go-Forward Wildfire Fund is expected to have a material impact on the  
2 Reorganized Debtors' financial condition, results of operations, liquidity and cash flows. The Utility is  
3 currently evaluating the accounting and tax treatment of the required initial and annual  
4 contributions. The timing and amount of any potential charges associated with shareholder  
5 contributions would also depend on various factors, including the timing of resolution of the Chapter 11  
6 Cases. Furthermore, there can be no assurance that the expected benefits of participating in the Go-  
7 Forward Wildfire Fund ultimately outweigh its substantial costs.

8 In addition to establishing the Go-Forward Wildfire Fund, AB 1054 also provides that the first  
9 \$5.0 billion in the aggregate spent by SCE, SDG&E and the Utility on fire risk mitigation capital  
10 expenditures included in their approved wildfire mitigation plans will be excluded from their respective  
11 equity rate bases. The \$5.0 billion of capital expenditures will be allocated among the investor-owned  
12 utilities in accordance with their Go-Forward Wildfire Fund allocation metrics (described above) and  
13 may be securitized through a customer charge.

14 While the Plan Proponents believe the Plan complies with all of the requirements of AB 1054  
15 and will be approved by the CPUC, certain state and federal government agencies disagree. Such state  
16 and federal government agencies, however, have no approval rights over the CPUC's determination of  
17 such compliance.

#### 18 **B. Governor's Letter Regarding Compliance with the Wildfire Legislation**

19 On December 13, 2019, Governor Gavin Newsom sent a letter to the Utility's management  
20 stating, among other things, that the Governor believed that the draft *Debtors' and Shareholder*  
21 *Proponents' Joint Chapter 11 Plan of Reorganization* shared on December 6, 2019 with the Governor's  
22 Office (the "**December 6 Plan**") did not comply with AB 1054. The Governor's letter set forth a number  
23 of governance and management requirements that the Governor believed were necessary to comply with  
24 AB 1054. The Governor's letter further stated that the capital structure set forth in the December 6 Plan  
25 would contribute to a reorganized company that, in the Governor's view, would not be positioned to  
26 provide safe, reliable, and affordable electric service. The Debtors have taken the views of the  
27 Governor's Office into account in formulating the Plan, which the Debtors believe complies with AB  
28 1054. The Debtors and the Governor's Office remain in continuous discussions.

#### 29 **C. CPUC Approvals**

30 Given the Utility's status as a public utility regulated by the CPUC, there are a number of issues  
31 in pending or anticipated regulatory proceedings that will need to be addressed by the CPUC prior to or  
32 in connection with confirmation or effectiveness of the Plan. These regulatory matters are summarized  
33 below:

34 ***Plan OII.*** Under applicable state and federal law, certain provisions of the Plan,  
35 including any ratemaking implications of the Plan, must be reviewed and approved by the CPUC in the  
36 ordinary course of its regulatory duties. In addition, as discussed above, the California legislature has  
37 passed, and the Governor has signed into law, AB 1054. As a result, there are certain regulatory  
38 approvals that the Utility must or may desire to obtain prior to or as part of and in connection with  
confirmation or effectiveness of the Plan with respect to participation in the Go-Forward Wildfire Fund,  
including satisfaction of the conditions set forth in AB 1054 as determined, where applicable, by the  
CPUC. To facilitate this review, on October 4, 2019, the CPUC commenced Investigation (I.) 19-09-  
016, Order Instituting Investigation on the Plan (the "**Plan OII**") to consider the ratemaking and other

1 implications that will result from the confirmation of a plan of reorganization and other regulatory  
2 approvals necessary to resolve the Chapter 11 Cases. This proceeding, among other things, affords  
3 parties the opportunity to be heard and comment on any CPUC regulatory approvals required pursuant  
4 to Public Utilities Code Section 3292 in order for PG&E to become eligible to participate in the wildfire  
5 fund established pursuant to AB 1054 and other state law, any other regulatory approvals required by  
6 AB 1054, and any other matters that may need to be decided by the CPUC in connection with a plan.  
7 The CPUC expects to render its decision sufficiently in advance of the June 30, 2020 statutory deadline  
8 contained in AB 1054 to allow the Bankruptcy Court to address and approve any modifications made to  
9 the Plan pursuant to CPUC orders.

10 On January 31, 2020, the Utility served prepared testimony in the Plan OII outlining key  
11 elements of the Plan, including, but not limited to: (i) key aspects of the Utility's governance structure;  
12 (ii) implementing a plan to regionalize PG&E's operations; (iii) appointing an independent safety  
13 advisor; (iv) strengthening the roles of the Chief Risk Officer and the Chief Safety Officer; (v) utilizing  
14 an Independent Safety Oversight Committee with non-PG&E Corporation and non-Utility employees  
15 to provide independent review of PG&E's operations; (vi) paying value in excess of \$25.5 billion to  
16 wildfire victims through the settlements reached; and (vii) emerging from chapter 11 with a financing  
17 structure that seeks to protect customer rates and position PG&E for long term success.

18 On February 11, 2020, the Administrative Law Judge issued a ruling setting a schedule  
19 for, among other things, testimony and evidentiary hearings for the Plan OII (the "**Schedule**"). On  
20 February 18, 2020, the assigned Commissioner issued a ruling setting forth certain proposals  
21 ("**Proposals**") as potential conditions on CPUC approval under AB 1054 and proposing a modified  
22 schedule that provided for supplemental testimony and briefing on the Proposals. Evidentiary hearings  
23 and live testimony began on February 25, 2020 and concluded on March 4, 2020 pursuant to the  
24 Schedule. On February 26, 2020, the Administrative Law Judge amended the Schedule to provide for  
25 combined post-hearing briefing and comments on the Proposals on March 13, 2020 and replies on March  
26 26, 2020, and noted that, if necessary, an evidentiary hearing on the Proposals would occur on March  
27 18, 2020.

28 ***Other Relevant Pending Enforcement Proceedings.*** There are a number of pending  
enforcement proceedings that relate to prepetition conduct by the Debtors and could result in monetary  
fines, penalties or other remedies. The Debtors' financial condition, results of operations, liquidity, and  
cash flows could be materially affected by the outcomes of these proceedings. Accordingly, satisfactory  
resolution of these proceedings is a condition precedent to the effectiveness of the Plan, unless waived.  
These pending proceedings include:

- (i) **Wildfire OII.** Investigation (I.) 19-06-015, Order Instituting Investigation on the Commission's Own Motion into the Maintenance, Operations and Practices of Pacific Gas and Electric Company (U39E) with Respect to its Electric Facilities; and Order to Show Cause Why the Commission Should not Impose Penalties and/or Other Remedies for the Role PG&E's Electrical Facilities had in Igniting Fires in its Service Territory in 2017. On December 17, 2019, the Utility, the CPUC's Safety and Enforcement Division ("**SED**"), the Coalition of California Utility Employees ("**CUE**"), and the CPUC's Office of Safety Advocates filed a motion seeking approval of a settlement agreement that would, if approved by the CPUC, resolve the proceeding. Pursuant to the settlement, the Utility would not seek rate recovery of \$1.625 billion in wildfire related expenditures and would

1 spend \$50 million in shareholder funds on system enhancement initiatives. On  
2 February 27, 2020, the Administrative Law Judge served a Presiding Officer's  
3 Decision, which would approve the proposed settlement, subject to the settling  
4 parties' acceptance of certain modifications to the settlement. The modified  
5 settlement, if accepted by the settling parties, increases the financial obligations  
6 imposed by the proposed settlement agreement. The modified settlement would  
7 require the Utility to (i) not seek rate recovery of \$1.823 billion in wildfire-related  
8 expenditures, (ii) spend \$114 million in shareholder funds on system  
9 enhancement initiatives, (iii) pay a cash fine of \$200 million to the general fund  
10 of the State of California out of funds that would not otherwise be available to  
11 satisfy the claims of wildfire claimants, and (iv) agree that any future tax savings  
12 associated with shareholder payments under the settlement would be "returned to  
13 the benefit of ratepayers." The parties to the settlement may accept the modified  
14 settlement or request other relief on or before March 18, 2020. Parties have until  
15 March 30, 2020 to appeal the Presiding Officer's Decision. The CPUC believes  
16 that the payment of any fines or penalties, including the proposed cash fine  
17 contained in the modified settlement, should not diminish funds available to  
18 satisfy Fire Victim Claims from the Fire Victim Trust and has requested that the  
19 Plan be modified accordingly. The Plan Proponents disagree and believe that  
20 payment of any such fines and penalties are to be made from the assets of the Fire  
21 Victim Trust.

22 (ii) **Locate and Mark OIL.** Investigation (I.) 18-12-007, Order Instituting  
23 Investigation and Order to Show Cause on the Commission's Own Motion into  
24 the Operations and Practices of Pacific Gas and Electric Company with Respect  
25 to Locate and Mark Practices and Related Matters. On October 3, 2019, the  
26 Utility, SED and CUE filed a motion for approval of a settlement agreement that  
27 would, if approved by the CPUC, resolve the proceeding. On January 17, 2020,  
28 the Administrative Law Judge served a Presiding Officer's Decision, which  
would approve the proposed settlement, subject to the settling parties' acceptance  
of certain modifications to the settlement. On February 6, 2020, the settling  
parties filed a pleading suggesting certain modifications to the terms set forth in  
the Presiding Officer's Decision, but also stating their willingness to accept the  
terms as set forth in the Presiding Officer's Decision in the event their suggestions  
are not accepted. On February 14, 2020, the Administrative Law Judge denied  
the settling parties' request to modify the terms of the Presiding Officer's  
Decision, and granted the settling parties' acceptance of the terms of the Presiding  
Officer's Decision as proposed. On February 20, 2020, the Presiding Officer's  
Decision became the decision of the CPUC.

#### 25 **D. Other Federal Regulatory Matters**

26 Section 203 of the Federal Power Act ("FPA") has been interpreted to require, among other  
27 things, that entities involved in wholesale sales or transmission of electricity in interstate commerce  
28 obtain the authorization of the Federal Energy Regulatory Commission ("FERC") prior to engaging in

1 transactions that transfer control of FERC-jurisdictional facilities. Such changes in control can occur  
 2 either directly, via a sale of the facilities themselves, or indirectly via a change in the corporate control  
 3 of a utility like PG&E, or a utility holding company like PG&E Corp. Section 203 provides that FERC  
 4 will approve transactions that are consistent with the public interest, and that FERC may grant approval  
 5 of a transaction on conditions FERC finds necessary or appropriate.

6 Because the Plan calls for the Fire Victim Trust to acquire at least 20.9% of the equity of  
 7 Reorganized PG&E Corp., FERC may consider the Plan to result in an indirect change in control over  
 8 the FERC-jurisdictional facilities of the Utility. As a result, the Debtors may be required to seek and  
 9 obtain authorization from FERC under Section 203 of the FPA before engaging in the transactions  
 10 called-for by the Plan. On March 2, 2020, the Debtors submitted an application (the “**FERC**  
 11 **Application**”) seeking such authorization and requested FERC action on its application in advance of  
 12 the June 30, 2020 statutory deadline provided for in AB 1054. The deadline to comment on the FERC  
 13 Application is March 23, 2020.

#### 9 **IV. BACKGROUND AND OVERVIEW OF THE PLAN**<sup>3</sup>

10 This section summarizes certain key provisions of the Plan. This section is intentionally not a  
 11 recitation of the entirety of the Plan, a copy of which is annexed hereto as **Exhibit A**. For additional  
 12 information regarding the Plan not discussed in this section, please refer to the following select Plan  
 13 provisions:

Provisions Governing Distributions to Holders of Claims and Interests	<u>Article V</u>
Means for Implementation and Execution of the Plan	<u>Article VI</u>
Procedures for Disputed Claims	<u>Article VII</u>
Treatment of Executory Contracts and Unexpired Leases	<u>Article VIII</u>
Retention of Causes of Action of the Debtors and Reorganized Debtors	<u>Article X.11</u>
Miscellaneous Provisions	<u>Article XII</u>

#### 21 **A. Plan Background**

22 Over the past several months, the Debtors and their advisors have worked diligently with their  
 23 key economic stakeholders, regulators, and other parties in interest on the terms of a comprehensive,  
 24 global restructuring that will fairly and equitably address all Fire Victim Claims and other prepetition  
 25

26 <sup>3</sup> **This overview is qualified in its entirety by reference to the Plan.** The treatment of Claims and  
 27 Interests under the Plan is not intended to, and will not, waive, compromise, or limit any of the Debtors’  
 28 or creditors’ rights, claims, or causes of action if the Plan is not confirmed. You should read the Plan,  
 attached hereto as **Exhibit A** in its entirety before voting to accept or reject the Plan.

claims and equity interests, maximize value for all parties in interest, and ensure that the Utility will be positioned to deliver safe and reliable service to its customers.

A central component of the Plan is approximately \$47.1 billion of capital to be provided through any combination of (i) new credit facilities, including exit revolving loan facilities, senior term loan facilities and/or bridge loan facilities; (ii) new debt securities issued by the Utility (the “**New Utility Notes**”); (iii) new debt securities issued by HoldCo (the “**New Holdco Notes**” and, together with the New Utility Notes, the “**New Debt Securities**”); (iv) issuance of new PG&E Corp. common stock (“**New HoldCo Common Stock**”) pursuant to one or more public or private equity offerings and/or the Rights Offering (if implemented); (v) the reinstatement of certain of the Utility’s prepetition debt in accordance with the existing terms of such prepetition debt; and (vi) the exchange of certain of the Utility’s prepetition debt for new debt (the capital sources described in the foregoing (i) through (vi), collectively, the “**Plan Financing Sources**”). The capital resulting from the Plan Financing Sources will allow the Debtors to consummate the Plan, and will position them as a stronger utility for years to come.

### **B. Classification and Treatment of Claims and Interests**<sup>4</sup>

The following table provides a summary of the classification and treatment of Claims and Interests under the Plan and is qualified in its entirety by reference to the Plan.

All Fire Victim Claims shall be satisfied solely from the Fire Victim Trust with no recourse to the Debtors, the Reorganized Debtors, or their respective assets and properties. <sup>4</sup> The following categories of claims and equity interests are presented in a summary form for ease of reference, and do not correspond exactly to the more detailed classes of claims and equity interests contained in the Plan.

	<p>of the Fire Victim Trust Agreement. These documents will be included in the Plan Supplement.</p> <p>(c) <b>Impairment and Voting: Impaired; Entitled to vote on the Plan.</b></p>
Subrogation Wildfire Claims	<p>(a) <u>Description</u>: All Fire Claims (other than Fire Claims arising from the Butte Fire (2015)) held by insurers or their assignees in connection with payments made on account of damages or losses arising from such wildfires.</p> <p>(b) <u>Treatment</u>: The Subrogation Wildfire Claims shall be settled and Allowed in the aggregate amount of \$11 billion. Pursuant to the Channeling Injunction, each holder of a Subrogation Wildfire Claim shall have its Claim permanently channeled to the Subrogation Wildfire Trust, and such Claim shall be asserted exclusively against the Subrogation Wildfire Trust in accordance with its terms, with no recourse to the Debtors, the Reorganized Debtors, or their respective assets and properties. Each holder of a Subrogation Wildfire Claim shall receive payment as determined in accordance with the Subrogation Wildfire Trust Agreement, a substantially final form of which was filed with the Bankruptcy Court on February 28, 2020 and will be included in the Plan Supplement.</p> <p>(c) <b>Impairment and Voting: Impaired; Entitled to vote on the Plan.</b></p>
Public Entities Wildfire Claims	<p>(a) <u>Description</u>: Claims held by those Public Entities that entered into Plan Support Agreements with the Debtors that, among other things, settled their claims relating to the Butte Fire (2015), the North Bay Wildfires (2017), and the Camp Fire (2018).</p> <p>(b) <u>Treatment</u>: Payment of the settlement amount of \$1 billion in cash, plus the establishment of a fund in the amount of \$10 million to reimburse the Public Entities for legal fees and costs associated with any third party claims relating to the wildfires that may be brought against the Public Entities.</p> <p>(c) <b>Impairment and Voting: Impaired; Entitled to vote on the Plan.</b></p>

<sup>5</sup> The Utility Senior Notes Trustee asserts that the Utility Impaired Senior Note Documents, the Utility Short-term Senior Note Documents and the Bankruptcy Code require the Utility to pay directly in full, the Utility Senior Notes Trustee's outstanding fees, costs, expenses, and indemnities, including attorneys' fees and financial advisors' fees. The Plan Proponents disagree with such assertions. In the event that such fees, costs, expenses and indemnities are satisfied from the applicable Charging Lien and not from a direct payment by the Utility, distributions to holders of the Utility Impaired Senior Note Claims and the Utility Short-term Senior Note Claims will be subject to reduction and dilution.

<sup>6</sup> See *supra* note 5.

### C. Treatment and Satisfaction of Fire Claims

As described more fully in Articles IV and VI of the Plan and as provided in the settlements embodied in the Tort Claimants RSA, Subrogation Claims RSA, and Public Entities Plan Support Agreements, to the extent you hold a Fire Claim, such Claim shall be satisfied as follows:

#### 1. Fire Victim Claims.

All Fire Victim Claims that have been or could be asserted against the Debtors will be “channeled” to the Fire Victim Trust, a trust created under the Plan for the purpose of evaluating and paying all Fire Victim Claims. The effect of “channeling” the Fire Victim Claims to the Fire Victim Trust is that all Fire Victim Claims can only be pursued through and paid from the Fire Victim Trust and the Debtors and Reorganized Debtors will not have any liability for Fire Victim Claims. All determinations of Fire Victim Claims, including their eligibility to receive payment from the Fire Victim Trust and in what amount, shall be determined solely under the Fire Victim Claims Resolution Procedures and all such determinations shall be final with no recourse to any court.

A Fire Victim Claim is any Claim against the Debtors arising from the Fires listed on Exhibit A attached to the Plan. Fire Victim Claims do not include claims arising from (i) the Ghost Ship Fire (December 2, 2016), (ii) the Kincade Fire (started on October 23, 2019), or (iii) any fire that occurred after January 29, 2019.

The Fire Victim Trust will be overseen by a trustee (“**Fire Victim Trustee**”), and the Fire Victim Trustee and a claims administrator (“**Claims Administrator**”) will oversee the administration, resolution and allocation of claims. There will also be an oversight committee formed to consult with the Fire Victim Trustee and to exercise consent rights over certain of the Fire Victim Trust’s actions (the “**Fire Victim Trust Oversight Committee**”). The rights and responsibilities of the Fire Victim Trustee, the Claims Administrator, and the Fire Victim Trust Oversight Committee are set forth in the Fire Victim Trust Agreement. The Fire Victim Trust Agreement will be included in the Plan Supplement to be filed with the Bankruptcy Court by May 1, 2020.

The following information has been provided by the Tort Claimants Committee.

\*\*\*\*\*

The Fire Victim Trustee, the Claims Administrator, and their staff will establish a distribution process that provides fair and expeditious compensation to Fire Victim Claimants.

Nearly 83,000 Fire Victim Claims have been filed in the Chapter 11 Cases. Over 95% of the proof of claim forms submitted by those Fire Victims specified the amount of the claim was “unknown”.

As a result, it is not currently possible to predict what any specific claimant will be paid or a percentage recovery on such Claim any specific claimant should expect out of the approximately \$13.5 billion in total consideration that will be transferred to the Fire Victim Trust under the Plan.

An intensive analysis is underway to determine which of these fire victim Claims are eligible for compensation. For example, over 4,000 claims identified loss addresses well outside the perimeter of any of the relevant fire zones.

1 In the upcoming months, the Fire Victim Trustee will develop budgets related to various  
2 categories of fire damages. That budgeting process may reveal that a small percentage of claimants may  
3 seek amounts large enough to impact the recovery of all remaining claimants in a capped fund. As a  
4 result, special consideration may be given to the treatment of those claims in the discretion of the Trustee  
5 and the Claims Administrator to ensure that all other claimants receive fair and expeditious  
6 compensation.

7 The Fire Victim Trustee and Claims Administrator will evaluate and determine the amount  
8 payable for each valid Fire Victim Claim through a variety of methods, including consideration of  
9 publicly available information, expert analysis, and material submitted by claimants. Stipulated  
10 judgments, settlements or similarly liquidated claims shall be paid as expeditiously as the budgeting  
11 process permits. Preliminary distributions may be made to enable claimants timely access to a portion  
12 of their payment, which will then be supplemented as additional claims are resolved.

13 Based on the preliminary budgeting and analysis performed to date, general estimates are being  
14 developed concerning potential recovery ranges for real and personal property losses based on the  
15 following sources of information:

- 16 • insurance claim file data reflecting payments made to claimants following the 2017 North Bay  
17 Fires and the 2018 Camp Fire;
- 18 • an analysis of publicly available data representing the cost of property values in the affected  
19 areas prior to the fires;
- 20 • published reconstruction and/or rebuilding costs in the affected counties; and
- 21 • detailed claims information concerning the 2015 Butte Fire.

22 Real property losses will be calculated, after setting off available insurance policy limits, using  
23 the diminished value of the property or calculated probable cost of rebuilding based upon publicly  
24 available data, contractor estimates, and documentary proof submitted by individual claimants.

25 These estimates may be adjusted depending on a variety of factors, including but not limited to:

- 26 • the total number of claims that the Fire Victim Trustee and his staff determines are valid;
- 27 • caps on damages in accordance with California law;
- 28 • the Trustee's analysis and adjustment of the reasonable and fair value of the claims; and
- the total amount of insurance paid and/or to be paid to each claimant.

Business and commercial losses are expected to be paid based upon data related to business  
income, business inventory and similar losses as specified in the Claims Resolution Procedures.  
Distributions for business losses will take into consideration amounts received or potentially recoverable  
from applicable insurance policies.

Distribution estimates for emotional distress, pain and suffering, bodily injury, nuisance, zone  
of danger evacuations, other non-economic damage claims, and wrongful death cannot be predicted

1 without an analysis of each individual claim and an understanding of the impact the fire had on that  
2 claimant in light of awards and payments made in prior similar cases.

3 If the Fire Victim Trustee issues a determination approving a Fire Victim Claim award as  
4 provided in the Fire Victim Claim Resolution Procedures, and that award is accepted by the claimant,  
5 the Fire Victim Trust will pay the approved Fire Victim Claim per the terms of the Plan and related  
6 documents. The Fire Victim Trustee may deny invalid, ineligible and fraudulent Fire Victim Claims. If  
7 a claimant does not agree with the Fire Victim Trustee's determination, the Fire Victim Trust and the  
8 Fire Victims Claims Resolution Procedures enable a claimant to appeal that decision to a panel of  
9 neutrals experienced in resolution of wildfire claims and related matters pursuant to the Fire Victim  
10 Trust Agreement.

11 \*\*\*\*\*

12 The Fire Victim Trust will be funded with cash and stock of reorganized PG&E Corp. with an  
13 aggregate value of approximately \$13.5 billion. The Fire Victim Trust will hold and sell the stock, and  
14 nothing in the Plan or the Fire Victim Trust Agreement requires stock to be distributed to individual Fire  
15 Victims. The Fire Victim Trust will also be assigned certain rights and causes of action that the Fire  
16 Victim Trust will have the authority to pursue for the benefit of holders of Fire Victim Claims. More  
17 specifically, the following will be contributed to the Fire Victim Trust on the Effective Date of the Plan:

- 18 (i) \$6.75 billion in cash, of which \$5.4 billion will be paid on the Plan Effective Date, \$650  
19 million is expected to be paid by January 15, 2021, and \$700 million is expected to be  
20 paid by January 15, 2022;
- 21 (ii) \$6.75 billion in common stock of Reorganized PG&E Corp. (using an equity value equal  
22 to 14.9 multiplied by the Normalized Estimated Net Income as of a date to be agreed  
23 upon among the parties to the Tort Claimants RSA), representing not less than 20.9% of  
24 the outstanding common stock of Reorganized PG&E Corp. as of the Effective Date;
- 25 (iii) the assignment by the Debtors and Reorganized Debtors of the Assigned Rights and  
26 Causes of Action; and
- 27 (iv) the assignment of rights under the 2015 Insurance Policies to resolve any claims related  
28 to Fires in those policy years, other than the rights of the Debtors to be reimbursed under  
the 2015 Insurance Policies for claims submitted to and paid by the Debtors prior to the  
Petition Date.

29 While the cash and stock contributed to the Fire Victim Trust have an aggregate nominal value  
30 of approximately \$13.5 billion, the market value of the New HoldCo Common Stock on the Effective  
31 Date could be greater or less than \$6.75 billion based on the trading value of New HoldCo Common  
32 Stock on such date or any subsequent date. In addition, the value of the Assigned Rights and Causes of  
33 Action that will be contributed to the Fire Victim Trust is currently unknown, but the Plan Proponents  
34 believe it is not material in the context of the aggregate consideration to be transferred to the Fire Victim  
35 Trust.

36 The aggregate amount of Fire Victim Claims that will ultimately be eligible for payment from  
37 the Fire Victim Trust is currently unknown. To the extent the Fire Victim Trust cannot pay all approved  
38 Fire Victim Claims in full, they will be paid in an equal percentage (that is, *pro rata*).

1 To the extent any Allowed Fire Victim Claim is covered by insurance, the insurance coverage  
2 amounts may be credited to the Fire Victim Trust in accordance with the Fire Victim Trust Agreement.  
3 Holders of Subrogation Wildfire Claims and their respective predecessors in interest (if any) are  
4 negotiating the scope of production of non-privileged information to the Fire Victim Trust relating to  
5 Fire Victim insurance claims at no cost to the Fire Victim Trust. In addition, to the extent a holder of  
6 an Allowed Fire Claim received or will receive a distribution from the Wildfire Assistance Program,  
7 such Fire Victim Claim will be reduced by the full amount of the distribution by the Wildfire Assistance  
8 Program as provided under the Plan and in accordance with the terms of the Fire Victim Trust  
9 Agreement.

10 Confirmation and implementation of the Plan presents certain benefits and risks to the holders  
11 of Fire Victim Claims, and those benefits and risks should be considered when deciding how to vote on  
12 the Plan. These risks include the risk factors set forth in item 1A of the Debtors' 2019 Form 10-K, and  
13 the risks described below.

#### 14 *Certain Significant Benefits of the Plan.*

15 Timing: The Plan provides for compensation to holders of Fire Victim Claims with greater  
16 certainty and in a more expedited manner than may otherwise be available. The State of California's  
17 enactment of AB 1054 requires that the Plan be confirmed by June 30, 2020 for the Debtors to participate  
18 in the Go-Forward Wildfire Fund. There is no reason to believe that the California legislature will  
19 amend such legislation if that deadline is not met. As a result, if this Plan is not confirmed by June 30,  
20 2020, distributions on account of Fire Victim Claims will be delayed and may be reduced. The delay  
21 may range from months and perhaps years. In addition to a delay in distributions, failure to meet this  
22 legislative deadline could provide significant risks for holders of Fire Victim Claims that may arise as a  
23 result of any wildfires during the 2020/2021 fire seasons.

24 Amount: The Plan provides for \$13.5 billion in nominal value to be distributed to the Fire Victim  
25 Trust. In the event that the Plan is not approved, it is not known how much would be set aside or  
26 available for Fire Victim Claims

27 *Significant Claims Asserted Against the Fire Victim Trust.* A number of governmental  
28 entities, including FEMA and Cal OES as described above, have filed claims against the Debtors for  
large or unliquidated amounts that, if Allowed, would be payable from the Fire Victim Trust  
(the "**Government Claims**"), including the Federal Agency Fire Claims and the State Agency Fire  
Claims. The asserted Government Claims are in the approximate total amount of \$7.7 billion. Similarly,  
certain businesses have filed claims against the Debtors for large or unliquidated amounts that, if  
Allowed, would be payable from the Fire Victim Trust (the "**Business Claims**"). For example,  
Adventist Health System/West and Feather River Hospital have filed claims seeking over \$1 billion.

As noted above, the Plan Proponents have reached tentative agreements in principle to settle the  
Federal Agency Fire Claims and the State Agency Fire Claims that are channeled to the Fire Victim  
Trust under the Plan, however, to the extent the agreements are not finalized, and the Government  
Claims and the Business Claims become Allowed Fire Victim Claims, the payments to other holders of  
Fire Victim Claims could be substantially reduced.

*Potential Change in Value of Common Stock of Reorganized PG&E Corp.* As set  
forth above, the Fire Victim Trust will be funded with approximately \$6.75 billion in common stock of  
Reorganized PG&E Corp. valued in accordance with the terms of the Tort Claimants RSA. The market

1 value of that common stock may fluctuate due to a variety of factors, including, but not limited to: (i)  
2 the risk of additional wildfires, (ii) general market and economic conditions and (iii) actual or anticipated  
3 changes in operating results. These factors could cause the market value of common stock in  
4 Reorganized PG&E Corp. to increase or decrease, and those changes in price could have a substantial  
5 effect (both positively or negatively) on the assets of the Fire Victim Trust. As set forth more fully in  
6 Section III.A above, the Plan contemplates the Debtors participating in the Go-Forward Wildfire Fund  
7 created pursuant to AB 1054, which may reduce Reorganized PG&E's liabilities for future wildfires  
8 occurring after July 12, 2019. While there are no limitations on the Fire Victim Trust selling its stock  
9 under the applicable corporate documents, the ability of the Fire Victim Trust to do so may be limited  
10 by applicable securities laws or contractual provisions, such as those that may be found in a registration  
11 rights agreement. If the Fire Victims Trust is considered an "affiliate" of Reorganized PG&E or the  
12 common stock is deemed to be "restricted" within the meaning of applicable securities laws, then sales  
13 of common stock by the Fire Victim Trust must be registered for resale under applicable securities or  
14 sold in accordance with certain time, volume and manner of sale limitations. Furthermore, the Fire  
15 Victim Trust may take steps to mitigate its exposure to fluctuations in the market price of Reorganized  
16 PG&E Corp. common stock. However, there is no assurance that the Fire Victim Trust will be able to  
17 enter into arrangements that fully protect the value of the common stock consideration it is to receive  
18 under the Plan.

11 ***Administrative Expense Claims and Non-Fire Claims.*** It is not possible to fully  
12 quantify the aggregate amount of Administrative Expenses payable by the Debtors, such as any claims  
13 arising from the Kincade Fire, Public Safety Power Shutoffs, as well as certain General Unsecured  
14 Claims and subordinated claims either related to securities fraud claims or otherwise. To the extent  
15 these claims are not paid or reserved for on the Effective Date, they could negatively affect the value of  
16 the Reorganized PG&E Corp. common stock held by the Fire Victim Trust, which could reduce the  
17 amount of Cash ultimately available to distribute to the holders of Fire Victim Claims.

16 ***Cash Payments after Effective Date.*** Under a Tax Benefits Payment Agreement<sup>7</sup>  
17 contemplated by the Plan, the Reorganized Debtors have agreed to pay the Fire Victim Trust \$650  
18 million on or about January 15, 2021 and another \$700 million on or about January 15, 2022, subject to  
19 acceleration in certain circumstances. These payments relate to certain tax benefits that the Reorganized  
20 Debtors would have otherwise received for net operating losses, deductions arising from the payment of  
21 Fire Victim Claims and otherwise. To the extent there is a shortfall, Reorganized PG&E has agreed to  
22 provide a letter of credit for any remaining amounts to be paid to the Fire Victim Trust on January 15,  
23 2022. To the extent that the aggregate amount of these payments does not equal \$1.35 billion,  
24 Reorganized PG&E has agreed to a stipulated judgment for any difference. In the event there is a change  
25 in control of the Reorganized PG&E or the Reorganized Utility obtains financing of the tax benefits, the  
26 full \$1.35 billion will be due and payable to the Fire Victim Trust. While there are protections that have  
27 been negotiated for Reorganized PG&E's failure to make such payments, there is risk of non-payment  
28 either by way of future wildfires or general underlying credit risks.

24 **2. Subrogation Wildfire Claims.** On the Effective Date, the Subrogation Wildfire  
25 Trust will be established to administer, process, settle, resolve, liquidate, satisfy and pay all Subrogation  
26 Wildfire Claims, which Claims will be channeled to the trust. On the Effective Date, the Subrogation  
27 Wildfire Trust will be funded with \$11 billion in Cash, to be distributed to holders of Allowed  
28 Subrogation Wildfire Claims in accordance with the terms of the Plan, Confirmation Order, Subrogation

<sup>7</sup> The Tax Benefits Payment Agreement has not yet been finalized.

1 Wildfire Trust Agreement and Subrogation Wildfire Claim Allocation Agreement.<sup>8</sup> The Subrogation  
2 Trust Beneficiary Distribution Request Form will be attached as Exhibit C to the Subrogation Wildfire  
3 Trust Agreement, and sets forth the information holders of Subrogation Wildfire Claims will be asked  
4 to submit to the Subrogation Wildfire Trust for review. The Subrogation Claims Review Protocol will  
5 be attached as Exhibit D to the Subrogation Wildfire Trust Agreement, and will govern the Subrogation  
6 Wildfire Trust's claims review process. Electronic copies of the Subrogation Wildfire Trust Agreement  
7 and the exhibits thereto will be made available on the Solicitation Agent's website,  
8 <https://restructuring.primeclerk.com/pge/Home-Index>.

9 A Subrogation Wildfire Trustee and Subrogation Wildfire Trust Advisory Board will be  
10 appointed to administer and oversee the Subrogation Wildfire Trust. The Subrogation Wildfire Trust  
11 Advisory Board will consist of three (3) initial members selected by certain holders of the Subrogation  
12 Wildfire Claims in accordance with the Subrogation Wildfire Trust Agreement and the Subrogation  
13 Wildfire Claim Allocation Agreement. The rights and responsibilities of the Subrogation Wildfire  
14 Trustee and the Subrogation Wildfire Trust Advisory Board will be set forth in the Subrogation Wildfire  
15 Trust Agreement.

16 Pursuant to Sections 1.55 and 7.3 of the Plan, Subrogation Wildfire Claims shall be Disputed  
17 unless held by a claimant that is a party to both the Subrogation Claims RSA and the Subrogation  
18 Wildfire Claim Allocation Agreement, and no payment or distribution provided under the Plan shall be  
19 made on account of Disputed Subrogation Wildfire Claims unless and until they are Allowed by Final  
20 Order of the Bankruptcy Court or resolved in accordance with the Subrogation Wildfire Trust  
21 Agreement. Holders of approximately 96% of all Subrogation Wildfire Claims (in dollar amount) have  
22 signed both agreements, and may receive Plan distributions pursuant to the terms of the Subrogation  
23 Wildfire Trust Agreement and the Subrogation Wildfire Claims Allocation Agreement. Any holder of  
24 Subrogation Wildfire Claims that is not already a party, may become a party to the Subrogation Claims  
25 RSA by executing a joinder agreement substantially in the form attached to the Subrogation Claims  
26 RSA. Any holder of Subrogation Wildfire Claims that would like to review and sign the Subrogation  
27 Wildfire Claim Allocation Agreement should contact counsel to the Ad Hoc Subrogation Group for a  
28 non-disclosure agreement using the following contact information:

**3. Public Entities Wildfire Claims.** On the Effective Date, or as soon as reasonably  
practicable thereafter, but in no event later than thirty (30) days after the Effective Date, a trust account

<sup>8</sup> On the Effective Date, the Reorganized Debtors will also pay the reasonable, documented, and contractual professional fees of certain professionals of the Ad Hoc Subrogation Committee up to an aggregate amount of \$55 million.

1 will be funded by the Reorganized Debtors with \$1.0 billion in Cash, to be distributed to the Public  
2 Entities in accordance with the Plan and the Public Entities Plan Support Agreements.

3 The Reorganized Debtors will also establish on the Effective Date the Public Entities Segregated  
4 Defense Fund for the benefit of the Public Entities in the amount of \$10 million, which funds will be  
5 used by the Reorganized Debtors solely to reimburse the Public Entities for any and all legal fees and  
6 costs associated with the defense or resolution of certain third party claims against a Public Entity, all  
7 in accordance with the Public Entities Plan Support Agreements. The segregated defense fund will be  
8 maintained by the Reorganized Debtors until the later of (i) the expiration of the applicable statute of  
9 limitations period for the applicable third party claims and (ii) the conclusion of all litigation, including  
10 appeals, involving the applicable third party claims.

11 The Public Entities Plan Support Agreements provide that each may be terminated by the  
12 applicable Public Entity under certain circumstances, including (i) if FEMA or Cal OES fails to agree  
13 that no reimbursement is required from the Public Entities on account of assistance rendered by either  
14 agency in connection with the Fires, and (ii) by any individual Public Entity, if a material amount of  
15 Public Entities Third Party Claims is filed against such Public Entity and such Public Entity and such  
16 Public Entities Third Party Claims are not released pursuant to the Plan.

#### 17 **D. Treatment and Satisfaction of All Other Prepetition Claims and Interests**

18 As set forth in the above chart, all prepetition claims against the Debtors (other than Fire Victim  
19 Claims, Subrogation Wildfire Claims, the Public Entities Wildfire Claims, Utility Impaired Senior Note  
20 Claims, Utility Short Term Senior Note Claims, Utility Funded Debt Claims, and HoldCo Rescission or  
21 Damage Claims) are unimpaired under the Plan and, therefore, under section 1126(f) of the Bankruptcy  
22 Code, are deemed to accept and thus are not entitled to vote on the Plan.

23 Notwithstanding any provision of the Plan to the contrary, distributions to holders of Allowed  
24 Funded Debt Claims and Allowed Utility Senior Note Claims shall be made to or at the direction of the  
25 applicable Funded Debt Trustee, which shall, to the extent directed by the applicable Funded Debt  
26 Trustee, act as Disbursing Agent for distributions to the respective Holders of Allowed Funded Debt  
27 Claims and Allowed Utility Senior Note Claims under the applicable Funded Debt Documents. The  
28 Funded Debt Trustees, as applicable, may transfer such distributions or direct the transfer of such  
distributions by the Debtors or through the facilities of DTC (whether by means of book-entry exchange,  
free delivery, or otherwise) and will be entitled to recognize and deal for all purposes under the Plan  
with holders of Allowed Funded Debt Claims or Allowed Utility Senior Note Claims to the extent  
consistent with the customary practices of DTC or the customary practices for administrative agents  
under syndicated credit facilities (as applicable). Distributions in respect of Allowed Funded Debt  
Claims and Allowed Utility Senior Notes Claims shall be subject in all respects to the right of the  
applicable Funded Debt Trustee to assert its Charging Lien, if any, against such distributions. All  
distributions to be made to holders of Allowed Utility Senior Note Claims shall be eligible to be  
distributed through the facilities of DTC and as provided for under the applicable Funded Debt  
Documents.

Pursuant to the Plan, all such claims that are to be paid in full in Cash on the Effective Date shall  
also receive postpetition interest from the Petition Date to the Effective Date. Such postpetition interest  
shall be at the Federal Judgment Rate in accordance with the memorandum decision of the Bankruptcy  
Court, dated December 30, 2019 [Docket No. 5226].

1 Also, as set forth in the above chart, holders of common stock of PG&E Corp. shall retain their  
2 shares, subject to dilution from common stock to be issued under the Plan, including such common stock  
to be issued to the Fire Victim Trust as described above.

### 3 **E. Equity Financing**<sup>9</sup>

4 In order to finance the transactions contemplated by the Plan, the Debtors expect to raise \$9  
5 billion through one or more issuances of new PG&E Corp. common stock. The equity issuances could  
6 include one or more of the following structures: public or private offerings in the equity capital markets  
7 (a “**Market Offering**”), a rights offering to holders of PG&E Corp.’s common stock (a “**Rights**  
8 **Offering**”) or drawing under the Equity Backstop Commitment Letters between PG&E Corp. and the  
9 investors party thereto (the “**Backstop Parties**”). Although the amounts, terms and conditions of a  
Market Offering or Rights Offering have not been determined, the Equity Backstop Commitment Letters  
outline the circumstances under which the Debtors will be permitted to undertake these offerings and,  
in the case of the Rights Offering, outline certain terms and conditions that must be included as part of  
the Rights Offering.

- 10 • **Market Offering:** PG&E Corp. may undertake a Market Offering if the per share price  
11 at which shares of common stock are offered in the Market Offering corresponds to an  
12 implied price to earnings ratio of at least 13.5 times (subject to adjustment). The implied  
13 price to earnings ratio would be measured based on PG&E Corp.’s estimated net income  
for 2021 and the expected fully diluted number of shares of PG&E Corp. common stock  
that will be outstanding as of the Effective Date.
- 14 • **Rights Offering:** PG&E Corp. may undertake a Rights Offering to holders of PG&E  
15 Corp.’s common stock if the subscription price of the rights issued in the Rights Offering  
16 corresponds to an implied price to earnings ratio of 12.0 times (subject to adjustment)  
17 based on Normalized Estimated Net Income as provided in the Equity Backstop  
18 Commitment Letters. In a Rights Offering, PG&E Corp. would distribute rights to  
19 holders of PG&E Corp. common stock ratably based on the number of shares of common  
20 stock they hold. The rights would be freely transferable and would include  
oversubscription privileges, meaning that holders that exercise their rights may request  
21 to subscribe for any shares of common stock that were not subscribed for by other holders  
of rights. The rights would also contain such terms and conditions as are reasonably  
advisable to avoid an “ownership change” within the meaning of Section 382 of the  
Internal Revenue Code.
- 22 • **Backstop Draw:** To the extent that PG&E Corp. does not raise the necessary equity  
23 capital through a Market Offering or Rights Offering, PG&E Corp. expects to draw on  
24 the commitments under the Equity Backstop Commitment Letters, which provide for up  
25 to \$12 billion of proceeds from the sale of shares to the Backstop Parties. The Backstop  
26 Parties would purchase shares under the Equity Backstop Commitment Letters at a price  
that corresponds to an implied price to earnings ratio of 10.0 times (subject to adjustment)  
based on Normalized Estimated Net Income as provided in the Equity Backstop  
Commitment Letters (the “**Backstop Price**”). In order to draw on the commitments

27 <sup>9</sup> The following is a summary of the equity financing contemplated by the Plan and is qualified in its  
28 entirety by reference to the terms of the applicable operative documents.

1 under the Equity Backstop Commitment Letters, certain terms and conditions must be  
2 satisfied, including that the Bankruptcy Court approve the Equity Backstop Commitment  
3 Letters, and the Backstop Parties have the right to terminate the Equity Backstop  
4 Commitment Letters under certain circumstances. As of the date of this Disclosure  
5 Statement, the Equity Backstop Commitment Letters have not been approved by the  
6 Bankruptcy Court. In addition, the amount of the commitments under the Equity  
7 Backstop Commitment Letters is subject to adjustment in the event that the Debtors  
8 obtain capital from certain alternative capital sources.

9 It is important to note that any equity issuance on the Effective Date will be dilutive to existing  
10 shareholders, with a Market Offering being the least dilutive and a drawing under the Equity Backstop  
11 Commitment Letters being the most dilutive. In addition, PG&E Corp. will owe a premium to the  
12 Backstop Parties (the “**Equity Commitment Premium**”), generally payable in shares of common stock  
13 of Reorganized PG&E Corp., equal to 119 million shares in the aggregate.<sup>10</sup> In the event the market  
14 value of those 119 million shares would be less than \$764 million based on trading prices for the 20  
15 business days immediately following the Effective Date, the Backstop Parties will receive additional  
16 shares so that they receive at least \$764 million of aggregate value, up to an aggregate cap of  
17 approximately 139 million shares. The value of the Equity Commitment Premium on the Effective Date  
18 will depend on the market value of PG&E Corp.’s common stock and the total number of shares of  
19 common stock issued on the Effective Date pursuant to the Debtors’ Plan. However, assuming that the  
20 Debtors implement the capital structure described herein by drawing on the equity backstop  
21 commitments and based on the Debtors’ forecasted net income, the value of the Equity Commitment  
22 Premium would be approximately \$1.2 billion at the currently estimated Backstop Price. The value of  
23 the Equity Commitment Premium could exceed this amount in the event that PG&E Corp. successfully  
24 consummates a marketed equity offering or rights offering in lieu of drawing on the equity backstop  
25 commitments or if the Debtors implement a more leveraged capital structure. Payment of the Equity  
26 Commitment Premium on the Effective Date will also be dilutive to existing shareholders.

27 If PG&E Corp. determines to undertake a public Market Offering or Rights Offering, it will  
28 announce the terms of any offering at a later date through one or more disclosure documents that comply  
with applicable law, including the Securities Act. In the case of a Rights Offering, all PG&E Corp.  
shareholders as of a record date to be determined by the PG&E Corp. Board of Directors will have the  
opportunity to participate.

Termination of the Equity Backstop Commitment Letters could prevent the Debtors from  
consummating the Plan. There can be no assurance that the conditions precedent set forth in the Equity  
Backstop Commitment Letters will be satisfied or waived or that events or circumstances will not occur  
that would permit the Backstop Parties to terminate the Equity Backstop Commitment Letters. Under  
certain conditions in connection with the termination of the Equity Backstop Commitment Letters, as  
more fully described therein, the Backstop Parties may be eligible to be paid all or a portion of the Equity  
Commitment Premium. Further, under certain conditions, including in the event that a plan of

---

<sup>10</sup> The Equity Commitment Premium is generally payable in stock; however, in the following limited  
circumstances each Backstop Party may elect to be paid in stock or cash: (i) PG&E Corp. exercises its  
fiduciary out to terminate the Equity Backstop Commitment Letters in order to enter into a transaction  
for the sale of the company or (ii) a plan of reorganization other than the Debtors’ Plan is confirmed. If  
paid in cash, the Equity Commitment Premium would be approximately \$764 million (6.364% of the  
full \$12 billion commitment).

1 reorganization for the Debtors that is not the Plan is confirmed by the Bankruptcy Court, the Backstop  
2 Parties may be eligible to be paid the Equity Commitment Premium in cash. For a detailed description  
3 of the Equity Backstop Commitment Letters and the Equity Commitment Premium thereunder, see the  
4 Exit Financing Motion.

5 **F. Debt Financing**<sup>11</sup>

6 In addition to the equity financing, the Plan contemplates incurrence of \$4.75 billion of new  
7 PG&E Corp. debt (the “**New HoldCo Debt**”) and \$33.35 billion of Utility debt (the “**New Utility**  
8 **Debt**”). The \$33.35 billion of Utility debt is expected to consist of (a) \$9.575 billion of reinstated  
9 prepetition senior notes, (b) \$11.85 billion of new senior notes to be issued to holders of prepetition  
10 senior note claims, (c) \$5.925 billion of new senior notes or credit facilities to be issued in the market  
11 for cash (the “**New Senior Utility Debt**”) and (d) \$6.0 billion of new short-term debt expected to be  
12 refinanced after the Effective Date. The New Senior Utility Debt will be used to, among other things,  
13 satisfy in full prepetition high-coupon Utility bonds and other prepetition obligations, and to fund the  
14 payment in full, in cash, of the Debtors obligations under the DIP Facilities. Pursuant to the terms of  
15 the Debt Backstop Commitment Letters, in the event the New HoldCo Debt or the New Senior Utility  
16 Debt is not issued on or prior to the Effective Date, certain money-center banks will fund investment  
17 grade 364-day “bridge” loan facilities (the “**Backstop Debt Facilities**”) in aggregate amounts of up to  
18 \$5.0 billion for PG&E Corp. and \$5.825 billion for the Utility. In addition, the Debtors have executed  
19 fee letters (as amended, the “**Backstop Debt Fee Letters**”), which provide for, among other things, the  
20 payment of certain fees associated with the Backstop Debt Facilities, and engagement letters (the “**Debt**  
21 **Financing Engagement Letters**”), which engage the same banks to arrange (*i.e.*, market) the New Debt.

22 The Debtors do not currently anticipate drawing on the Backstop Debt Facilities, but instead  
23 expect to issue new long-term bonds and incur new credit facilities on market terms to fund their  
24 emergence. Nevertheless, the Backstop Debt Facilities provide assurance that sufficient funds at an  
25 acceptable price will be available if the New HoldCo Debt or the New Senior Utility Debt financings  
26 cannot be consummated, which is necessitated here by the requirement to obtain confirmation of the  
27 Plan on a specific timeline under AB 1054.

28 As with the Equity Backstop Commitment Letters, termination of the Debt Backstop  
Commitment Letters could prevent the Debtors from consummating the Plan and there can be no  
assurance that the conditions precedent set forth in the Debt Backstop Commitment Letters will be  
satisfied or waived or that events or circumstances will not occur that would permit the parties thereto  
to terminate the Debt Backstop Commitment Letters. Under certain conditions in connection with the  
termination of the Debt Backstop Commitment Letters, as more fully described therein, the parties  
thereto may be eligible to be paid all or a portion of the fees due under the Backstop Debt Fee Letters,  
in a maximum aggregate amount of approximately \$75 million. For a detailed description of the Debt  
Backstop Commitment Letters, the Backstop Debt Fee Letters and the commitment fees thereunder, see  
the Exit Financing Motion.

<sup>11</sup> The following is a summary of the debt financing contemplated by the Plan and is qualified in its  
entirety by reference to the terms of the applicable operative documents.

1           **G. Injunction, Exculpation, Release, and Related Provisions**

2           The Plan generally provides that subject to the occurrence of the Effective Date, upon  
3 confirmation of the Plan, the provisions of the Plan shall bind every holder of a Claim against or Interest  
4 in the Debtors and such holders' respective successors and assigns.

5           Below is a summary of important provisions in the Plan that may affect your rights as a  
6 holder of a Claim against or Interest in the Debtors. Please do not rely solely on this summary to  
7 understand how your rights may be impacted, but refer also to the specific provisions of the Plan  
8 cross-referenced below and carefully read the relevant Plan provisions in their entirety.

9           The United States Trustee and the Creditors Committee believe the releases and  
10 exculpations provided for in the Plan are too broad. Additionally, PERA asserts that Article 10.6  
11 of the Plan is overly broad. The Plan Proponents disagree with these assertions.

12           **1. Releases and Exculpation.**

13           (a) *Releases by the Debtors of Certain Parties.* As set forth in more detail in  
14 Section 10.9(a) of the Plan, and, except for the rights that remain in effect from and after the  
15 Effective Date to enforce the Plan and the Plan Documents, and except for the Assigned Rights  
16 and Causes of Action that will be contributed to the Fire Victim Trust, the Released Parties<sup>12</sup> are  
17 deemed forever released and discharged by the Debtors, to the maximum extent permitted by law  
18 and unless barred by law, from any and all claims, interests, Causes of Action, and other liabilities  
19 asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' estates  
20 based on or relating to the Debtors, the Fires, the Chapter 11 Cases (including, among other  
21 things, related settlement agreements, transactions, business or contractual arrangements), and  
22 the subject matter of, or transactions or events giving rise to, any Claim or Interest that is treated  
23 in the Plan.

24           (b) *Consensual Releases by Holders of Claims and Interests of the Debtors and  
25 Certain Parties.* As set forth in more detail in Sections 10.9(b) and (c) of the Plan, and except for  
26 the Assigned Rights and Causes of Action that will be contributed to the Fire Victim Trust, certain  
27 Releasing Parties,<sup>13</sup> **including any holder of a Claim or Interest that is solicited and voluntarily**

28           <sup>12</sup> The "Released Parties" are defined in the Plan as: (i) the Debtors and Reorganized Debtors; (ii) the Tort Claimants Committee; (iii) the DIP Facility Agents; (iv) the DIP Facility Lenders; (v) the Exit Financing Agents; (vi) the Exit Financing Lenders; (vii) the Backstop Parties; (viii) the Public Entities Releasing Parties; (ix) the Consenting Creditors (solely in their capacity as holders of Subrogation Wildfire Claims); (x) the Shareholder Proponents; (xi) the Consenting Noteholders; (xii) the Funded Debt Trustees; and (xiii) with respect to each of the foregoing entities (i) through (xii), such entities' predecessors, successors, assigns, subsidiaries, affiliates, managed accounts and funds, current and former officers and directors, principals, equity holders, members, partners, managers, employees, subcontractors, agents, advisory board members, restructuring advisors, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors (and employees thereof), and other professionals, and such entities' respective heirs, executors, estates, servants, and nominees, in each case in their capacity as such.

<sup>13</sup> The "Releasing Parties" are defined in the Plan as: (i) the Debtors; (ii) the Reorganized Debtors, (iii) any holder of a Claim or Interest that is solicited and voluntarily indicates on a duly completed Ballot

**indicates on a Ballot that such holder opts into granting the releases set forth in Section 10.9(b) of the Plan, forever release and discharge the Debtors and other non-debtor Released Parties from any and all claims, interests, Causes of Action and other liabilities based on or related to, or in any manner arising from, in whole or in part, among other things, the Debtors, the Fires, the Chapter 11 Cases (including, among other things, related settlement agreements, transactions, business or contractual arrangements), and the subject matter of, or transactions or events giving rise to, any Claim or Interest that is treated in the Plan.**

**Any holder of a Claim or Interest who does not indicate on their Ballot that they opt into granting such releases shall not be a Releasing Party. Additionally, such holder's decision to opt-in or not to the releases shall not in any way affect the classification or treatment of such Claim or Interest. The holder of a Claim or Interest shall receive the same amount of consideration under the Plan whether or not such holder elects to release a party that is not a Debtor in accordance with the opt-in release procedures set forth in the applicable Ballot.**

**The holders of Environmental Claims, Workers' Compensation Claims and 2001 Utility Exchange Claims retain the right to assert such Claims against the Reorganized Debtors in accordance with the terms of the Plan. Furthermore, nothing in the Plan shall be deemed to impose a release by holders of Fire Victim Claims of insurance claims arising under their insurance policies against holders of Subrogation Wildfire Claims, other than any rights such holder may elect to release as part of any settlement as set forth in Section 4.25(f)(ii) of the Plan, which addresses the "Made-Whole Releases" described further below.**

**(c) *Made-Whole Releases.* As described in Section 4.25(f)(ii) of the Plan, except with respect to any settlement or other agreement regarding the Fire Victim Claims asserted by Adventist Health System/West and Feather River Hospital d/b/a Adventist Health Feather River, any settlement or other agreement with any holder or holders of a Fire Victim Claim that fixes the amount or terms for satisfaction of such Claim, including by the Fire Victim Trust, shall contain as a condition to such settlement or other agreement that the holder or holders of such Claim contemporaneously execute and deliver a release and waiver of any potential made-whole**

---

submitted on or before the Voting Deadline that such holder opts into granting the releases set forth in Section 10.9(b) of the Plan to the extent permitted by applicable law, provided that for the avoidance of doubt any such a holder who does not indicate on their Ballot that they opt into granting such releases shall not be a Releasing Party, provided further that such holder's decision to opt-in or not to the releases shall not in any way affect the classification or treatment of such Claim or Interest; (iv) the DIP Facility Agents; (v) the DIP Facility Lenders; (vi) the Exit Financing Agents; (vii) the Exit Financing Lenders; (viii) the Funded Debt Trustees; (ix) the HoldCo Revolver Lenders; (x) the HoldCo Term Loan Lenders; (xi) the Utility Revolver Lenders; (xii) the Utility Term Loan Lenders; (xiii) the holders of Utility Senior Notes Claims; (xiv) the Public Entities Releasing Parties; (xv) the Statutory Committees; (xvi) the Backstop Parties; (xvii) the Consenting Creditors; (xviii) the Consenting Noteholders; and (xix) with respect to each of the foregoing entities (i) through (xviii), such entities' predecessors, successors, assigns, subsidiaries, affiliates, managed accounts and funds, current and former officers and directors, principals, equity holders, members, partners, managers, employees, subcontractors, agents, advisory board members, restructuring advisors, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors (and employees thereof), and other professionals, and such entities' respective heirs, executors, estates, servants, and nominees, in each case in their capacity as such.

1 **claims against present and former holders of Subrogation Wildfire Claims, which release shall be**  
 2 **substantially in the form attached to the Plan as Exhibit C thereto.**

3 **(d) Notice to Holders of Fire Victim Claims Regarding the Release of Made-Whole**  
 4 **Claims Against Their Insurers.** The Plan provides, and the Debtors, Shareholder Proponents and  
 5 members of the Ad Hoc Subrogation Group take the position that a release of made-whole claims will  
 6 be required as a condition to settling Fire Victim Claims against the Fire Victim Trust. Section  
 7 4.25(f)(ii) of the Plan provides as follows: “4.25(f) . . . the Confirmation Order shall contain the  
 8 following findings and order: . . . (ii) . . . any settlement or other agreement with any holder or holders  
 9 of a Fire Victim Claim that fixes the amount or terms for satisfaction of such Claim . . . **shall contain**  
 10 **as a condition to such settlement or other agreement that the holder or holders of such Claim**  
 11 **contemporaneously execute and deliver a release and waiver of any potential made-whole claims**  
 12 **against present and former holders of Subrogation Wildfire Claims, which release shall be**  
 13 **substantially in the form attached [to the Plan] as Exhibit C.”** The Mutual Made Whole Release attached  
 14 to the Plan provides as follows: “Whereas, nothing in this Release is an affirmation, representation, or  
 15 an acknowledgment that the Claimant has in fact been fully compensated for their damages covered by  
 16 the contract of insurance between the Insurer and the Claimant. The parties agree that Court’s approval  
 17 of the Plan and the Claimants’ acceptance of the Total Allocation Award does not establish that the  
 18 Claimant has been fully compensated under California law for their compensable damages as a result of  
 19 the fire to the extent those damages are covered by insurance.”

20 Accordingly, when voting on the Plan, holders of Fire Victim Claims should **not rely** on the  
 21 draft of the Fire Victim Trust Agreement with respect to this issue, which was filed with the Bankruptcy  
 22 Court subject to further revision on March 3, 2020 [Docket No. 6049]. The Debtors, Shareholder  
 23 Proponents, Ad Hoc Subrogation Group, Tort Claimants Committee, and Consenting Fire Claimant  
 24 Professional Group intend to work together to make sure the final version of the Fire Victim Trust  
 25 Agreement is consistent with the Plan. If any inconsistency remains, the Ad Hoc Subrogation Group  
 26 may object to confirmation of the Plan on that basis at the appropriate time.

27 **(e) Exculpation.** As set forth in more detail in Section 10.8 of the Plan, and  
 28 **except for the Assigned Rights and Causes of Action that will be contributed to the Fire Victim**  
**Trust, Exculpated Parties<sup>14</sup> are, to the maximum extent permitted by applicable law, released and**  
**exculpated from, any Claim, Interest, obligation, suit, judgment, damage, demand, debt, right,**  
**Cause of Action, loss, remedy, or liability for any claim (including, but not limited to, any claim**

<sup>14</sup> The “**Exculpated Parties**” are defined in the Plan as: (i) the Debtors and Reorganized Debtors; (ii) the DIP Facility Agents; (iii) the DIP Facility Lenders; (iv) the Exit Financing Agents; (v) the Exit Financing Lenders; (vi) the Funded Debt Trustees; (vii) the HoldCo Revolver Lenders; (viii) the HoldCo Term Loan Lenders; (ix) the Utility Revolver Lenders; (x) the Utility Term Loan Lenders; (xi) the Public Entities Releasing Parties; (xii) the Statutory Committees; (xiii) the Backstop Parties; (xiv) the Consenting Creditors; (xv) the Shareholder Proponents; (xvi) the Consenting Noteholders; and (xvii) with respect to each of the foregoing entities (i) through (xvi), such entities’ predecessors, successors, assigns, subsidiaries, affiliates, managed accounts and funds, current and former officers and directors, principals, equity holders, members, partners, managers, employees, subcontractors, agents, advisory board members, restructuring advisors, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors (and employees thereof), and other professionals, and such entities’ respective heirs, executors, estates, servants, and nominees, in each case in their capacity as such.

1 for breach of any fiduciary duty or any similar duty) in connection with or arising out of the  
2 administration of the Chapter 11 Cases, including, but not limited to, those arising in connection  
3 with or arising out of the Public Entities Plan Support Agreements, the Backstop Commitment  
4 Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder RSA, the Exit  
5 Financing Documents, the Plan Funding, the DIP Facilities, this Disclosure Statement, the Plan,  
6 the Restructuring Transactions, the Wildfire Trusts (including the Plan Documents, the Claims  
7 Resolution Procedures and the Wildfire Trust Agreements), or any agreement, transaction, or  
8 document related to any of the foregoing, or the solicitation of votes for, or confirmation of, the  
9 Plan; the funding or administration of the Plan; and the distribution of property under the Plan,  
10 or other actions taken in furtherance of the Plan. The exculpation does not cover Claims related  
11 to any act or omission that is determined in a Final Order by a court of competent jurisdiction to  
12 have constituted actual fraud or willful misconduct.

## 8 2. Injunctions

9 (a) *General Injunction.* As set forth in Section 10.6 of the Plan and restated  
10 herein, except as otherwise provided in the Plan or in the Confirmation Order, as of the entry of  
11 the Confirmation Order but subject to the occurrence of the Effective Date, all Persons who have  
12 held, hold, or may hold Claims or Interests are, with respect to any such Claim or Interest,  
13 permanently enjoined after the entry of the Confirmation Order from: (i) commencing,  
14 conducting, or continuing in any manner, directly or indirectly, any suit, action, or other  
15 proceeding of any kind (including, any proceeding in a judicial, arbitral, administrative, or other  
16 forum) against or affecting, directly or indirectly, a Debtor, a Reorganized Debtor, or an estate or  
17 the property of any of the foregoing, or any direct or indirect transferee of any property of, or  
18 direct or indirect successor in interest to, any of the foregoing Persons mentioned in this subsection  
19 (i) or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including  
20 any prejudgment attachment), collecting, or otherwise recovering in any manner or by any means,  
21 whether directly or indirectly, any judgment, award, decree, or order against a Debtor, a  
22 Reorganized Debtor, or an estate or its property, or any direct or indirect transferee of any  
23 property of, or direct or indirect successor in interest to, any of the foregoing Persons mentioned  
24 in this subsection (ii) or any property of any such transferee or successor; (iii) creating, perfecting,  
25 or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against  
26 a Debtor, a Reorganized Debtor, or an estate or any of its property, or any direct or indirect  
27 transferee of any property of, or successor in interest to, any of the foregoing Persons mentioned  
28 in this subsection (iii) or any property of any such transferee or successor; (iv) acting or  
proceeding in any manner, in any place whatsoever, that does not conform to or comply with the  
provisions of the Plan to the full extent permitted by applicable law; and (v) commencing or  
continuing, in any manner or in any place, any action that does not comply with or is inconsistent  
with the provisions of the Plan; provided, that nothing contained herein shall preclude such  
Persons who have held, hold, or may hold Claims against a Debtor or an estate from exercising  
their rights, or obtaining benefits, pursuant to and consistent with the terms of the Plan, the  
Confirmation Order, or any other agreement or instrument entered into or effectuated in  
connection with the consummation of the Plan.

26 By accepting distributions pursuant to the Plan, each holder of an Allowed Claim will be  
27 deemed to have affirmatively and specifically consented to be bound by the Plan, including, the  
28 injunctions set forth in Section 10.6 of the Plan.

1                   **(b) Channeling Injunction Applicable to Fire Victim Claims and Subrogation**  
2 **Wildfire Claims.** Upon the Effective Date of the Plan, all Fire Victim Claims shall be channeled to  
3 the Fire Victim Trust and all Subrogation Wildfire Claims shall be channeled to the Subrogation  
4 Wildfire Trust. The sole source of recovery for holders of Fire Victim Claims and Subrogation  
5 Wildfire Claims shall be from the Fire Victim Trust and the Subrogation Wildfire Trust, as  
6 applicable. The holders of such Claims shall have no recourse to or Claims whatsoever against  
7 the Debtors, the Reorganized Debtors or their assets and properties. Consistent with the  
8 foregoing, all Persons that have held or asserted, or that hold or assert any Subrogation Wildfire  
9 Claim or Fire Victim Claim shall be permanently and forever stayed, restrained, and enjoined  
10 from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving  
11 payments, satisfaction, or recovery from any Reorganized Debtor or its assets and properties with  
12 respect to any Fire Claims, including all of the following actions:

13                   **(i) commencing, conducting, or continuing, in any manner, whether directly or**  
14 **indirectly, any suit, action, or other proceeding of any kind in any forum with respect to**  
15 **any such Fire Claim, against or affecting any Reorganized Debtor, or any property or**  
16 **interests in property of any Reorganized Debtor with respect to any such Fire Claim;**

17                   **(ii) enforcing, levying, attaching, collecting or otherwise recovering, by any**  
18 **manner or means, or in any manner, either directly or indirectly, any judgment, award,**  
19 **decree or other order against any Reorganized Debtor or against the property of any**  
20 **Reorganized Debtor with respect to any such Fire Claim;**

21                   **(iii) creating, perfecting, or enforcing in any manner, whether directly or**  
22 **indirectly, any Lien of any kind against any Reorganized Debtor or the property of any**  
23 **Reorganized Debtor with respect to any such Fire Claims;**

24                   **(iv) asserting or accomplishing any setoff, right of subrogation, indemnity,**  
25 **contribution, or recoupment of any kind, whether directly or indirectly, against any**  
26 **obligation due to any Reorganized Debtor or against the property of any Reorganized**  
27 **Debtor with respect to any such Fire Claim; and**

28                   **(v) taking any act, in any manner, in any place whatsoever, that does not**  
conform to, or comply with, the provisions of the Plan Documents, with respect to any such  
Fire Claim.

*See Section 10.7 of the Plan.*

### **3. Release and Discharge of Debtors**

Upon the Effective Date and in consideration of the distributions to be made hereunder, except as otherwise expressly provided herein, each holder (as well as any representatives, trustees, or agents on behalf of each holder) of a Claim or Interest and any affiliate of such holder shall be deemed to have forever waived, released, and discharged the Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Interests, rights, and liabilities that arose prior to the Effective Date. The discharge, however, shall not extend to any Claims for fires occurring after the Petition Date, including the Kincade fire which shall remain a liability of the Debtors following the Effective Date. In addition, (i) from and after the Effective Date neither the automatic stay nor any other injunction entered by the Bankruptcy

1 **Court shall restrain the enforcement or defense of any claims for fires occurring after the Petition**  
 2 **Date, including the Kincade fire or the Lafayette fire in any court that would otherwise have**  
 3 **jurisdiction if the Chapter 11 Cases had not been filed and (ii) no claims for fires or motion for**  
 4 **allowance of claims for fires occurring after the Petition Date need to be filed in the Chapter 11**  
 5 **Cases. Upon the Effective Date, all such Persons shall be forever precluded and enjoined,**  
 6 **pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any such**  
 7 **discharged Claim against or Interest in the Debtors.**

8 **H. Certain Preference Actions**

9 No Person or Entity (each as defined under the Bankruptcy Code) who received payments as a  
 10 result of damages caused by wildfires shall be sued for receiving a “Preference” as that term is defined  
 11 in the Bankruptcy Code.

12 **V. VOTING PROCEDURES AND REQUIREMENTS**

13 **A. Holders of Claims and Interests Entitled to Vote**

14 Under the provisions of the Bankruptcy Code, not all parties in interest are entitled to vote on a  
 15 chapter 11 plan. Creditors or interest holders whose claims or interests are not impaired by a plan are  
 16 deemed to accept the plan under section 1126(f) of the Bankruptcy Code and are thus not entitled to  
 17 vote. Creditors or interest holders whose claims or interests are impaired by a plan, but who receive no  
 18 distribution under the plan, are also not entitled to vote because they are deemed to have rejected the  
 19 plan under section 1126(g) of the Bankruptcy Code. Under the Plan, there are no classes of Claims or  
 20 Interests that will receive no distribution.

21 Pursuant to the Plan, the Debtors have, in the aggregate, thirty-four (34) separate Classes of  
 22 Claims against and Interests in PG&E Corp. and the Utility. Of those Classes, eleven (11) Classes are  
 23 Impaired and are entitled to vote to accept or reject the Plan (collectively, the “**Voting Classes**”). The  
 24 Voting Classes are listed below:

25 Class 5A-I	HoldCo Public Entities Wildfire Claims	Impaired
26 Class 5A-II	HoldCo Subrogation Wildfire Claims	Impaired
27 Class 5A-III	HoldCo Fire Victim Claims	Impaired
28 Class 10A-I	HoldCo Common Interests	Impaired
Class 10A-II	HoldCo Rescission or Damage Claims	Impaired
Class 3B-I	Utility Impaired Senior Note Claims	Impaired
Class 3B-III	Utility Short-Term Senior Note Claims	Impaired
Class 3B-IV	Utility Funded Debt Claims	Impaired
Class 5B-I	Utility Public Entities Wildfire Claims	Impaired
Class 5B-II	Utility Subrogation Wildfire Claims	Impaired
Class 5B-III	Utility Fire Victim Claims	Impaired

29 The remaining twenty-three (23) Classes are Unimpaired, are presumed to accept the Plan, and  
 30 are, thus, not entitled to vote to accept or reject the Plan (the “**Non-Voting Classes**”). For a complete  
 31 summary of the Voting Classes and Non-Voting Classes, see Articles III and IV of the Plan.

## B. Voting Deadline

All holders of Claims or Interests, as applicable, that are entitled to vote on the Plan, have been sent a Ballot together with this Disclosure Statement. Such holders should read the Ballot carefully and follow the instructions contained therein. Please use only the Ballot that accompanies this Disclosure Statement to cast your vote.

The Debtors have engaged Prime Clerk LLC as their solicitation agent (the “**Solicitation Agent**”) to assist in the transmission of voting materials and in the tabulation of votes with respect to the Plan. **FOR YOUR VOTE TO BE COUNTED, YOUR VOTE MUST BE RECEIVED BY THE SOLICITATION AGENT AT THE ADDRESS SET FORTH BELOW ON OR BEFORE THE VOTING DEADLINE OF 4:00 P.M. (PREVAILING PACIFIC TIME) ON MAY 15, 2020, UNLESS EXTENDED BY THE DEBTORS OR FURTHER ORDER OF THE BANKRUPTCY COURT.**

## C. Voting Procedures

By order dated, March 17, 2020 [Docket No. 6340] (the “**Disclosure Statement and Solicitation Procedures Order**”), the Bankruptcy Court, *inter alia*, (i) approved this Disclosure Statement, (ii) approved certain Plan solicitation and voting procedures, and (iii) approved the forms of Ballots, Solicitation Packages, and related notices to be sent to the Debtors’ creditors and equity interest holders in connection with confirmation of the Plan.

### 1. **How to Vote**

The Debtors are providing copies of this Disclosure Statement (including all exhibits and appendices) and related materials and one or more Ballots (collectively, a “**Solicitation Package**”) to all holders of Claims or Interests, as applicable, that are entitled to vote on the Plan. All such holders should complete the enclosed Ballot and return it to the Solicitation Agent or Master Ballot Agent, **as set forth in the Ballot so that it is received by the Solicitation Agent before the Voting Deadline.**

### 2. **Withdrawal of Ballots**

Any voter that has delivered a valid Ballot may withdraw its vote, subject to Bankruptcy Rule 3018, by delivering a written notice of withdrawal to the Solicitation Agent before the Voting Deadline, which notice of withdrawal, to be valid, must be (i) signed by the party who signed the Ballot to be revoked and (ii) received by the Solicitation Agent before the Voting Deadline. The Plan Proponents may contest the validity of any withdrawals.

Any voter that has delivered a valid Ballot may not change its vote, except in accordance with the Disclosure Statement and Solicitation Procedures Order and Bankruptcy Rule 3018. In the case where more than one timely, properly completed Ballot voting the same Claim(s) or Interest(s) is received by the Solicitation Agent, only the Ballot that bears the latest date shall be counted unless the holder of the Claim or Interest receives Bankruptcy Court approval to have the Ballot that bears an earlier date counted; *provided, however*, if a holder of Claim(s) or Interest(s) submits both a paper Ballot and an electronic Ballot (an “**E-Ballot**”) on account of the same Claim(s) or Interest(s), the E-Ballot shall supersede the paper Ballot, unless the holder receives Bankruptcy Court approval otherwise.

### **VI. CONDITIONS PRECEDENT TO CONFIRMATION OF THE PLAN AND EFFECTIVE DATE**

There are certain conditions precedent to confirmation of the Plan and the Effective Date, which may be waived or modified, pursuant to Section 9.4 of the Plan, only by the Plan Proponents with the consent of the Backstop Parties holding a majority of the Aggregate Backstop Commitment Amount (such consent not to be unreasonably withheld, conditioned or delayed) and, in certain instances, the Requisite Consenting Creditors and the Requisite Consenting Fire Claimant Professionals (as such term is defined in the Tort Claimants RSA), without notice, leave, or order of the Bankruptcy Court or any formal action other than proceedings to confirm or consummate the Plan. For more information on the conditions precedent to confirmation of the Plan, the conditions precedent to the Effective Date, and the waiver or modification of such conditions, please see Sections 9.1, 9.2, and 9.4 of the Plan, respectively.

### **VII. CONFIRMATION OF THE PLAN**

The Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that the Plan (i) is accepted by all impaired classes of Claims and Interests entitled to vote for or against the Plan or, if rejected by an impaired class, that the Plan "does not discriminate unfairly" and is "fair and equitable" as to such class; (ii) is in the "best interests" of the holders of Claims and Interests impaired under the Plan; and (iii) is feasible.

#### **A. Acceptance of the Plan**

Under the Bankruptcy Code, acceptance of a chapter 11 plan by a class of claims occurs when holders of at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the allowed claims of that class that cast ballots for acceptance or rejection of the chapter 11 plan vote to accept the plan. Under the Bankruptcy Code, acceptance of a chapter 11 plan by a class of interests occurs when holders of at least two-thirds (2/3) in amount of allowed interests of that class that cast ballots for acceptance or rejection of the chapter 11 plan vote to accept the plan. A vote may be disregarded if the Bankruptcy Court determines, after notice and a hearing, that such acceptance or

1 rejection was not solicited or procured in good faith or in accordance with the provisions of the  
2 Bankruptcy Code.

3 If any impaired Class of Claims or Interests does not accept the Plan, the Bankruptcy Court may  
4 still confirm the Plan at the request of the Plan Proponents if, as to each impaired Class of Claims or  
5 Interests that has not accepted the Plan (or is deemed to reject the Plan), the Plan “does not discriminate  
6 unfairly” and is “fair and equitable” under the so-called “cram down” provisions set forth in section  
7 1129(b) of the Bankruptcy Code.

8 The “unfair discrimination” test applies to classes of claims or interests that are of equal priority  
9 and are receiving different treatment under the Plan. A chapter 11 plan does not discriminate unfairly,  
10 within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a  
11 manner consistent with the treatment of other classes whose legal rights are substantially similar to those  
12 of the dissenting class and if no class of claims or interests receives more than it legally is entitled to  
13 receive for its claims or interests. The test does not require that the treatment be the same or equivalent,  
14 but that such treatment be “fair.”

15 The “fair and equitable” test applies to classes of different priority and status (*e.g.*, secured versus  
16 unsecured; claims versus interests) and includes the general requirement that no class of claims receive  
17 more than 100% of the allowed amount of the claims in such class and that the “absolute priority rule”  
18 is satisfied (*i.e.*, unless a class of claims of a senior priority are satisfied in full, no junior class can  
19 receive or retain any property under the Plan). As to any rejecting class, the test sets different standards  
20 that must be satisfied in order for the Plan to be confirmed, depending on the type of Claims or Interests  
21 in such Class. The following sets forth the “fair and equitable” test that must be satisfied if a Class  
22 rejects the Plan:

- 23 • **Rejecting Class of Unsecured Creditors.** Either (i) each holder of an impaired unsecured  
24 Claim in the Class receives or retains under the Plan, property of a value, as of the Effective  
25 Date, equal to the amount of its Allowed Claim, or (ii) the holders of Claims and Interests  
26 that are junior to the Claims of the rejecting Class will not receive or retain any property  
27 under the Plan.
- 28 • **Rejecting Class of Interests.** Either (i) each Interest holder will receive or retain under  
the Plan property of a value equal to the greater of (a) the fixed liquidation preference or  
redemption price, if any, of such Interest and (b) the value of the Interest, or (ii) the holders  
of Interests that are junior to the Interests of the rejecting Class will not receive or retain  
any property under the Plan.

The Debtors believe the Plan satisfies the “fair and equitable” requirement with respect to any  
potential rejecting Class. The agencies of the United States of America and the State of California  
disagree.

**IF ALL OTHER CONFIRMATION REQUIREMENTS ARE SATISFIED AT THE  
CONFIRMATION HEARING, THE PLAN PROPONENTS WILL ASK THE BANKRUPTCY  
COURT TO RULE THAT THE PLAN MAY BE CONFIRMED ON THE GROUND THAT THE  
SECTION 1129(b) REQUIREMENTS HAVE BEEN SATISFIED.**

## **B. Best Interest Test**

The Bankruptcy Code requires that each holder of an impaired Claim or Interest either (i) accept the Plan or (ii) receive or retain under the Plan property of a value, as of the Effective Date, that is not less than the value such holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. This requirement is customarily referred to as the “best interest” test.

The first step in determining whether the Plan satisfies the best interest test is to determine the dollar amount that would be generated from a hypothetical liquidation of the Debtors’ assets and properties in the context of a chapter 7 liquidation case. The gross amount of Cash that would be available for satisfaction of Claims and Interests would be the sum consisting of the proceeds resulting from the disposition of the assets and properties of the Debtors, augmented by the unencumbered Cash held by the Debtors at the time of the commencement of the liquidation case.

The next step is to reduce that gross amount by the costs and expenses of liquidation, the proceeds received from the disposition of encumbered assets that would be distributed to the holders of the liens on such assets, and by the payment of such additional administrative expenses and priority claims arising from the use of chapter 7 for the purposes of liquidation. Any remaining Cash would be allocated to unsecured creditors and interest holders in strict priority in accordance with section 726 of the Bankruptcy Code.

The Debtors’ costs of liquidation under chapter 7 would include the fees payable to a trustee in bankruptcy as well as those fees that might be payable to attorneys and other professionals that the trustee might engage. Other liquidation costs include the expenses incurred during the Chapter 11 Cases allowed in the chapter 7 cases, such as compensation for attorneys, financial advisors, appraisers, accountants, and other professionals for the Debtors and Statutory Committees appointed in the Chapter 11 Cases, and costs and expenses of members of such committees, as well as other compensation Claims. Furthermore, additional Claims would arise by reason of the breach or rejection of obligations incurred and leases and executory contracts assumed or entered into by the Debtors during the pendency of the Chapter 11 Cases. The foregoing types of Claims, costs, expenses, fees, and such other Claims that may arise in a liquidation case would be paid in full from the liquidation proceeds before the balance of those proceeds would be made available to pay prepetition priority and unsecured Claims, or available for distribution to the holders of Interests.

A chapter 7 liquidation would likely result (i) in the incurrence of increased costs and expenses arising from fees payable to a trustee in bankruptcy and professional advisors to such trustee, (ii) in an erosion of asset values in the context of a forced sale or takeover, and (iii) in the substantial increase in Claims that would have to be satisfied on a priority basis or on parity with creditors in the Chapter 11 Cases. The Debtors believe the liquidation process in chapter 7 would result in a failure to meet the June 30, 2020 emergence deadline associated with AB 1054, which could significantly impact potential values recoverable in a liquidation. Further, the Governor’s office could intervene in a liquidation scenario and develop a plan for takeover by the State of California or certain Northern California Counties, which likely would depress the value realized on the Debtors’ assets.

The process of liquidating the Debtors’ businesses in chapter 7 would also be subject to review by numerous regulatory agencies, including the CPUC, the FERC, the Nuclear Regulatory Commission and the U.S. Department of Justice, which could delay the process of receiving any significant proceeds for two years or more. In the event litigation were necessary to resolve Claims asserted in the chapter 7 case, the delay could be further prolonged and would likely involve further costs.

1 With these factors in mind, the Debtors believe that the value, if any, distributable to each Class  
2 under the Plan, would be equal to, or, more likely, less than, the value of distributions under the Plan,  
3 and such distributions in a chapter 7 case would not occur for a substantial period of time, thus lowering  
4 the expected value as of the potential chapter 7 conversion date.

5 Under the Plan, all funded debt and general unsecured creditors are to be paid in full, with  
6 postpetition interest, their Claims will be reinstated or they will receive new notes. In addition, all Fire  
7 Victim Claims will be channeled to and satisfied by the Fire Victim Trust in compliance with AB 1054.  
8 Lastly, holders of Interests will retain their shares, subject to dilution. Under these circumstances, and  
9 where it is patently obvious that a liquidation under chapter 7 could not produce greater value, without  
10 even taking into account the substantial delay involved in distributing any proceeds, the Debtors believe  
11 that the best interest test clearly is satisfied and that a formal liquidation analysis presentation is not  
12 necessary or useful.

### 13 **C. Feasibility**

14 Section 1129(a)(11) of the Bankruptcy Code provides that a chapter 11 plan may be confirmed  
15 only if the Bankruptcy Court finds that such plan is “feasible.” A feasible plan is one which will not  
16 likely lead to a need for further reorganization or liquidation of a debtor.

17 As set forth in the financial projections attached hereto as **Exhibit B**, the Debtors believe that  
18 the Plan meets the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code, as  
19 confirmation is not likely to be followed by liquidation or the need for further financial reorganization  
20 of the Reorganized Debtors or any successor under the Plan.

### 21 **D. Alternatives to the Plan**

22 The Plan has the support of the Debtors, the Shareholder Proponents, the Ad Hoc Subrogation  
23 Group, the Public Entities, and the Ad Hoc Noteholders Committee. Such parties have determined that  
24 the Plan is the best path forward for a successful and timely conclusion to the Chapter 11 Cases. There  
25 are, however, potential alternatives to the Plan, that include (i) continuation of the Chapter 11 Cases,  
26 which could lead to the filing of one or more alternative plans of reorganization, whether by the Debtors  
27 or other parties in interest, or a sale of some or all of the Debtors’ assets pursuant to section 363 of the  
28 Bankruptcy Code, and (ii) liquidation of the Debtors’ assets under chapter 7 of the Bankruptcy Code.

#### 29 **1. Continuation of the Chapter 11 Cases**

30 If the Plan is not confirmed, the Debtors (or, if the Debtors’ exclusive period in which to file a  
31 plan of reorganization has expired or is terminated with regard to any other party in interest, such other  
32 party in interest) could attempt to formulate a different plan. Such a plan might involve either a  
33 reorganization and continuation of the Debtors’ business, a sale, or an orderly liquidation of their assets.

34 Alternatively, if the Plan is not confirmed, the Debtors could seek from the Bankruptcy Court,  
35 after notice and a hearing, authorization to sell outside of a chapter 11 plan all of their assets under  
36 section 363 of the Bankruptcy Code. Holders of any secured claims would be entitled to credit bid on  
37 any property to which their security interest attaches to the extent of the value of such security interest,  
38 and to offset their claims against the purchase price of the property. In addition, the security interests in  
39 the Debtors’ assets held by holders of secured claims would attach to the proceeds of any sale of the  
40 Debtors’ assets to the extent of their secured interests therein. Upon analysis and consideration of this

1 alternative, the Debtors do not believe a sale of their assets under section 363 of the Bankruptcy Code  
2 would yield a higher recovery for stakeholders than what they would receive under the Plan.

## 3 **2. Liquidation under Chapter 7 of the Bankruptcy Code**

4 If no plan can be confirmed, the Chapter 11 Cases may be converted to cases under chapter 7 of  
5 the Bankruptcy Code in which a trustee would be elected or appointed to liquidate the assets of the  
6 Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy  
7 Code. A chapter 7 trustee, who could lack the depth of knowledge of the Debtors' businesses and the  
8 complex regulatory environment in which the Debtors operate, would be required to invest substantial  
9 time and resources to become familiar with the Chapter 11 Cases and investigate the facts underlying  
10 the multitude of claims filed against the Debtors' estates.

11 As discussed above in Section VII.B, and as will be demonstrated in connection with  
12 confirmation of the Plan, the Debtors believe that liquidation under chapter 7 could not produce greater  
13 value to stakeholders than those provided for in the Plan because of, among other things, the limited  
14 market for the Debtors' assets as a result of the complex governmental regulations the Debtors are  
15 subject to, the delay resulting from the conversion of the Chapter 11 Cases to cases under chapter 7 and  
16 the sale of the Debtors' assets in a heavily regulated industry, the additional administrative expenses  
17 associated with the appointment of a chapter 7 trustee, including associated professionals' fees, and the  
18 loss in value attributable to a liquidation of the Debtors' assets as required by chapter 7.

### 19 **E. Notices and Confirmation Hearing**

20 Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after appropriate notice,  
21 to hold the Confirmation Hearing. The Confirmation Hearing is scheduled for May 27, 2020 at  
22 10:00 a.m. (Prevailing Pacific Time), or as soon thereafter as counsel may be heard, before the  
23 Honorable Dennis Montali, United States Bankruptcy Judge, in Courtroom 17 of the United States  
24 Bankruptcy Court for the Northern District of California, 16th Floor, 450 Golden Gate Avenue, San  
25 Francisco, California 94102. The Confirmation Hearing may be adjourned from time to time by the  
26 Debtors or the Bankruptcy Court without further notice except for an announcement of the adjourned  
27 date made at the Confirmation Hearing or any subsequent adjourned confirmation hearing.

28 Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to  
confirmation of a plan. Any objection to confirmation of the Plan must (i) be in writing; (ii) state the  
name and address of the objecting party and the amount and nature of the Claim or Interest of such party;  
(iii) state with particularity the basis and nature of any objection or response; (iv) conform to the  
Bankruptcy Rules, the Bankruptcy Local Rules, the *Order Establishing Procedures for Disclosure  
Statement and Confirmation Hearing* (N.D. Cal. May 2017) (Montali, J.), and the *Amended Order  
Establishing Schedule for Disclosure Statement Approval and Plan Confirmation* [Docket No. 5732];  
and (v) be served on the following parties so as to be **ACTUALLY RECEIVED** no later than **May 15,

11 Objections to confirmation of the Plan are governed by Bankruptcy Rule 9014. UNLESS AN  
 12 OBJECTION TO CONFIRMATION IS TIMELY SERVED AND FILED, IT WILL NOT BE  
 13 CONSIDERED BY THE BANKRUPTCY COURT.

### 14 **VIII. FACTORS TO CONSIDER BEFORE VOTING**

15 Prior to voting to accept or reject the Plan, holders of Claims and Interests should read and  
 16 carefully consider the risk factors set forth below, in addition to the other information set forth in this  
 17 Disclosure Statement, together with any attachments, exhibits, or documents incorporated by reference.  
 18 The factors below should not be regarded as the only risks associated with the Plan. Documents filed  
 19 by the Debtors with the SEC contain important risk factors in addition to those discussed below which  
 20 also should be reviewed and considered in voting on the Plan. Copies of any document filed with the  
 21 SEC may be obtained by visiting the SEC website at <http://www.sec.gov> or by visiting  
 22 <http://investor.pgecorp.com/financials/sec-filings/default.aspx>.

#### 23 **A. Business Risk Factors to Be Considered**

24 PG&E Corp.'s and the Utility's financial results can be affected by many factors, including, but  
 25 not limited to, estimates and assumptions used in the Debtors' financial projections, future wildfires,  
 26 legislative and regulatory developments, industry changes and technological developments, and  
 27 environmental factors. For a detailed description these business risk factors, please refer to the 2019  
 28 Form 10-K and other reports filed with the SEC, available at <http://www.sec.gov> or by visiting  
<http://investor.pgecorp.com/financials/sec-filings/default.aspx>.

#### 29 **B. General Risks Associated with the Bankruptcy Process**

##### 30 **1. Non-Confirmation of the Plan**

31 Although the Plan Proponents believe that the Plan will satisfy all requirements necessary for  
 32 confirmation by the Bankruptcy Court in accordance with the Bankruptcy Code, there can be no  
 33 assurance that the Bankruptcy Court will reach the same conclusion. Moreover, there can be no

1 assurance that modifications to the Plan will not be required for confirmation or that such modifications  
2 will not necessitate the re-solicitation of votes.

3 If the Plan is not confirmed, the Debtors believe that such action or inaction, as the case may be,  
4 will cause the Debtors to incur substantial expenses and otherwise serve only to unnecessarily prolong  
5 these chapter 11 cases and negatively affect recoveries for holders of claims and interests. Any delay in  
6 confirmation beyond June 30, 2020 will also impair (and may preclude) the Debtors' ability to  
7 participate in the Go-Forward Wildfire Fund.

## 8 **2. Non-Consensual Plan Confirmation**

9 As discussed above, if any impaired class entitled to vote does not accept the Plan, the  
10 Bankruptcy Court may nevertheless confirm the Plan at the request of the Plan Proponents if at least one  
11 impaired class has accepted the Plan (such acceptance being determined without including the vote of  
12 any "insider" in such Class) and, as to each impaired class that has not accepted the Plan, if the  
13 Bankruptcy Court determines that the Plan "does not discriminate unfairly" and is "fair and equitable"  
14 with respect to the dissenting impaired classes.

## 15 **3. Materially Different Financial Projections**

16 In connection with confirmation of the Plan, the Debtors, with the assistance of their advisors,  
17 prepared financial projections for the Reorganized Debtors, attached hereto as **Exhibit B**, based on  
18 certain assumptions. The projections have not been compiled, audited, or examined by independent  
19 accountants, and the Debtors and their advisors do not make any representations or warranties regarding  
20 the accuracy of the projections or the ability to achieve forecasted results.

21 Many of the assumptions underlying the projections are subject to significant uncertainties that  
22 are beyond the control of the Debtors or Reorganized Debtors including the timing, confirmation, and  
23 consummation of a plan, inflation, and other unanticipated market and economic conditions. Some  
24 assumptions may not materialize, and unanticipated events and circumstances may materially affect the  
25 actual financial results. Projections are inherently subject to substantial and numerous uncertainties and  
26 to a wide variety of significant business, regulatory, economic, and competitive risks, and the  
27 assumptions underlying the projections may be inaccurate in material respects. In addition,  
28 unanticipated events and circumstances occurring after the approval of this Disclosure Statement by the  
Bankruptcy Court, including any natural disasters, terrorist attacks, or health epidemics, may materially  
affect the actual financial results achieved. Accordingly, the projections and actual results may  
materially differ.

### 29 **C. General Risks Associated with the State Legislative and Regulatory Process**

30 As discussed above, the Debtors' business is subject to applicable federal, state and local law  
31 and the regulatory jurisdiction of various agencies at the federal, state, and local levels. For a detailed  
32 description of risk factors associated with such regulations, please refer to the Form 10-K and other  
33 reports filed with the SEC, available at <http://www.sec.gov> or by visiting  
34 <http://investor.pgecorp.com/financials/sec-filings/default.aspx>.

## 1. Impact of AB 1054 and Required CPUC Review

For the Utility to be eligible to participate in the Go-Forward Wildfire Fund established by AB 1054, the CPUC must determine that the plan of reorganization resolving the Chapter 11 Cases, including the Utility's resulting governance structure, is acceptable in light of the Utility's safety history, criminal probation, recent financial condition, and other factors deemed relevant by the CPUC. Although the CPUC's review of the Plan is underway and the CPUC has expressed its expectation to complete that review sufficiently in advance of June 30, 2020, there is risk that (i) the CPUC's review will not be completed in time to meet the June 30, 2020 plan confirmation deadline established by AB 1054, (ii) the CPUC may request revisions to the Plan that would require resolicitation of votes, or (iii) the CPUC finds that the Plan does not satisfy the requirements of AB 1054.

## 2. Other Legislative and Regulatory Developments

The Reorganized Debtors will be subject to extensive regulations and the risk of enforcement proceedings in connection with such regulations. The Reorganized Debtors' financial condition, results of operations, liquidity, and cash flows could be materially affected by the outcomes of the CPUC's future investigative enforcement proceedings, other known or future enforcement matters, and other ongoing state and federal investigations and requests for information. The Reorganized Debtors could incur material costs and fines in connection with compliance with penalties from closed investigations or enforcement actions or in connection with future investigations, citations, audits, or enforcement actions.

The Utility is currently, and may in the future be, the subject of state and federal investigations, including investigations in connection with wildfires. In addition, the Reorganized Utility may in the future also be the subject of a number of investigations relating to other matters. If these investigations result in enforcement action against or settlements with the Utility or the Reorganized Utility, the Utility or Reorganized Utility could incur or agree to pay additional fines or penalties the amount of which could be substantial and suffer further ongoing negative consequences. Furthermore, a negative outcome in any of these investigations, or future enforcement actions, could negatively affect the outcome of future ratemaking and regulatory proceedings to which the Utility or Reorganized Utility may be subject; for example, by enabling parties to challenge the Utility's or Reorganized Utility's request to recover costs that the parties allege are somehow related to the Utility's or Reorganized Utility's violations.

The Reorganized Debtors could be subject to additional regulatory or governmental enforcement action in the future with respect to compliance with federal, state or local laws, regulations or orders that could result in additional fines, penalties or customer refunds, including those regarding renewable energy and resource adequacy requirements; customer billing; customer service; affiliate transactions; vegetation management; design, construction, operating and maintenance practices; safety and inspection practices; compliance with CPUC general orders or other applicable CPUC decisions or regulations; federal electric reliability standards; and environmental compliance. CPUC staff could also impose penalties on the Reorganized Utility in the future in accordance with its authority under the gas and electric safety citation programs. The amount of such fines, penalties, or customer refunds could have a material effect on the Reorganized Debtors' financial condition, results of operations, liquidity, and cash flows.

1           **D. Certain Securities Laws Matters**

2           The securities described in this Disclosure Statement will be issued (i) pursuant to an effective  
3 registration statement under the Securities Act or (ii) pursuant to an applicable exemption under the  
4 federal securities laws and any applicable state securities laws, including section 1145 of the Bankruptcy  
5 Code or Section 4(a)(2) of the Securities Act.

6           Section 1145(a) of the Bankruptcy Code generally exempts the issuance of securities from the  
7 registration requirements of the Securities Act and any applicable state securities laws if the following  
8 conditions are satisfied: (i) the securities must be offered and sold under a plan of reorganization and  
9 must be securities of the debtor, of an affiliate participating in a joint plan with the debtor or of a  
10 successor to the debtor under the plan; (ii) the recipients of the securities must hold prepetition or  
11 administrative expense claims against or interests in the debtor or such affiliate; and (iii) the securities  
12 must be issued entirely in exchange for the recipient's claim against or interest in the debtor or such  
13 affiliate, or principally in exchange for such claim or interest and partly for cash or property. The  
14 exemptions of section 1145(a) do not apply to an entity that is deemed an "underwriter" as such term is  
15 defined in section 1145(b) of the Bankruptcy Code.

16           Any securities issued pursuant to section 1145 ("**1145 Securities**") may be freely transferred by  
17 most recipients after issuance under the Plan, and all resales and subsequent transfers are exempt from  
18 registration under the Securities Act and state securities laws, unless the holder is an "underwriter" with  
19 respect to such securities. Resales of 1145 Securities by entities deemed to be "underwriters" are not  
20 exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other  
21 applicable law. Under certain circumstances, holders of 1145 Securities who are deemed to be  
22 "underwriters" may be entitled to resell such securities pursuant to the limited safe harbor resale  
23 provisions of Rule 144 of the Securities Act.

24           All securities issued pursuant to the exemption from registration set forth in section 4(a)(2) of  
25 the Securities Act will be considered "restricted securities." Securities held by an affiliate of the issuer

conditions are met. These conditions vary depending on whether the holder of the securities is an  
affiliate of the issuer.

30 ANY PERSON TO TRANSFER SECURITIES RECEIVED PURSUANT TO AN EXEMPTION  
31 FROM FEDERAL AND STATE SECURITIES LAW. ANY PERSONS RECEIVING SUCH  
32 SECURITIES UNDER THE PLAN ARE URGED TO CONSULT WITH THEIR OWN  
33 COUNSEL CONCERNING THE AVAILABILITY OF AN EXEMPTION FROM  
34 REGISTRATION FOR RESALE OF THESE SECURITIES UNDER THE SECURITIES ACT  
35 AND OTHER APPLICABLE LAW.**

21 of \$11 billion. No postpetition, and pre-Effective Date, interest shall be paid with respect to the Utility  
22 Subrogation Wildfire Claims as Allowed pursuant to the immediately preceding clause (a). All Utility  
23 Subrogation Wildfire Claims shall be satisfied solely from the assets funded to the Subrogation

25 accordance with the Subrogation Claims RSA to replace a portion of the Cash consideration with  
26 Non-cash Recovery.

28 the reasonable, documented, and contractual professional fees of the Ad Hoc Professionals (as such

3 contain individual time detail (provided that such invoice shall contain summary data regarding hours  
4 worked by each timekeeper for the applicable professional and such timekeepers' hourly rates). The  
5 Reorganized Debtors and the U.S. Trustee may object to any portion of the Invoiced Fees (the  
6 "**Disputed Invoiced Fees**") within the Review Period by filing with the Court a motion or other  
7 pleading, on at least ten days' prior written notice (but no more than 30 days' notice) of any hearing  
8 on such motion or other pleading, setting forth the specific objections to the Disputed Invoiced Fees  
9 in reasonable narrative detail and the bases for such objections; provided that the Reorganized Debtors  
10 shall pay all amounts that are not the subject of such objection upon the expiration of the Review

27 accordance with its terms, with no recourse to the Debtors, the Reorganized Debtors, or their respective  
28 assets and properties.

(f) In accordance with the provisions of the Subrogation Claims RSA, the Confirmation Order shall contain the following findings and order:

(i) the resolution of the Debtors' insolvency proceeding provides funding or establishes reserves for, provides for assumption of, or otherwise provides for satisfying any prepetition wildfire claims asserted against the Debtors in the insolvency proceeding in the amounts agreed upon in any pre-insolvency proceeding settlement agreements or any post-insolvency settlement agreements, authorized by the court through an estimation process or otherwise allowed by the court, and

18 distributions to the appropriate holders of Allowed Claims, or such other persons designated by this  
Plan, in accordance with the terms of this Plan.

19 **5.2 Plan Funding.** Except as otherwise provided in the Plan, the Wildfire Trust  
20 Agreements, or the Claims Resolution Procedures, distributions of Cash shall be funded from the  
21 proceeds of the Plan Funding or the Wildfire Insurance Proceeds as of the applicable date of such  
distribution as set forth herein.

22 **5.3 No Postpetition or Default Interest on Claims.** Except as otherwise  
23 specifically provided for in this Plan or the Confirmation Order, or another order of the Bankruptcy  
24 Court or required by the Bankruptcy Code, postpetition and/or default interest shall not accrue or be  
25 paid on any Claims, and no holder of a Claim shall be entitled to interest accruing on such Claim on  
26 or after the Petition Date. Except as otherwise provided in the Plan, to the extent that a Disputed Claim  
27 becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to  
28 any interest that accrued thereon from and after the Effective Date.

1           **5.4     Date of Distributions.** Unless otherwise provided in this Plan, the Wildfire  
2 Trust Agreements, or the Claims Resolution Procedures, any distributions and deliveries to be made  
3 under this Plan shall be made on the Effective Date or as soon as reasonably practicable thereafter;  
4 *provided*, that the Reorganized Debtors may implement periodic distribution dates to the extent they  
determine appropriate. Holders of Wildfire Claims subject to the Claims Resolution Procedures shall  
receive distributions in accordance with the applicable Claims Resolution Procedures.

5           **5.5     Distribution Record Date.** Except as otherwise provided in the Wildfire Trust  
6 Agreements or the Claims Resolution Procedures, as of the close of business on the Distribution  
7 Record Date, the various lists of holders of Claims and Interests in each Class, as maintained by the  
8 Debtors or their agents, shall be deemed closed, and there shall be no further changes in the record  
9 holders of any Claims or Interests after the Distribution Record Date. None of the Debtors, the  
10 Reorganized Debtors, or the Disbursing Agent shall have any obligation to recognize any transfer of  
11 a Claim or Interest occurring after the close of business on the Distribution Record Date. In addition,  
with respect to payment of any Cure Amounts or disputes over any Cure Amounts, none of the  
Debtors, the Reorganized Debtors, or the Disbursing Agent shall have any obligation to recognize or  
deal with any party other than the non-Debtor party to the applicable executory contract or unexpired  
lease, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure  
Amount.

12           **5.6     Disbursing Agent.** Except as otherwise provided in the Plan or the Wildfire  
13 Trust Agreements, all distributions under this Plan shall be made by the Disbursing Agent, on behalf  
14 of the applicable Debtor, on and after the Effective Date as provided herein. The Disbursing Agent  
15 shall not be required to give any bond or surety or other security for the performance of its duties. The  
16 Debtors or the Reorganized Debtors, as applicable, shall use commercially reasonable efforts to  
17 provide the Disbursing Agent (if other than the Reorganized Debtors) with the amounts of Claims and  
18 the identities and addresses of holders of Claims, in each case, as set forth in the Debtors' or  
19 Reorganized Debtors' books and records. The Debtors or the Reorganized Debtors, as applicable,  
20 shall cooperate in good faith with the Disbursing Agent (if other than the Reorganized Debtors) to  
21 comply with the reporting and withholding requirements outlined in Section 5.15 of this Plan. Wildfire  
22 Claims subject to the Channeling Injunction shall not be administered by the Disbursing Agent and  
23 shall instead be administered by the Wildfire Trusts. Notwithstanding any provision of the Plan to the  
24 contrary, distributions to holders of Allowed Funded Debt Claims and Allowed Utility Senior Note  
25 Claims shall be made to or at the direction of the applicable Funded Debt Trustee, which shall, to the  
26 extent directed by the applicable Funded Debt Trustee, act as Disbursing Agent for distributions to the  
27 respective Holders of Allowed Funded Debt Claims and Allowed Utility Senior Note Claims under  
28 the applicable Funded Debt Documents. The Funded Debt Trustees, as applicable, may transfer such  
distributions or direct the transfer of such distributions by the Debtors or through the facilities of DTC  
(whether by means of book-entry exchange, free delivery, or otherwise) and will be entitled to  
recognize and deal for all purposes under the Plan with holders of Allowed Funded Debt Claims or  
Allowed Utility Senior Note Claims to the extent consistent with the customary practices of DTC or  
the customary practices for administrative agents under syndicated credit facilities (as applicable).  
Distributions in respect of Allowed Funded Debt Claims and Allowed Utility Senior Notes Claims  
shall be subject in all respects to the right of the applicable Funded Debt Trustee to assert its Charging  
Lien, if any, against such distributions. All distributions to be made to holders of Allowed Utility

1 Senior Note Claims shall be eligible to be distributed through the facilities of DTC and as provided  
2 for under the applicable Funded Debt Documents.

### 3 **5.7 Delivery of Distributions.**

4 (a) Except as otherwise provided in the Plan, the Wildfire Trust Agreements, or the  
5 Claims Resolution Procedures, the Disbursing Agent will make the applicable distribution under this  
6 Plan and, subject to Bankruptcy Rule 9010, will make all distributions to any holder of an Allowed  
7 Claim as and when required by this Plan at: (i) the address of such holder on the books and records  
8 of the Debtors or their agents, (ii) the address in the most recent proof of claim filed by such holder,  
9 or (iii) the address in any written notice of address change delivered to the Debtors or the Disbursing  
10 Agent, including any addresses included on any transfers of Claim filed pursuant to Bankruptcy Rule  
11 3001. In the event that any distribution to any holder is returned as undeliverable, no distribution or  
12 payment to such holder shall be made unless and until the Disbursing Agent has been notified of the  
13 then current address of such holder, at which time or as soon thereafter as reasonably practicable, such  
14 distribution shall be made to such holder without interest.

15 (b) The Disbursing Agent, with the Funded Debt Trustees' cooperation and  
16 consistent with Section 5.6 of this Plan, shall make any distributions on account of the Allowed Funded  
17 Debt Claims and Utility Senior Note Claims. At the request of the Debtors or Reorganized Debtors,  
18 each Funded Debt Trustee shall provide a copy of any registry or list of beneficial owners maintained  
19 by the Funded Debt Trustees to the Debtors or Reorganized Debtors, as applicable, as soon as  
20 reasonably practicable following such request and, to the extent specifically requested by the Debtors  
21 or Reorganized Debtors, such Funded Debt Trustee shall freeze such registry on a date specified by  
22 the Debtors or Reorganized Debtors for purposes of permitting distributions to be made pursuant to  
23 this Plan. If the applicable Funded Debt Document so provides, the Disbursing Agent may make  
24 distributions on account of the Allowed Funded Debt Claims, Utility Senior Note Claims, or Utility  
25 PC Bond (2008 F and 2010 E) Claims to the applicable Funded Debt Trustee. The Funded Debt  
26 Trustees shall have no duties or responsibility relating to any form of distribution that is not DTC  
27 eligible and the Disbursing Agent, the Debtors, or the Reorganized Debtors, as applicable, shall seek  
28 the cooperation of DTC so that any distribution on account of an Allowed Funded Debt Claim, Utility  
Senior Note Claim, or Utility PC Bond (2008 F and 2010 E) Claim that is held in the name of, or by a  
nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as  
practicable thereafter. The Reorganized Debtors shall reimburse the Funded Debt Trustees for any  
reasonable and documented fees and expenses (including the reasonable and documented fees and  
expenses of its counsel and agents) incurred after the Effective Date solely in connection with actions  
explicitly requested by the Reorganized Debtors necessary for implementation of the Plan; *provided*,  
that, for the avoidance of doubt, nothing in the Plan or Confirmation Order shall be considered or  
construed as an explicit request by the Reorganized Debtors authorizing the incurrence of fees and  
expenses by the Funded Debt Trustees.

24 **5.8 Unclaimed Property.** For distributions other than from the Wildfire Trusts, all  
25 distributions payable on account of Claims or Interests that are not deliverable, or have not responded  
26 to a request for information to make such delivery, and remain unclaimed shall be deemed unclaimed  
27 property under section 347(b) of the Bankruptcy Code and shall revert to the Reorganized Debtors or  
28

1 their successors or assigns one year from the later of (a) the Effective Date and (b) the date that is ten  
2 (10) Business Days after the date a Claim is first Allowed, and all claims of any other Entity (including  
3 the holder of a Claim in the same Class) to such distribution shall be discharged and forever barred.  
4 The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any  
holder of an Allowed Claim other than by reviewing the Debtors' books and records and filings with  
the Bankruptcy Court.

5 **5.9 Satisfaction of Claims.** Unless otherwise provided herein, any distributions  
6 and deliveries to be made on account of Allowed Claims under this Plan shall be in complete and final  
satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

7 **5.10 Fractional Stock.** No fractional shares or Interests of New HoldCo Common  
8 Stock shall be distributed. If any distributions of New HoldCo Common Stock pursuant to the Plan  
9 or the Plan Documents would result in the issuance of a fractional share or Interest of New HoldCo  
10 Common Stock, then the number of shares or Interests of New HoldCo Common Stock to be issued  
11 in respect of such distribution shall be calculated to one decimal place and rounded up or down to the  
12 closest whole share or Interest (with a half share or Interest or greater rounded up and less than a half  
13 share or Interest rounded down). The total number of shares or Interests of New HoldCo Common  
14 Stock, as applicable, to be distributed in connection with the Plan shall be adjusted as necessary to  
15 account for the rounding provided for in this Section 5.10. No consideration shall be provided in lieu  
of fractional shares or Interests that are rounded down. Neither the Reorganized Debtors nor the  
Disbursing Agent shall have any obligation to make a distribution that is less than (1) share or Interest  
of New HoldCo Common Stock. Any New HoldCo Common Stock that is not distributed in  
accordance with this Section 5.10 shall be returned to, and ownership thereof shall vest in, Reorganized  
HoldCo.

16 **5.11 Manner of Payment under Plan.** Except as specifically provided herein, at  
17 the option of the Debtors or the Reorganized Debtors, as applicable, any Cash payment to be made  
18 under this Plan may be made by check, ACH, wire transfer, or any other method agreed between the  
Debtors or Reorganized Debtors and the holder of the Claim.

19 **5.12 No Distribution in Excess of Amount of Allowed Claim.** Notwithstanding  
20 anything to the contrary in this Plan, no holder of an Allowed Claim shall receive, on account of such  
21 Allowed Claim, distributions in excess of the Allowed amount of such Claim, except to the extent that  
payment of postpetition interest on such Claim is specifically provided for by the Plan, the  
Confirmation Order, or another order of the Bankruptcy Court or required by the Bankruptcy Code.

22 **5.13 Setoffs and Recoupments.** Each Debtor or Reorganized Debtor, as applicable,  
23 or such Entity's successor or designee, may, pursuant to section 553 of the Bankruptcy Code or  
24 applicable nonbankruptcy law, offset or recoup against any Allowed Claim and the distributions to be  
25 made pursuant to this Plan on account of such Allowed Claim any and all Claims, rights, and Causes  
26 of Action that such Debtor or Reorganized Debtor or its successors may hold against the holder of  
27 such Allowed Claim; *provided*, that neither the failure to effect a setoff or recoupment nor the  
28 allowance of any Claim hereunder will constitute a waiver or release by a Debtor or Reorganized  
Debtor or its successor of any Claims, rights, or Causes of Action that any such entity or its successor  
or designee may possess against such holder.

1                   **5.14    Rights and Powers of Disbursing Agent.**

2                   (a)       The Disbursing Agent shall be empowered to: (i) effect all actions and execute  
3 all agreements, instruments, and other documents necessary to perform its duties under this Plan;  
4 (ii) make all applicable distributions or payments provided for under this Plan; (iii) employ  
5 professionals to represent it with respect to its responsibilities; and (iv) exercise such other powers  
6 (A) as may be vested in the Disbursing Agent by order of the Bankruptcy Court (including any order  
7 issued after the Effective Date) or pursuant to this Plan or (B) as deemed by the Disbursing Agent to  
8 be necessary and proper to implement the provisions of this Plan.

9                   (b)       To the extent the Disbursing Agent is an Entity other than a Debtor or  
10 Reorganized Debtor, except as otherwise ordered by the Bankruptcy Court, the amount of any  
11 reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date  
12 (including taxes) and any reasonable compensation and expense reimbursement Claims (including for  
13 reasonable attorneys' and other professional fees and expenses) made by the Disbursing Agent shall  
14 be paid in Cash by the Reorganized Debtors.

15                   **5.15    Withholding and Reporting Requirements.**

16                   (a)       In connection with this Plan and all distributions made hereunder, the  
17 Reorganized Debtors and the Disbursing Agent shall comply with all applicable withholding and  
18 reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all  
19 distributions under this Plan shall be subject to any such withholding or reporting requirements. In  
20 the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold  
21 an appropriate portion of such distributed property and sell such withheld property to generate Cash  
22 necessary to pay over the withholding tax. Any amounts withheld pursuant to the preceding sentence  
23 shall be deemed to have been distributed to and received by the applicable recipient for all purposes  
24 of this Plan.

25                   (b)       Notwithstanding the above, each holder of an Allowed Claim that is to receive  
26 a distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and  
27 payment of any tax obligations imposed on such holder by any federal, state, local, or foreign taxing  
28 authority, including income, withholding, and other tax obligations, on account of such distribution.  
The Reorganized Debtors and the Disbursing Agent have the right, but not the obligation, to not make  
a distribution until such holder has made arrangements satisfactory to any issuing or disbursing party  
for payment of any such tax obligations.

                  (c)       The Reorganized Debtors and the Disbursing Agent may require, as a condition  
to receipt of a distribution, that the holder of an Allowed Claim provide any information necessary to  
allow the distributing party to comply with any such withholding and reporting requirements imposed  
by any federal, state, local, or foreign taxing authority. If the Reorganized Debtors or the Disbursing  
Agent make such a request and the holder fails to comply before the date that is 180 days after the  
request is made, the amount of such distribution shall irrevocably revert to the applicable Reorganized  
Debtor and any Claim in respect of such distribution shall be discharged and forever barred from  
assertion against such Reorganized Debtor or its respective property.

1                   **5.16 Credit for Distributions under Wildfire Assistance Program.** If a holder of  
2 an Allowed Fire Claim has received or will receive any distribution from the Wildfire Assistance  
3 Program, such distribution shall be credited against any distribution to be made on account of such  
4 holder's Fire Claim under this Plan and in accordance with the terms of the Wildfire Trust Agreements.

## ARTICLE VI.

### MEANS FOR IMPLEMENTATION AND EXECUTION OF THE PLAN

6                   **6.1 General Settlement of Claims and Interests.** The Plan shall be deemed a  
7 motion to approve a good-faith compromise and settlement pursuant to which the Debtors and the  
8 holders of Claims against and/or Interests in the Debtors settle all Claims, Interests, and Causes of  
9 Action pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in  
10 consideration for the classification, distributions, releases, and other benefits provided under the Plan,  
11 on the Effective Date, the provisions of the Plan shall constitute a good faith compromise and  
12 settlement of all Claims and Interests and controversies resolved pursuant to the Plan. The  
13 Confirmation Order shall constitute the Court's approval of the compromise, settlement, and release  
14 of all such Claims, Interests, and Causes of Action, as well as a finding by the Bankruptcy Court that  
15 all such compromises, settlements, and releases are mutual and bi-directional and are in the best  
16 interests of the Debtors, their estates, and the holders of Claims, Interests, and Causes of Action, and  
17 is fair, equitable, and reasonable. Except as otherwise provided in the Wildfire Trust Agreements and  
18 the Claims Resolution Procedures, in accordance with the provisions of the Plan, pursuant to section  
19 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order,  
20 or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors, may  
21 compromise and settle all Claims and Causes of Action against, and Interests in, the Debtors and their

**7.1 Objections to Claims.** Except as otherwise provided herein, in the Claims Resolution Procedures, the Subrogation Claims RSA, and in the Wildfire Trust Agreements, the Reorganized Debtors shall be entitled to object to Claims. The Subrogation Wildfire Trustee shall be entitled to object to Subrogation Wildfire Claims. The Fire Victim Trustee shall be entitled to object to Fire Victim Claims. Except as otherwise set forth in the Plan, any objections to Claims shall be served and filed on or before the later of (i) one-hundred and eighty (180) days after the Effective Date and (ii) such later date as may be fixed by the Bankruptcy Court (as the same may be extended by the Bankruptcy Court for cause shown). Fire Victim Claims, other than those Claims arising out of the 2015 Butte fires that were the subject of fully executed prepetition settlement agreements with the Debtor(s) and any other Fire Victim Claim that is settled or Allowed by order of the Bankruptcy Court prior to the Effective Date, are treated as unliquidated Disputed Claims for purposes of the Fire Victim Trust and shall be subject to resolution by the Fire Victim Trust in accordance with the Fire Victim Claims Resolution Procedures.

**7.2 Resolution of Disputed Administrative Expense Claims and Disputed Claims.** Except as otherwise provided for in the Plan, in the Claims Resolution Procedures, the Subrogation Claims RSA, or in the Wildfire Trust Agreements, on and after the Effective Date, the Reorganized Debtors shall have the authority to compromise, settle, otherwise resolve, or withdraw

1 any objections to Disputed Administrative Expense Claims or Disputed Claims and to compromise,  
2 settle, or otherwise resolve any Disputed Administrative Expense Claims and Disputed Claims without  
3 approval of the Bankruptcy Court, other than with respect to any Professional Fee Claims. On and  
4 after the Effective Date, the Subrogation Wildfire Trustee shall have the authority to compromise,  
5 settle, otherwise resolve, or withdraw any objections to Disputed Subrogation Wildfire Claims without  
6 approval of the Bankruptcy Court. On and after the Effective Date, the Fire Victim Trustee shall have  
7 the authority to compromise, settle, otherwise resolve, or withdraw any objections to Disputed Fire  
8 Victim Claims without approval of the Bankruptcy Court. Notwithstanding the foregoing, and for the  
9 avoidance of doubt, Subrogation Wildfire Claims and Fire Victim Claims may only be compromised,  
10 settled, or resolved pursuant to the applicable Claims Resolution Procedures and Wildfire Trust  
11 Agreement.

8 **7.3 Payments and Distributions with Respect to Disputed Claims.**

9 Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no  
10 payment or distribution provided hereunder shall be made on account of such Claim (including on  
11 account of the non-Disputed portion of such Claim) unless and until such Disputed Claim becomes an  
12 Allowed Claim.

11 **7.4 Distributions After Allowance.**

12 After such time as a Disputed Claim becomes,  
13 in whole but not in part, an Allowed Claim, the holder thereof shall be entitled to distributions, if any,  
14 to which such holder is then entitled as provided in this Plan. Such distributions shall be made as soon  
15 as practicable after the date that the order or judgment of the Bankruptcy Court allowing such Disputed  
16 Claim (or portion thereof) becomes a Final Order.

15 **7.5 Disallowance of Claims.**

16 Any Claims held by an Entity from which property  
17 is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a  
18 transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy  
19 Code, as determined by a Final Order, shall be deemed disallowed pursuant to section 502(d) of the  
20 Bankruptcy Code, and holders of such Claims may not receive any distributions on account of such  
21 Claims until such time as such Causes of Action against that Entity have been settled or a Final Order  
22 with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been  
23 turned over or paid to the Debtors or the Reorganized Debtors. Except as otherwise provided herein  
24 or by an order of the Bankruptcy Court, all proofs of Claim filed after the Effective Date shall be  
25 disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable  
26 against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or  
27 any further notice to or action, order, or approval of the Bankruptcy Court, other than a claim for  
28 damages arising from the rejection of an executory contract or unexpired lease.

23 **7.6 Estimation.**

24 Except as otherwise provided in the Plan, the Claims Resolution  
25 Procedures, the Subrogation Claims RSA, and the Wildfire Trust Agreements, the Debtors or the  
26 Reorganized Debtors (or the Subrogation Wildfire Trustee solely with respect to Disputed Subrogation  
27 Wildfire Claims and the Fire Victim Trustee solely with respect to Disputed Fire Victim Claims) may  
28 determine, resolve and otherwise adjudicate all contingent Claims or unliquidated Claims in the  
Bankruptcy Court or such other court of the Debtors', Reorganized Debtors', the Subrogation Wildfire  
Trustee's or the Fire Victim Trustee's choice having jurisdiction over the validity, nature or amount

1 thereof. The Debtors or the Reorganized Debtors (or the Subrogation Wildfire Trustee solely with  
2 respect to Disputed Subrogation Wildfire Claims and the Fire Victim Trustee solely with respect to  
3 Disputed Fire Victim Claims) may at any time request that the Bankruptcy Court estimate any  
4 contingent Claims or unliquidated Claims pursuant to section 502(c) of the Bankruptcy Code for any  
5 reason or purpose, regardless of whether any of the Debtors or the Reorganized Debtors (or the  
6 Subrogation Wildfire Trustee solely with respect to Disputed Subrogation Wildfire Claims and the  
7 Fire Victim Trustee solely with respect to Disputed Fire Victim Claims) have previously objected to  
8 such Claim or whether the Bankruptcy Court has ruled on any such objection. The Bankruptcy Court  
9 shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection  
10 to any Claim, including, during the pendency of any appeal relating to any such objection. If the  
11 Bankruptcy Court estimates any contingent Claim or unliquidated Claim, that estimated amount shall  
12 constitute the maximum limitation on such Claim, and the Debtors or the Reorganized Debtors (or the  
13 Subrogation Wildfire Trustee solely with respect to Disputed Subrogation Wildfire Claims and the  
14 Fire Victim Trustee solely with respect to Disputed Fire Victim Claims) may pursue supplementary  
15 proceedings to object to the ultimate allowance of such Claim; *provided*, that such limitation shall not  
16 apply to Claims requested by the Debtors to be estimated for voting purposes only. All of the  
17 aforementioned objection, estimation and resolution procedures are cumulative and not exclusive of  
18 one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved  
19 by any mechanism approved by the Bankruptcy Court. Notwithstanding section 502(j) of the  
20 Bankruptcy Code, in no event shall any holder of a Claim that has been estimated pursuant to section  
21 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such Claim unless  
22 the holder of such Claim has filed a motion requesting the right to seek such reconsideration on or  
23 before twenty (20) calendar days after the date such Claim is estimated by the Bankruptcy Court.  
24 Notwithstanding the foregoing, and for the avoidance of doubt, Subrogation Wildfire Claims and Fire  
25 Victim Claims may only be compromised, settled, or resolved pursuant to terms of the applicable  
26 Wildfire Trust Agreement.

## ARTICLE VIII.

### EXECUTORY CONTRACTS AND UNEXPIRED LEASES

#### **8.1 General Treatment.**

20 (a) As of, and subject to, the occurrence of the Effective Date and the payment of  
21 any applicable Cure Amount, all executory contracts and unexpired leases of the Reorganized Debtors  
22 shall be deemed assumed, unless such executory contract or unexpired lease (i) was previously  
23 assumed or rejected by the Debtors, pursuant to a Final Order, (ii) previously expired or terminated  
24 pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a motion to  
assume, assume and assign, or reject filed by the Debtors on or before the Confirmation Date, or (iv) is  
specifically designated as an executory contract or unexpired lease to be rejected on the Schedule of  
Rejected Contracts.

25 (b) Notwithstanding the foregoing, as of and subject to the occurrence of the  
26 Effective Date and the payment of any applicable Cure Amount, all power purchase agreements,  
27  
28

1 renewable energy power purchase agreements, and Community Choice Aggregation servicing  
2 agreements of the Debtors shall be deemed assumed.

3 (c) Subject to the occurrence of the Effective Date, entry of the Confirmation Order  
4 by the Bankruptcy Court shall constitute approval of the assumptions, assumptions and assignments,  
5 or rejections provided for in this Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code.  
6 Each executory contract and unexpired lease assumed pursuant to this Plan shall vest in, and be fully  
7 enforceable by, the applicable Reorganized Debtor in accordance with its terms, except as modified  
8 by the provisions of this Plan, any order of the Bankruptcy Court authorizing and providing for its  
9 assumption or assumption and assignment, or applicable law.

## 7 **8.2 Determination of Cure Disputes and Deemed Consent.**

8 (a) Any monetary defaults under an assumed or assumed and assigned executory  
9 contract or unexpired lease, shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code,  
10 by payment of the default amount, as reflected in the applicable cure notice, in Cash on the Effective  
11 Date, subject to the limitations described below, or on such other terms as the parties to such executory  
12 contracts or unexpired leases and the Debtors may otherwise agree.

13 (b) At least fourteen (14) days before the deadline set to file objections to  
14 confirmation of the Plan, the Debtors shall distribute, or cause to be distributed, assumption and cure  
15 notices to the applicable third parties. **Any objection by a counterparty to an executory contract  
16 or unexpired lease to the proposed assumption, assumption and assignment, or related Cure  
17 Amount must be filed, served, and actually received by the Debtors before the deadline set to  
18 file objections to confirmation of the Plan.** Any counterparty to an executory contract or unexpired  
19 lease that fails to object timely to the proposed assumption, assumption and assignment, or Cure  
20 Amount will be deemed to have assented to such assumption, assumption and assignment, or Cure  
21 Amount. Notwithstanding anything herein to the contrary, in the event that any executory contract or  
22 unexpired lease is removed from the Schedule of Rejected Contracts after such fourteen (14)-day  
23 deadline, a cure notice with respect to such executory contract or unexpired lease will be sent promptly  
24 to the counterparty thereof and a noticed hearing set to consider whether such executory contract or  
25 unexpired lease can be assumed or assumed and assigned, as applicable.

26 (c) In the event of an unresolved dispute regarding (i) any Cure Amount, (ii) the  
27 ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future  
28 performance” (within the meaning of section 365 of the Bankruptcy Code) under the executory  
29 contract or unexpired lease to be assumed, or (iii) any other matter pertaining to assumption,  
30 assumption and assignment, or the Cure Amounts required by section 365(b)(1) of the Bankruptcy  
31 Code, such dispute shall be resolved by a Final Order (which order may be the Confirmation Order).

32 (d) If the Bankruptcy Court makes a determination regarding any of the matters set  
33 forth in Section 8.2(c) above with respect to any executory contract or unexpired lease is greater than  
34 the amount set forth in the applicable cure notice, as set forth in Section 8.8(a) below, the Debtors or  
35 Reorganized Debtors, as applicable, shall have the right to alter the treatment of such executory  
36 contract or unexpired lease, including, without limitation, to add such executory contract or unexpired  
37 lease.

1 lease to the Schedule of Rejected Contracts, in which case such executory contract or unexpired lease  
2 shall be deemed rejected as of the Effective Date.

3 (e) Assumption or assumption and assignment of any executory contract or  
4 unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any  
5 Claims and Causes of Action against any Debtor or defaults by any Debtor arising under any assumed  
6 executory contract or unexpired lease at any time before the date that the Debtors assume or assume  
7 and assign such executory contract or unexpired lease, whether monetary or nonmonetary, including  
8 all Claims arising under sections 503(b)(9) or 546(c) of the Bankruptcy Code, any defaults of  
9 provisions restricting the change in control or ownership interest composition, or any other  
10 bankruptcy-related defaults. Any proofs of Claim filed with respect to an executory contract or  
11 unexpired lease that has been assumed or assumed and assigned shall be deemed disallowed and  
12 expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

13 **8.3 Rejection Damages Claims.** In the event that the rejection of an executory  
14 contract or unexpired lease hereunder results in damages to the other party or parties to such contract  
15 or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim,  
16 shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors,  
17 or their respective estates, properties or interests in property, unless a proof of Claim is filed with the  
18 Bankruptcy Court and served upon the Debtors or the Reorganized Debtors, as applicable, no later  
19 than thirty (30) days after the later of (i) the Confirmation Date or (ii) the effective date of the rejection  
20 of such executory contract or unexpired lease, as set forth on the Schedule of Rejected Contracts or  
21 order of the Bankruptcy Court. The Confirmation Order shall constitute the Bankruptcy Court's  
22 approval of the rejection of all the leases and contracts identified in the Schedule of Rejected Contracts.

23 **8.4 Survival of the Debtors' Indemnification Obligations.** Any and all  
24 obligations of the Debtors pursuant to their corporate charters, agreements, bylaws, limited liability  
25 company agreements, memorandum and articles of association, or other organizational documents  
26 (including all Indemnification Obligations) to indemnify current and former officers, directors, agents,  
27 or employees with respect to all present and future actions, suits, and proceedings against the Debtors  
28 or such officers, directors, agents, or employees based upon any act or omission for or on behalf of  
the Debtors shall remain in full force and effect to the maximum extent permitted by applicable law  
and shall not be discharged, impaired, or otherwise affected by this Plan. All such obligations shall  
be deemed and treated as executory contracts that are assumed by the Debtors under this Plan and shall  
continue as obligations of the Reorganized Debtors. Any Claim based on the Debtors' obligations in  
this Section 8.4 herein shall not be a Disputed Claim or subject to any objection, in either case, by  
reason of section 502(e)(1)(B) of the Bankruptcy Code or otherwise.

29 **8.5 Assumption of Employee Benefit Plans.**

30 (a) On the Effective Date, all Employee Benefit Plans are deemed to be, and shall  
31 be treated as, executory contracts under this Plan and, on the Effective Date, shall be assumed pursuant  
32 to sections 365 and 1123 of the Bankruptcy Code. All outstanding payments which are accrued and  
33 unpaid as of the Effective Date pursuant to the Employee Benefit Plans shall be made by the  
34 Reorganized Debtors on the Effective Date or as soon as practicable thereafter.

1 (b) The deemed assumption of the Employee Benefit Plans pursuant to this Section  
2 8.5 shall result in the full release and satisfaction of any Claims and Causes of Action against any  
3 Debtor or defaults by any Debtor arising under any Employee Benefit Plan at any time before the  
4 Effective Date. Any proofs of Claim filed with respect to an Employee Benefit Plan shall be deemed  
disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy  
Court.

5 (c) Notwithstanding anything to the contrary in the Plan, the Reorganized Debtors  
6 shall continue and assume the Pacific Gas and Electric Company Retirement Plan (“**Defined Benefit**  
7 **Plan**”) subject to the Employee Retirement Income Securities Act, the Internal Revenue Code, and  
8 any other applicable law, including (i) the minimum funding standards in 26 U.S.C. §§ 412, 430, and  
29 U.S.C. §§ 1082, 1083 and (ii) premiums under 29 U.S.C. §§ 1306 and 1307. All proofs of claim  
filed by the Pension Benefit Guaranty Corporation with respect to the Defined Benefit Plan are deemed  
withdrawn on the Effective Date.

9 **8.6 Collective Bargaining Agreements.**

10 (a) On or prior to the Effective Date, and subject to the occurrence of the Effective  
11 Date, the Reorganized Debtors shall assume the Collective Bargaining Agreements.

12 **8.7 Insurance Policies.**

13 (a) All Insurance Policies (including all D&O Liability Insurance Policies and tail  
14 coverage liability insurance), surety bonds, and indemnity agreements entered into in connection with  
15 surety bonds to which any Debtor is a party as of the Effective Date shall be deemed to be and treated  
16 as executory contracts and shall be assumed by the applicable Debtors or Reorganized Debtor and  
shall continue in full force and effect thereafter in accordance with their respective terms.

17 **8.8 Reservation of Rights.**

18 (a) The Debtors may amend the Schedule of Rejected Contracts and any cure notice  
19 until the later of (i) 4:00 p.m. (Pacific Time) on the Business Day immediately prior to the  
20 commencement of the Confirmation Hearing or (ii) if Section 8.2(d) is applicable, the Business Day  
21 that is seven (7) Business Days following the determination by the Bankruptcy Court, in order to add,  
22 delete, or reclassify any executory contract or unexpired lease; *provided*, that if the Confirmation  
Hearing is adjourned for a period of more than two (2) consecutive calendar days, the Debtors’ right  
to amend such schedules and notices shall be extended to 4:00 p.m. (Pacific Time) on the Business  
Day immediately prior to the adjourned date of the Confirmation Hearing, with such extension  
applying in the case of any and all subsequent adjournments of the Confirmation Hearing.

23 (b) Neither the exclusion nor the inclusion by the Debtors of any contract or lease  
24 on any exhibit, schedule, or other annex to this Plan or in the Plan Supplement, nor anything contained  
25 in this Plan or in the Plan Documents, will constitute an admission by the Debtors that any such  
26 contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the  
Reorganized Debtors or their respective affiliates has any liability thereunder.

1 (c) Except as explicitly provided in this Plan, nothing herein shall waive, excuse,  
2 limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the  
3 Debtors or the Reorganized Debtors under any executory or non-executory contract or unexpired or  
4 expired lease.

4 (d) Nothing in this Plan will increase, augment, or add to any of the duties,  
5 obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors, as applicable,  
6 under any executory or non-executory contract or unexpired or expired lease.

6 **8.9 Modifications, Amendments, Supplements, Restatements, or Other**  
7 **Agreements.** Unless otherwise provided in the Plan, each executory contract or unexpired lease that  
8 is assumed shall include all modifications, amendments, supplements, restatements, or other  
9 agreements that in any manner affect such executory contract or unexpired lease, and executory  
10 contracts and unexpired leases related thereto, if any, including easements, licenses, permits, rights,  
11 privileges, immunities, options, rights of first refusal, and any other interests, unless any of the  
12 foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the  
13 Plan.

4 successor; (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any  
5 encumbrance of any kind against a Debtor, a Reorganized Debtor, or an estate or any of its property,  
6 or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing  
7 Persons mentioned in this subsection (iii) or any property of any such transferee or successor;  
8 (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply  
9 with the provisions of this Plan to the full extent permitted by applicable law; and (v) commencing or  
10 continuing, in any manner or in any place, any action that does not comply with or is inconsistent with  
11 the provisions of this Plan; *provided*, that nothing contained herein shall preclude such Persons who  
12 have held, hold, or may hold Claims against a Debtor or an estate from exercising their rights, or  
13 obtaining benefits, pursuant to and consistent with the terms of this Plan, the Confirmation Order, or  
14 any other agreement or instrument entered into or effectuated in connection with the consummation  
15 of the Plan.

16 (b) By accepting distributions pursuant to this Plan, each holder of an Allowed  
17 Claim will be deemed to have affirmatively and specifically consented to be bound by this Plan,  
18 including, the injunctions set forth in this Section.

#### 19 **10.7 Channeling Injunction.**

20 (a) **The sole source of recovery for holders of Subrogation Wildfire Claims and  
21 Fire Victim Claims shall be from the Subrogation Wildfire Trust and the Fire Victim Trust, as  
22 applicable. The holders of such Claims shall have no recourse to or Claims whatsoever against  
23 the Reorganized Debtors or their assets and properties. Consistent with the foregoing, all  
24 Persons that have held or asserted, or that hold or assert any Subrogation Wildfire Claim or  
25 Fire Victim Claim shall be permanently and forever stayed, restrained, and enjoined from  
26 taking any action for the purpose of directly or indirectly collecting, recovering, or receiving  
27 payments, satisfaction, or recovery from any Reorganized Debtor or its assets and properties  
28 with respect to any Fire Claims, including all of the following actions:**

(i) **commencing, conducting, or continuing, in any manner, whether  
directly or indirectly, any suit, action, or other proceeding of any kind in any forum with  
respect to any such Fire Claim, against or affecting any Reorganized Debtor, or any  
property or interests in property of any Reorganized Debtor with respect to any such  
Fire Claim;**

(ii) **enforcing, levying, attaching, collecting or otherwise recovering, by  
any manner or means, or in any manner, either directly or indirectly, any judgment,  
award, decree or other order against any Reorganized Debtor or against the property of  
any Reorganized Debtor with respect to any such Fire Claim;**

(iii) **creating, perfecting, or enforcing in any manner, whether directly  
or indirectly, any Lien of any kind against any Reorganized Debtor or the property of  
any Reorganized Debtor with respect to any such Fire Claims;**

1 (iv) asserting or accomplishing any setoff, right of subrogation,  
2 indemnity, contribution, or recoupment of any kind, whether directly or indirectly,  
3 against any obligation due to any Reorganized Debtor or against the property of any  
4 Reorganized Debtor with respect to any such Fire Claim; and

4 (v) taking any act, in any manner, in any place whatsoever, that does  
5 not conform to, or comply with, the provisions of the Plan Documents, with respect to  
6 any such Fire Claim.

6 (b) **Reservations.** Notwithstanding anything to the contrary in this Section 10.7 of  
7 the Plan, this Channeling Injunction shall not enjoin:

8 (i) the rights of holders of Subrogation Fire Claims and Fire Victim Claims  
9 to the treatment afforded them under the Plan, including the right to assert such Claims in  
10 accordance with the applicable Wildfire Trust Agreements solely against the applicable  
11 Wildfire Trust whether or not there are funds to pay such Fire Claims; and

11 (ii) the Wildfire Trusts from enforcing their rights under the Wildfire Trust  
12 Agreements.

12 (c) **Modifications.** There can be no modification, dissolution, or termination of  
13 the Channeling Injunction, which shall be a permanent injunction.

14 (d) **No Limitation on Channeling Injunction.** Nothing in the Plan, the  
15 Confirmation Order, or the Wildfire Trust Agreements shall be construed in any way to limit the scope,  
16 enforceability, or effectiveness of the Channeling Injunction provided for herein and in the  
17 Confirmation Order.

17 (e) **Bankruptcy Rule 3016 Compliance.** The Debtors' compliance with the  
18 requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an  
19 injunction against conduct not otherwise enjoined under the Bankruptcy Code.

19 **10.8 Exculpation.** Notwithstanding anything herein to the contrary, and to the  
20 maximum extent permitted by applicable law, and except for the Assigned Rights and Causes of  
21 Action solely to the extent preserved by Section 10.9(g), no Exculpated Party shall have or incur,  
22 and each Exculpated Party is hereby released and exculpated from, any Claim, Interest,  
23 obligation, suit, judgment, damage, demand, debt, right, Cause of Action, loss, remedy, or  
24 liability for any claim (including, but not limited to, any claim for breach of any fiduciary duty  
25 or any similar duty) in connection with or arising out of the administration of the Chapter 11  
26 Cases; the negotiation and pursuit of the Public Entities Plan Support Agreements, the Backstop  
27 Commitment Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder  
28 RSA, the Exit Financing Documents, the Plan Funding, the DIP Facilities, the Disclosure  
Statement, the Plan, the Restructuring Transactions, the Wildfire Trusts (including the Plan  
Documents, the Claims Resolution Procedures and the Wildfire Trust Agreements), or any  
agreement, transaction, or document related to any of the foregoing, or the solicitation of votes  
for, or confirmation of, this Plan; the funding of this Plan; the occurrence of the Effective Date;

1 the administration of this Plan or the property to be distributed under this Plan; any  
2 membership in (including, but not limited to, on an *ex officio* basis), participation in, or  
3 involvement with the Statutory Committees; the issuance of Securities under or in connection  
4 with this Plan; or the transactions in furtherance of any of the foregoing; except for Claims  
5 related to any act or omission that is determined in a Final Order by a court of competent  
6 jurisdiction to have constituted actual fraud or willful misconduct, but in all respects such  
7 Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties  
8 and responsibilities pursuant to this Plan. The Exculpated Parties and each of their respective  
9 affiliates, agents, directors, officers, employees, advisors, and attorneys have acted in compliance  
10 with the applicable provisions of the Bankruptcy Code with regard to the solicitation and  
11 distributions pursuant to this Plan and, therefore, are not, and on account of such distributions  
12 shall not be, liable at any time for the violation of any applicable law, rule, or regulation  
13 governing the solicitation of acceptances or rejections of this Plan or such distributions made  
14 pursuant to this Plan, including the issuance of Securities thereunder. This exculpation shall be  
15 in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any  
16 other applicable law or rules protecting such Exculpated Parties from liability.

#### 10.9 Releases.

11 (a) *Releases by the Debtors.* As of and subject to the occurrence of the Effective  
12 Date, except for the rights that remain in effect from and after the Effective Date to enforce this  
13 Plan and the Plan Documents, and except for the Assigned Rights and Causes of Action solely  
14 to the extent preserved by Section 10.9(g), for good and valuable consideration, the adequacy of  
15 which is hereby confirmed, including, the service of the Released Parties to facilitate the  
16 reorganization of the Debtors, the implementation of the Restructuring, and except as otherwise  
17 provided in this Plan or in the Confirmation Order, the Released Parties are deemed forever  
18 released and discharged, to the maximum extent permitted by law and unless barred by law, by  
19 the Debtors, the Reorganized Debtors, and the Debtors' estates, in each case on behalf of  
20 themselves and their respective successors, assigns, and representatives and any and all other  
21 Entities who may purport to assert any Cause of Action derivatively, by or through the foregoing  
22 Entities, from any and all claims, interests, obligations, suits, judgments, damages, demands,  
23 debts, rights, Causes of Action, losses, remedies, or liabilities whatsoever, including any  
24 derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or  
25 the Debtors' estates, whether known or unknown, foreseen or unforeseen, existing or hereinafter  
26 arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, or the Debtors'  
27 estates would have been legally entitled to assert in their own right (whether individually or  
28 collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or  
relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11  
Cases, the Fires, the purchase, sale, or rescission of the purchase or sale of any Security of the  
Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving  
rise to, any Claim or Interest that is treated in this Plan, the business or contractual  
arrangements between any Debtor and any Released Party, the DIP Facilities, the Plan Funding,  
the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11  
Cases, the Restructuring Transactions, the Public Entities Plan Support Agreements, the  
Backstop Commitment Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the

1 Noteholder RSA, the Exit Financing Documents, the negotiation, formulation, or preparation of  
2 the Disclosure Statement and this Plan and related agreements, instruments, and other  
3 documents (including the Plan Documents, the Claims Resolution Procedures, the Wildfire  
4 Trust Agreements, Public Entities Plan Support Agreements, the Backstop Commitment  
5 Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder RSA, and the  
6 Exit Financing Documents), the solicitation of votes with respect to this Plan, any membership  
7 (including, but not limited to, on an *ex officio* basis), participation in, or involvement with the  
8 Statutory Committees, or any other act or omission, transaction, agreement, event, or other  
9 occurrence, and in all respects such Entities shall be entitled to reasonably rely upon the advice  
10 of counsel with respect to their duties and responsibilities pursuant to this Plan.

7 (b) *Releases by Holders of Claims and Interests.* As of and subject to the  
8 occurrence of the Effective Date, except for the rights that remain in effect from and after the  
9 Effective Date to enforce the Plan and the Plan Documents, and except for the Assigned Rights  
10 and Causes of Action solely to the extent preserved by Section 10.9(g), for good and valuable  
11 consideration, the adequacy of which is hereby confirmed, including, the service of the Released  
12 Parties to facilitate the reorganization of the Debtors and the implementation of the  
13 Restructuring, and except as otherwise provided in the Plan or in the Confirmation Order, the  
14 Released Parties, are deemed forever released and discharged, to the maximum extent permitted  
15 by law and unless barred by law, by the Releasing Parties from any and all claims, interests,  
16 obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses,  
17 remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on  
18 behalf of the Debtors, and any claims for breach of any fiduciary duty (or any similar duty),  
19 whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law,  
20 equity, or otherwise, that such holders or their affiliates (to the extent such affiliates can be  
21 bound) would have been legally entitled to assert in their own right (whether individually or  
22 collectively) or on behalf of the holder of any Claim or Interest or other Entity, based on or  
23 relating to, or in any manner arising from, in whole or in part, the Debtors, the Fires, the  
24 Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any Security of the  
25 Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving  
26 rise to, any Claim or Interest that is treated in the Plan, the business or contractual  
27 arrangements between any Debtor and any Released Party, the DIP Facilities, the Plan Funding,  
28 the Restructuring, the restructuring of any Claim or Interest before or during the Chapter 11  
Cases, the Restructuring Transactions, the Public Entities Plan Support Agreement, the  
Backstop Commitment Letters, the Subrogation Claims RSA, the Tort Claimants RSA, the  
Noteholder RSA, the Exit Financing Documents, the negotiation, formulation, or preparation of  
the Disclosure Statement, the Plan and related agreements, instruments, and other documents  
(including the Plan Documents, the Claims Resolution Procedures, the Wildfire Trust  
Agreements, Public Entities Plan Support Agreements, the Backstop Commitment Letters, the  
Subrogation Claims RSA, the Tort Claimants RSA, the Noteholder RSA, and the Exit Financing  
Documents), the solicitation of votes with respect to the Plan, any membership in (including, but  
not limited to, on an *ex officio* basis), participation in, or involvement with the Statutory  
Committees, or any other act or omission, transaction, agreement, event, or other occurrence,  
and in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel  
with respect to their duties and responsibilities pursuant to the Plan. Notwithstanding the above,

1 the holders of Environmental Claims, Workers' Compensation Claims and 2001 Utility  
2 Exchange Claims retain the right to assert such Claims against the Reorganized Debtors in  
3 accordance with the terms of the Plan; and nothing herein shall be deemed to impose a release  
4 by holders of Fire Victim Claims of insurance claims arising under their insurance policies  
against holders of Subrogation Wildfire Claims, other than any rights such holder may elect to  
release as part of any settlement as set forth in Section 4.25(f)(ii) hereof.

5 (c) *Only Consensual Non-Debtor Releases.* Except as set forth under Section  
6 4.25(f)(ii) hereof, for the avoidance of doubt, and notwithstanding any other provision of this  
7 Plan, nothing in the Plan is intended to, nor shall the Plan be interpreted to, effect a  
8 nonconsensual release by a holder of a Claim in favor of a party that is not a Debtor, it being  
9 acknowledged that such holder shall be deemed to release a party that is not a Debtor under the  
10 Plan solely to the extent that such holder consensually elects to provide such Plan release in  
accordance with the opt-in release procedures set forth herein or in any applicable Ballot. The  
holder of a Claim shall receive the same amount of consideration under the Plan whether or not  
such holder elects to release a party that is not a Debtor in accordance with the opt-in release  
procedures set forth herein or in any applicable Ballot.

11 (d) *Release of Liens.* Except as otherwise specifically provided in the Plan or  
12 in any contract, instrument, release, or other agreement or document created pursuant to the  
13 Plan, including the Exit Financing Documents, on the Effective Date and concurrently with the  
14 applicable distributions made pursuant to the Plan and, in the case of a Secured Claim,  
15 satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date,  
16 all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of  
17 the estates shall be fully released and discharged, and all of the right, title, and interest of any  
holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert  
to the Reorganized Debtors and their successors and assigns, in each case, without any further  
approval or order of the Bankruptcy Court and without any action or filing being required to  
be made by the Debtors.

18 (e) *Waiver of Statutory Limitations on Releases.* Each releasing party in any  
19 general release contained in the Plan expressly acknowledges that although ordinarily a general  
20 release may not extend to claims which the releasing party does not know or suspect to exist in  
21 his favor, which if known by it may have materially affected its settlement with the party  
22 released, each releasing party has carefully considered and taken into account in determining to  
23 enter into the above releases the possible existence of such unknown losses or claims. Without  
24 limiting the generality of the foregoing, and solely with respect to any general release under this  
25 Plan, each releasing party expressly waives any and all rights conferred upon it by any statute  
26 or rule of law which provides that a release does not extend to claims which the claimant does  
27 not know or suspect to exist in its favor at the time of executing the release, which if known by  
28 it may have materially affected its settlement with the released party, including the provisions  
of California Civil Code section 1542. The releases contained in this Article X of the Plan are  
effective regardless of whether those released matters are presently known, unknown, suspected  
or unsuspected, foreseen or unforeseen.

1 (f) **Injunction Related to Releases and Exculpation.** The Confirmation Order  
2 shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly,  
3 derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts,  
4 rights, Causes of Action, losses, or liabilities released pursuant to this Plan, including, the claims,  
5 obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, and liabilities  
6 released or exculpated in this Plan. For the avoidance of doubt, this injunction shall not apply to the  
7 rights of the Fire Victims Trust to prosecute and settle any Assigned Rights and Causes of Action  
8 solely to the extent provided for in the Plan. Notwithstanding the above, the holders of Environmental  
9 Claims, Workers' Compensation Claims and 2001 Utility Exchange Claims retain the right to assert  
10 such Claims against the Reorganized Debtors in accordance with the terms of the Plan.

11 (g) **No Release or Exculpation of Assigned Rights and Causes of Action.**  
12 Notwithstanding any other provision of the Plan, including anything in Section 10.8 and/or 10.9, the  
13 releases, discharges, and exculpations contained in this Plan shall not release, discharge, or exculpate  
14 any Person from the Assigned Rights and Causes of Action.

15 **10.10 Subordination.** The allowance, classification, and treatment of all Allowed  
16 Claims and Interests and the respective distributions and treatments thereof under this Plan take into  
17 account and conform to the relative priority and rights of the Claims and Interests in each Class in  
18 connection with any contractual, legal, and equitable subordination rights relating thereto, whether  
19 arising under general principles of equitable subordination, sections 510(a), 510(b), or 510(c) of the  
20 Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors reserve  
21 the right to reclassify any Allowed Claim (other than any DIP Facility Claims) or Interest in  
22 accordance with any contractual, legal, or equitable subordination relating thereto.

23 **10.11 Retention of Causes of Action/Reservation of Rights.**

24 (a) Except as otherwise provided in Section 10.9 hereof, nothing herein or in the  
25 Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or Causes of  
26 Action that the Debtors or the Reorganized Debtors may have or which the Reorganized Debtors may  
27 choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or  
28 any applicable nonbankruptcy law, including (i) any and all Claims against any Person or Entity, to  
the extent such Person or Entity asserts a crossclaim, counterclaim, and/or Claim for setoff which  
seeks affirmative relief against the Debtors, the Reorganized Debtors, or their officers, directors, or  
representatives and (ii) for the turnover of any property of the Debtors' estates.

(b) Nothing herein or in the Confirmation Order shall be deemed to be a waiver or  
relinquishment of any rights or Causes of Action, right of setoff, or other legal or equitable defense  
that the Debtors had immediately prior to the Petition Date, against or with respect to any Claim left  
unimpaired by the Plan. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert  
all such claims, Causes of Action, rights of setoff, and other legal or equitable defenses that they had  
immediately prior to the Petition Date fully as if the Chapter 11 Cases had not been commenced, and  
all of the Reorganized Debtors' legal and equitable rights with respect to any Claim left unimpaired  
by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases  
had not been commenced.

1 (c) The Reorganized Debtors reserve and shall retain the applicable Causes of  
2 Action notwithstanding the rejection of any executory contract or unexpired lease during the Chapter  
3 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any  
4 Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors in  
5 accordance with the terms hereof. The Reorganized Debtors shall have the exclusive right, authority,  
6 and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise,  
7 release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the  
8 foregoing without the consent or approval of any third party or further notice to or action, order, or  
9 approval of the Bankruptcy Court.

10 (d) Notwithstanding anything to the contrary in the Plan, no claims shall be brought  
11 under Section 547 of the Bankruptcy Code to recover any payments made to any Person or Entity as  
12 a result of damages caused by wildfires.

13 **10.12 Preservation of Causes of Action.** No Entity may rely on the absence of a  
14 specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action  
15 against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all  
16 available Causes of Action against them. The Debtors and the Reorganized Debtors expressly reserve  
17 all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly  
18 provided herein.

19 **10.13 Special Provisions for Governmental Units.** Solely with respect to  
20 Governmental Units, nothing herein shall limit or expand the scope of discharge, release, or injunction  
21 to which the Debtors or the Reorganized Debtors are entitled under the Bankruptcy Code. Further,  
22 nothing herein, including Sections 10.8 and 10.9 hereof, shall discharge, release, enjoin, or otherwise  
23 bar (a) any liability of the Debtors or the Reorganized Debtors to a Governmental Unit arising on or  
24 after the Confirmation Date with respect to events occurring on or after the Confirmation Date, (b) any  
25 liability to a Governmental Unit that is not a Claim, (c) any valid right of setoff or recoupment of a  
26 Governmental Unit, (d) any police or regulatory action by a Governmental Unit, (e) any environmental  
27 liability to a Governmental Unit that the Debtors, the Reorganized Debtors, any successors thereto, or  
28 any other Person or Entity may have as an owner or operator of real property after the Effective Date,  
or (f) any liability to a Governmental Unit on the part of any Persons or Entities other than the Debtors  
or the Reorganized Debtors, *provided*, that nothing in this Section 10.13 shall affect the Debtors'  
releases in Section 10.9 hereof, nor shall anything herein enjoin or otherwise bar any Governmental  
Unit from asserting or enforcing, outside the Bankruptcy Court, any of the matters described in clauses  
(a) through (f) above.

**10.14 Document Retention and Cooperation with the Fire Victim Trust.** On and  
after the Effective Date, the Reorganized Debtors may maintain documents in accordance with the  
Debtors' standard document retention policy, as may be altered, amended, modified, or supplemented  
by the Reorganized Debtors. The Debtors and the Reorganized Debtors shall respond to reasonable  
requests of the Fire Victim Trust for any non-privileged information and documents related to the  
Assigned Claims and Causes of Action and the Fire Victim Claims or as reasonably necessary for the  
administration of the Fire Victim Trust.

1 (g) To hear and determine any application to modify the Plan in accordance with  
2 section 1127 of the Bankruptcy Code and to remedy any defect or omission or reconcile any  
3 inconsistency in the Plan, the Disclosure Statement, or any order of the Bankruptcy Court, including  
4 the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects  
5 thereof;

6 (h) To hear and determine all applications under sections 330, 331, and 503(b) of  
7 the Bankruptcy Code for awards of compensation for services rendered and reimbursement of  
8 expenses incurred prior to the Effective Date;

9 (i) To hear and determine disputes arising in connection with or related to the  
10 interpretation, implementation, or enforcement of the Plan, the Confirmation Order, any transactions  
11 or payments contemplated herein, or any agreement, instrument, or other document governing or  
12 relating to any of the foregoing;

13 (j) To hear and determine disputes arising in connection with Disputed Claims;

14 (k) To take any action and issue such orders as may be necessary to construe,  
15 enforce, implement, execute, and consummate the Plan or to maintain the integrity of the Plan  
16 following consummation;

17 (l) To recover all assets of the Debtors and property of the Debtors' estates,  
18 wherever located;

19 (m) To determine such other matters and for such other purposes as may be provided  
20 in the Confirmation Order;

21 (n) To hear and determine matters concerning state, local, and federal taxes in  
22 accordance with sections 346, 505, and 1146 of the Bankruptcy Code (including the expedited  
23 determination of taxes under section 505(b) of the Bankruptcy Code);

24 (o) To enforce all orders previously entered by the Bankruptcy Court;

25 (p) To hear and determine any other matters related hereto and not inconsistent with  
26 the Bankruptcy Code and title 28 of the United States Code;

27 (q) To resolve any disputes concerning whether a Person or entity had sufficient  
28 notice of the Chapter 11 Cases, the Disclosure Statement, any solicitation conducted in connection  
with the Chapter 11 Cases, any bar date established in the Chapter 11 Cases, or any deadline for  
responding or objecting to a Cure Amount, in each case, for the purpose for determining whether a  
Claim or Interest is discharged hereunder or for any other purpose;

(r) To determine any other matters or adjudicate any disputes that may arise in  
connection with or are related to the Plan, the Disclosure Statement, the Confirmation Order, the Plan  
Supplement, or any document related to the foregoing; *provided*, that the Bankruptcy Court shall not

1 retain jurisdiction over disputes concerning documents contained in the Plan Supplement that have a  
2 jurisdictional, forum selection or dispute resolution clause that refers disputes to a different court;

3 (s) To hear and determine all disputes involving the existence, nature, or scope of  
4 the Debtors' discharge;

5 (t) To hear and determine any rights, claims, or Causes of Action held by or  
6 accruing to the Debtors, the Reorganized Debtors, or the Fire Victim Trust pursuant to the Bankruptcy  
7 Code or any federal or state statute or legal theory;

8 (u) To hear and determine any dispute involving the Wildfire Trusts, including but  
9 not limited to the interpretation of the Wildfire Trust Agreements;

10 (v) To hear any other matter not inconsistent with the Bankruptcy Code; and

11 (w) To enter a final decree closing the Chapter 11 Cases.

12 To the extent that the Bankruptcy Court is not permitted under applicable law to preside over  
13 any of the forgoing matters, the reference to the "Bankruptcy Court" in this Article XI shall be deemed  
14 to be replaced by the "District Court." Nothing in this Article XI shall expand the exclusive  
15 jurisdiction of the Bankruptcy Court beyond that provided by applicable law.

## 16 **ARTICLE XII.**

### 17 **MISCELLANEOUS PROVISIONS**

18 **12.1 Dissolution of Statutory Committees.** On the Effective Date, the Statutory  
19 Committees shall dissolve, the current and former members of the Statutory Committees, including  
20 any *ex officio* members, and their respective officers, employees, counsel, advisors and agents, shall  
21 be released and discharged of and from all further authority, duties, responsibilities and obligations  
22 related to and arising from and in connection with the Chapter 11 Cases, except for the limited purpose  
23 of (i) prosecuting requests for allowances of compensation and reimbursement of expenses incurred  
24 prior to the Effective Date and objecting to any such requests filed by other Professionals, including  
25 any appeals in connection therewith, (ii) having standing and a right to be heard in connection with  
26 any pending litigation, including appeals, to which such committee is a party, or (iii) prosecuting any  
27 appeals of the Confirmation Order.

28 **12.2 Substantial Consummation.** On the Effective Date, the Plan shall be deemed  
to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

**12.3 Exemption from Transfer Taxes.** Pursuant to section 1146(a) of the  
Bankruptcy Code, the issuance, transfer, or exchange of any Security or property hereunder or in  
connection with the transactions contemplated hereby, the creation, filing, or recording of any  
mortgage, deed of trust, or other security interest, the making, assignment, filing, or recording of any  
lease or sublease, or the making or delivery of any deed, bill of sale, or other instrument of transfer  
under, in furtherance of, or in connection with the Plan, or any agreements of consolidation, deeds,

1 bills of sale, or assignments executed in connection with any of the transactions contemplated herein,  
2 shall constitute a “transfer under a plan” within the purview of section 1146 of the Bankruptcy Code  
3 and shall not be subject to or taxed under any law imposing a stamp tax or similar tax, to the maximum  
4 extent provided by section 1146(a) of the Bankruptcy Code. To the maximum extent provided by  
section 1146(a) of the Bankruptcy Code and applicable nonbankruptcy law, the Restructuring  
Transactions shall not be taxed under any law imposing a stamp tax or similar tax.

5 **12.4 Expedited Tax Determination.** The Reorganized Debtors may request an  
6 expedited determination of taxes under section 505(b) of the Bankruptcy Code for all returns filed for  
7 or on behalf of the Debtors or the Reorganized Debtors for all taxable periods of the Debtors through  
the Effective Date.

8 **12.5 Payment of Statutory Fees.** On the Effective Date, and thereafter as may be  
9 required, each of the Debtors shall pay all the respective fees payable pursuant to section 1930 of  
chapter 123 of title 28 of the United States Code, together with interest, if any, pursuant to section  
10 3717 of title 31 of the United States Code, until the earliest to occur of the entry of (i) a final decree  
closing such Debtor’s Chapter 11 Case, (ii) a Final Order converting such Debtor’s Chapter 11 Case  
11 to a case under chapter 7 of the Bankruptcy Code, or (iii) a Final Order dismissing such Debtor’s  
Chapter 11 Case.

12 **12.6 Plan Modifications and Amendments.** Subject to the Certain Consent Rights  
13 set forth in Article I of this Plan, the Plan may be amended, modified, or supplemented by the Plan  
Proponents, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise  
14 permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code,  
except as the Bankruptcy Court may otherwise direct, so long as such action does not materially and  
15 adversely affect the treatment of holders of Claims or Interests hereunder. The Plan Proponents may  
institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any  
16 inconsistencies in the Plan or the Confirmation Order with respect to such matters as may be necessary  
to carry out the purposes and effects of the Plan and any holder of a Claim or Interest that has accepted  
17 the Plan shall be deemed to have accepted the Plan as so amended, modified, or supplemented. Prior  
to the Effective Date, the Plan Proponents may make appropriate technical adjustments and  
18 modifications to the Plan without further order or approval of the Bankruptcy Court; *provided*, that  
such technical adjustments and modifications do not materially and adversely affect the treatment of  
19 holders of Claims or Interests.

20 **12.7 Revocation or Withdrawal of Plan.** The Plan Proponents may revoke,  
21 withdraw, or delay consideration of the Plan prior to the Confirmation Date, either entirely or with  
respect to one or more of the Debtors, and to file subsequent amended plans of reorganization. If the  
22 Plan is revoked, withdrawn, or delayed with respect to fewer than all of the Debtors, such revocation,  
withdrawal, or delay shall not affect the enforceability of the Plan as it relates to the Debtors for which  
23 the Plan is not revoked, withdrawn, or delayed. If the Plan Proponents revoke the Plan in its entirety,  
the Plan shall be deemed null and void. In such event, nothing herein shall be deemed to constitute a  
24 waiver or release of any Claim by or against the Debtors or any other Person or to prejudice in any  
25 manner the rights of the Debtors or any other Person in any further proceedings involving the Debtors.

1           **12.8 Courts of Competent Jurisdiction.** If the Bankruptcy Court abstains from  
2 exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter  
3 arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and  
4 shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent  
5 jurisdiction with respect to such matter.

6           **12.9 Severability.** If, prior to entry of the Confirmation Order, any term or provision  
7 of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy  
8 Court, in each case at the election and request of the Debtors may alter and interpret such term or  
9 provision to make it valid or enforceable to the maximum extent practicable, consistent with the  
10 original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or  
11 provision shall then be applicable as altered or interpreted. Notwithstanding any such holding,  
12 alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full  
13 force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration,  
14 or interpretation. The Confirmation Order shall constitute a judicial determination and provide that  
15 each term and provision hereof, as it may have been altered or interpreted in accordance with the  
16 foregoing, is (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be  
17 deleted or modified except in accordance with the terms of the Plan; and (c) nonseverable and mutually  
18 dependent.

19           **12.10 Governing Law.** Except to the extent the Bankruptcy Code or other U.S.  
20 federal law is applicable, or to the extent a schedule hereto, or a schedule in the Plan Supplement  
21 expressly provides otherwise, the rights, duties, and obligations arising hereunder shall be governed  
22 by, and construed and enforced in accordance with, the laws of the State of California, without giving  
23 effect to the principles of conflicts of law thereof to the extent they would result in the application of  
24 the laws of any other jurisdiction.

25           **12.11 Schedules and Exhibits.** The schedules and exhibits to the Plan and the Plan  
26 Supplement are incorporated into, and are part of, the Plan as if set forth herein.

27           **12.12 Successors and Assigns.** All the rights, benefits, and obligations of any Person  
28 named or referred to herein shall be binding on, and inure to the benefit of, the heirs, executors,  
administrators, successors, and/or assigns of such Person.

**12.13 Time.** In computing any period of time prescribed or allowed herein, unless  
otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule  
9006 shall apply.

**12.14 Notices.** To be effective, all notices, requests, and demands to or upon the  
Debtors shall be in writing (including by facsimile or electronic transmission) and, unless otherwise  
expressly provided herein, shall be deemed to have been duly given or made when actually delivered,  
or in the case of notice by facsimile transmission, when received and telephonically confirmed,

**Exhibit C****MUTUAL MADE WHOLE RELEASE**

The terms “Claimant” and “Insurer,” are defined in Paragraph G. below.

\_\_\_\_\_, Trustee of the Fire Victim Trust, the undersigned party or personal representative (referred to herein as “Claimant”), individually and on behalf of the estate of the Claimant, and the Insurer (collectively, the “Parties” or “Releasees”) agree as follows:

- A. Whereas, the Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization dated \_\_\_\_\_ (the “Plan”), was confirmed by an order of the United States Bankruptcy Court for the Northern District of California entered on \_\_\_\_\_, 2020, and the Plan became effective on \_\_\_\_\_, 2020.
- B. Whereas the Plan provides for the treatment of all allowed Fire Victim Claims (as defined in the Plan) against the Debtors through the Fire Victim Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Fire Victim Claims.
- C. Whereas the Plan provides for the treatment of all allowed Subrogation Wildfire Claims (as defined in the Plan) against the Debtors through the Subrogation Wildfire Trust (as defined in the Plan) and for the discharge of the Debtors from any further or other liability on account of all Subrogation Wildfire Claims.
- D. Whereas, the Plan provides that the Fire Victim Claims are administered by a Fire Victim Trust and a Fire Victim Trustee who operates independent from the Debtors, holders of the Fire Subrogation Claims, and the Insurer. Neither the Debtors, holders of the Fire Subrogation Claims, nor the Insurer shall have any right to participate in the administration of the Fire Victim Trust, review any allocation or distribution decision of the Trustee or Trust Oversight Committee, including that of the Claimant, or make any claim for money against the Trust or the Trustee in any way or at any time.
- E. Whereas, the Trustee and Fire Victim Trust Oversight Committee have reviewed and advised the Claimant of (a) the total amount paid into the Fire Victim Trust available for compensation to the Fire Victims, (b) the total number of claims made against the Fire Victim Trust, (c) the process by which trust funds will be allocated and distributed, and (d) the total allocated amount from the Fire Victim Trust to the Claimant (“Total Allocation Award”).

- F. Whereas, the Claimant has reviewed the Total Allocation Award.
- G. Whereas, the Plan provides the Claimant and the Insurer execute a mutual limited release after the Claimant has reviewed the Total Allocation Award wherein the Claimant agrees to release only their claim against the Insurer under the Made Whole Doctrine (see Paragraph 1) and no other claim, cause of action, defense or remedy against the Insurer, and the Insurer agrees to release the Claimant as described herein in Paragraph 3. For the purpose of this Release, "Claimant" includes the Claimant's heirs, legal representatives, successor or assigns and "Insurer" includes the Claimants' insurance carriers, their past and present holders of insurance subrogation claims against the Debtors (and their direct and indirect assignors or assignees), and each of their directors, officers, agents, consultants, financial advisers, employees, attorneys, predecessors, successors and assigns.
- H. Whereas, nothing in this Release is an affirmation, representation, or an acknowledgment that the Claimant has in fact been fully compensated for their damages covered by the contract of insurance between the Insurer and the Claimant. The parties agree that Court's approval of the Plan and the Claimants' acceptance of the Total Allocation Award does not establish that the Claimant has been fully compensated under California law for their compensable damages as a result of the fire to the extent those damages are covered by insurance.
- I. Whereas, the Insurer has agreed to the terms, provisions, and agreements of this Mutual Release in a separate agreement dated \_\_\_\_\_, 20\_\_, affirming, adopting, and attaching a copy of this Mutual Release ("Insurer Adoption Agreement"). This Mutual Release is conditioned upon the Insurer, or the Insurer's successor on behalf of the Insurer, filing in the Chapter 11 case the Insurer Adoption Agreement, which states the Insurer releases, as to the Made Whole Doctrine only, each Claimant who signs and agrees to the terms of this Mutual Release. The terms, provisions, and agreements of the Insurer Adoption Agreement are incorporated herein by reference. Insurer's consent and agreement to the terms, provisions, and agreements of this Mutual Release shall be effective upon the signature of the Claimant.
- J. Whereas, this release is not required for the Trustee to allocate and distribute preliminary awards to individuals on a case by case basis for humanitarian or urgent needs.

NOW, THEREFORE, in consideration for the agreements described in this Release and other good and valuable consideration, the Claimant and the Insurer agree as follows:

1. By accepting the Total Allocation Award, the Claimant hereby waives and releases their rights, known or unknown, to assert the Made Whole Doctrine against the Insurer. Claimant is not waiving or releasing any other claim, cause of action, defense, or remedy against Insurer. Also, by signing this agreement, the Claimant is not agreeing as a factual matter that the Claimant has been fully compensated for each and every category of their damages under California law.

2. The Claimant is not releasing any claims the Claimant may have against the Insurer other than the Claimant's foregoing waiver set forth in Paragraph 1. The Parties to this Release further agree and acknowledge that the Claimant is not releasing any claims, except and only to the extent set forth above, they might have against the Insurer, including but not limited to those claims or causes of action related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) the right to pursue claims already made or to make new or continued claims under the policy; (3) claims handling issues; (4) delay in paying claims under the policy; (5) inadequate or untimely communication relating to the claim; (6) unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-to-day claims decisions; (7) actions or inactions of insurance agents or brokers in underwriting, securing, adjusting, calculating or recommending coverage; (8) coverage issues over policy language; (9) any action for bad faith or breach of the covenant of good faith and fair dealing; (10) any claims to reform or modify the terms of any policy; (12) any rights to recover damages for breach of contract or tort (including punitive damages), penalties or equitable relief; (13) any claims of violations of statutory or regulatory obligations; or (14) any claim for unfair business acts or practices.

3. The Insurer agrees to release and waive any right to make claim for any amount paid to the Claimant pursuant to the Fire Victim Trust or to assert as a defense, offset or reduction, the money paid to the Claimant from the Fire Victim Trust, which belongs solely to the Claimant. The Claimant agrees to make no claim on the money paid to the Insurer from the Subrogation Wildfire Trust. In agreeing to this limited release, Insurer is not releasing any claim, cause of action, defense, or remedy it may have against the Claimant other than Claimant's foregoing release of any Made Whole Doctrine claim.

4. The Insurer is not releasing any claims the Insurer may have against Claimant other than the Insurer's foregoing waiver set forth in Paragraph 3. The Parties to this Release further agree and acknowledge that the Insurer is not releasing any claims, except and only to the extent set forth above, it might have against the Claimant, including but not limited to those claims related to: (1) the policy of insurance and what is still owed or to be paid under the policy terms and conditions; (2) defenses to garden variety claims handling issues unrelated to the Made Whole Doctrine; (3) defenses related to delay in paying claims under the policy; (4) defenses to alleged inadequate or untimely communication relating to the claim; (5) defenses to alleged unreasonable positions taken relating to coverage, payment of the claim, acknowledging coverage, or day-to-day claims decisions; (6) defenses to actions or inactions of insurance agents or brokers in securing coverage; (7) coverage issues over policy language unrelated to Made Whole Doctrine; or (8) defenses to any common law action for bad faith unrelated to Made Whole Doctrine.

5. The Insurer further agrees that the Total Allocation Award shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action for any of the causes of action or claims for relief identified in Paragraphs 2 or 4. Claimant agrees that the amount paid to Insurer from the Subrogation Wildfire Trust shall not be the subject of discovery or mentioned in any pleadings in any state or federal court action or admissible in evidence in any state or federal court action.

6. To the extent that the Claimant brings a claim for breach of contract, wrongful denial of coverage and/or bad faith against the Insurer, the Insurer shall not assert in any way or at any time that the Claimant should have or could have pursued that claim against the Debtors, the Fire Victim Trust, or any other party. The Insurer agrees that that it will not assert in any action or proceeding covered under Paragraph 2 or 4 that the Claimant has been compensated as a result of the Claimant's settlement with the Debtors.

7. Both the Claimant and the Insurer agree that this Release gives the parties released the status of third-party beneficiary of the Release, and such Releasees may enforce this Release and any rights or remedies set forth herein.

8. This Release contains the entire agreement between the parties as to the subject matter hereof and is effective immediately upon signing. Likewise the release in Paragraph 1 is effective immediately upon signing. If there is a conflict between this Release and any other prior or contemporaneous agreement between the parties concerning the subject matter of the Release, the Release controls.

9. The law of the State of California shall govern the interpretation of this Release. The Bankruptcy Court has jurisdiction to resolve any disputes under this agreement.

10. Each Releasor states that he, she, or it is of legal age, with no mental disability of any kind, is fully and completely competent, and is duly authorized to execute this Release on Releasor's own behalf. Releasor further states that this Release has been explained to Releasor and that Releasor knows the contents as well as the effect thereof. Releasor further acknowledges that Releasor executed this Release after consulting with Releasor's attorney or the opportunity to consult with an attorney.

11. For avoidance of doubt, the Made Whole Doctrine is described herein. Subrogation is a doctrine that permits an insurance company, or its assignees, to assert the rights and remedies of an insured against a third party tortfeasor. The Made Whole Doctrine is a common law exception to insurer's right of subrogation. The Made Whole Doctrine, under certain circumstances, could preclude an insurer from recovering any third-party funds unless and until the insured has been made whole for the loss. Both the Claimant and Insurer agree that this Release does not modify, abrogate or affect any prior release or waiver between the Parties arising from the Fire.

12. Consistent with the foregoing, it is expressly understood and agreed by claimant that claimant is waiving and releasing all known or unknown claims under the Made Whole Doctrine. It is expressly understood and agreed by insurer that insurer is waiving and releasing all known or unknown claims under the Made Whole Doctrine as to claimant.

The following income and cash flow statements for the annual periods from January 1, 2020 through December 31, 2024 (the “**Projection Period**”) and the balance sheet as of the end of the year for each of the years 2020 through 2024 for the Debtors (“**Consolidated Financial Projections**”) are based on forecasts of operating results during the five-year period ending December 31, 2024. Included below is a summary of key assumptions to the Consolidated Financial Projections (in each case, the “**Assumptions**”). The Consolidated Financial Projections and the Assumptions should be read in conjunction with the Plan and the Disclosure Statement.

The Debtors, with the assistance of their advisors, have prepared these Consolidated Financial Projections to assist the Bankruptcy Court in determining whether the Plan meets the feasibility test of section 1129(a)(11) of the Bankruptcy Code.

Other than limited information related to rate base and capital expenditures, the Debtors generally do not publish their projections or their anticipated financial position or results of operations. Accordingly, the Debtors do not anticipate that they will, and disclaim any obligation to, furnish updated projections to holders of Claims or Interests, or to include such information in documents required to be filed with the U.S. Securities and Exchange Commission (the “**SEC**”) or otherwise make public such information.

The Consolidated Financial Projections have been prepared by the management of the Debtors, in consultation with the Debtors’ financial and restructuring advisors, Lazard Freres & Co. LLC and AP Services, LLC. The Consolidated Financial Projections were not prepared to comply with the guidelines for prospective financial statements published by the American Institute of Certified Public Accountants or the rules and regulations of the SEC, and by their nature are not financial statements prepared in accordance with accounting principles generally accepted in the United States of America.

The Debtors independent accountants have neither examined nor compiled the accompanying Consolidated Financial Projections and accordingly do not express an opinion or any other form of assurance with respect to the Consolidated Financial Projections, assume no responsibility for the Consolidated Financial Projections and disclaim any association with the Consolidated Financial Projections.

The Consolidated Financial Projections do not reflect the impact of fresh start reporting in accordance with American Institute of Certified Public Accountants statement of position 90-7, financial reporting by entities in reorganization under the Bankruptcy Code. The Debtors do not expect to be subject to fresh start reporting at or following the Effective Date.

The Consolidated Financial Projections contain forward-looking statements that are not historical facts, including statements about the beliefs, expectations, estimates, future plans and strategies of the Debtors, as well as forecasts based on our Plan which reflects settlements reached with various parties, regarding settlement of liabilities in connection with the 2018 Camp fire, 2017 Northern California wildfires and the 2015 Butte fire, the confirmation of the Plan on the Effective Date, the continuing availability of sufficient borrowing capacity or other financing to fund operations, the Utility’s participation in the

statewide wildfire fund created by AB 1054, the Debtors' anticipated sources and uses upon emergence from Chapter 11, the outcome of regulatory cases and the effect on earnings of such cases, projections of wildfire-related expenditures, anticipated regulatory and legislative policy, anticipated capital expenditures of the Debtors, anticipated costs of operations of the Debtors, efficiency initiatives, dividend payments (both Utility preferred stock and PG&E Corporation common stock), credit ratings and the various assumptions described in detail below. These statements are based on current expectations and assumptions, which management believes are reasonable, and on information currently available to management, but are necessarily subject to various risks and uncertainties. In addition to the risk that these assumptions prove to be inaccurate, factors that could cause actual results to differ materially from those contemplated by the forward-looking statements include factors disclosed in PG&E Corporation's and the Utility's annual report on Form 10-K for the year ended December 31, 2019 and other reports filed with the SEC, which are available on PG&E Corporation's website at [www.pgecorp.com](http://www.pgecorp.com) and on the SEC website at [www.sec.gov](http://www.sec.gov). Additional factors include, but are not limited to, those associated with the Chapter 11 cases of PG&E Corporation and the Utility that commenced on January 29, 2019. PG&E Corporation and the Utility undertake no obligation to publicly update or revise any forward-looking statements, whether due to new information, future events or otherwise, except to the extent required by law.

The Consolidated Financial Projections, while presented with numerical specificity, are necessarily based on a variety of estimates and assumptions which, though considered reasonable by the Debtors, may not be realized and are inherently subject to significant business, economic, competitive, industry, regulatory, market and financial uncertainties and contingencies, many of which are beyond the control of the Debtors. The Debtors caution that no representations can be made or are made as to the accuracy of the Consolidated Financial Projections or to the Debtors' ability to achieve the projected results. Some assumptions inevitably will be incorrect. Moreover, events and circumstances occurring subsequent to the date on which these Consolidated Financial Projections were prepared may be different from those assumed, or, alternatively, may have been unanticipated, and thus the occurrence of these events may affect financial results in a materially adverse or materially beneficial manner. The Debtors do not intend and do not undertake any obligation to update or otherwise revise the Consolidated Financial Projections to reflect events or circumstances existing or arising after the date of these Consolidated Financial Projections. Therefore, the Consolidated Financial Projections may not be relied upon as a guarantee or other assurance of the actual results that will occur. In deciding whether to vote to accept or reject the Plan, holders of Claims and Interests must make their own determinations as to the reasonableness of such assumptions and the reliability of the Consolidated Financial Projections.

These Consolidated Financial Projections were developed for purposes of the formulation and negotiation of the Plan and to enable the holders of Claims and Interests entitled to vote under the Plan to make an informed judgment about the Plan and should not be used or relied upon for any other purpose, including the purchase or sale of securities of, or Claims or Interests in, the Debtors or any of their affiliates.

### **Use of Non-GAAP Financial Measures**

The Consolidated Financial Projections contain financial information based on "non-GAAP core earnings" in order to provide a measure that allows investors to compare the underlying financial performance of the business from one period to another, exclusive of non-core items.

"Non-GAAP core earnings" is a non-GAAP financial measure and is calculated as income available for common shareholders less non-core items. "Non-core items" includes items that management does not consider representative of ongoing earnings and affect comparability of financial results between periods. The Debtors use non-GAAP core earnings to understand and compare operating results across reporting periods for various purposes including internal budgeting and forecasting, short- and long-term operating

planning, and employee incentive compensation. The Debtors believe that non-GAAP core earnings provides additional insight into the underlying trends of the business, allowing for a better comparison against historical results and expectations for future performance.

Non-GAAP core earnings is not a substitute or alternative for GAAP measures such as consolidated income available for common shareholders and may not be comparable to similarly titled measures used by other companies.

### **Select Assumptions for PG&E's Financial Forecast 2020-2024**

The Consolidated Financial Projections contained herein are based on, but not limited to, factors such as general business, economic, competitive, regulatory, market, financial and environmental conditions, as well as the assumptions detailed below. Many of these factors and assumptions are beyond the control of the Debtors and do not take into account the uncertainty and disruptions of business that may accompany an in-court restructuring. Accordingly, the assumptions should be reviewed in conjunction with a review of the risk factors set forth in the Disclosure Statement and in the Debtors' public filings.

#### **General Assumptions**

- In light of the forms of distribution contemplated by the Plan (which include cash as well as new PG&E Corporation common stock and the new debt securities of the Utility), the Consolidated Financial Projections were developed on a consolidated basis rather than on a separate legal entity basis. The Consolidated Financial Projections were developed by management with the assistance of the Debtors' advisors and are presented solely for purposes of the formulation and negotiation of the Plan in order to present the anticipated impact of the Plan. No representation or warranty, express or implied, is provided in relation to the fairness, accuracy, correctness, completeness, or reliability of the information, opinions, or conclusions expressed herein.
- The Consolidated Financial Projections assume that the Plan will be consummated in accordance with its terms and that all transactions contemplated by the Plan will be consummated on June 30, 2020.
- The Consolidated Financial Projections assume that the Utility secures an investment grade rating from at least one rating agency on the secured debt of the Utility.
- The Consolidated Financial Projections assume the achievement of various efficiency initiatives, including, among other things, resource planning, contract management, monetization of excess renewable energy, and real estate optimizations. These efficiency initiatives reduce operating and capital expenditures by approximately \$1 billion on average through 2024.
- The Consolidated Financial Projections also assume that: (1) there will be no material change in legislation or regulations, or the administration thereof, that would have an unexpected effect on the operations of the Debtors; and (2) there will be no change in generally accepted accounting principles in the United States that would have a material effect on the reported financial results of the Debtors.

### **Assumptions Underlying Revenue Projections and Cost Recovery**

#### ***Base Revenue***

The Consolidated Financial Projections assume:

- Base revenues for electric distribution, natural gas distribution and electric generation operations are consistent with the Utility's proposed settlement agreement (the "2020 GRC Settlement") filed on December 20, 2019 with the California Public Utility Commission ("CPUC") in its 2020 General Rate Case ("GRC") for 2020-2022. Spending for wildfire-related programs included in the 2020 GRC Settlement associated with system hardening, vegetation management, public

safety power shutoffs and excess liability insurance, is anticipated to be well above amounts specified, and this incremental spending is recoverable through balancing accounts up to a two-year lag. Base revenue for the years 2023 and 2024 assumes an increase in authorized annual revenue requirement sufficient to cover the forecasted GRC costs and authorized rate of return.

- Formula rates for the recovery of costs for electric transmission facilities are determined by the Transmission Owner (“**TO**”) rate cases with the Federal Energy Regulatory Commission (“**FERC**”). Under the formula rate mechanism, transmission revenues are updated to the actual cost of service annually. All prudently incurred transmission wildfire-related costs are assumed to be fully recoverable consistent with the formula rate mechanism.
- Base revenues for the Utility’s natural gas transmission and storage services are consistent with the final decision issued in the Utility’s 2019 gas transmission and storage (“**GT&S**”) case, as approved by the CPUC on September 12, 2019 for 2019-2022. Base revenue for the years 2023 and 2024 assumes an increase in the authorized GT&S annual revenue requirement sufficient to cover forecasted expenses, except for amounts not recoverable. Aggregate GT&S capital expenditures of \$576 million over the years 2011 through 2014 (the “**GT&S Expenditures**”) that are currently subject to audit by the CPUC are assumed to be approved by the CPUC and restored to the Utility’s rate base in 2020. Restoration of the GT&S Expenditures is subject to a subsequent CPUC proceeding following the audit. The CPUC has advised the Utility that litigation in respect of such proceeding will likely commence in the second half of 2020 with resolution occurring in 2021. The impact of this delay may result in a shift of the associated earnings available for common stock from 2020 to 2021 and a potential delay in associated cost recovery.
- Base operating and maintenance expenses excluding wildfire-related costs are forecast to be generally in line with the Utility’s settlements and final decisions in its rate cases, including those described above.

### ***Incremental Wildfire-Related and Other Costs***

The Consolidated Financial Projections assume full recovery of wildfire-related costs currently deferred as regulatory assets on the balance sheet and additional future spending beyond the programs included in the 2020 GRC Settlement:

- Full recovery over the Projection Period of approximately \$2.5 billion of costs related to restoration, prevention, and insurance that are on the Utility’s balance sheet as deferred costs as of December 31, 2019. Interim rate relief and accelerated will be granted by the CPUC allowing approximately \$1.4 billion of these costs to be recovered in 2020 and 2021 on an accelerated basis.
- Consistent with the Utility’s settlement agreement in the Order Instituting Investigation into the 2017 Northern California Wildfires and the 2018 Camp Fire (the “Wildfire OII”) submitted to the CPUC on December 17, 2019, the Utility will receive no recovery of costs totaling approximately \$1.675 billion contemplated by the Wildfires OII settlement relating to certain wildfire-related costs and shareholder-funded system enhancement initiatives. On February 27, 2020, a Presiding Officer’s Decision (POD) was issued in the Wildfire OII proceeding which proposes modifications to the settlement agreement (as so modified, the “Revised Settlement”) that would add \$462 million of disallowances for wildfire mitigation (\$198 million) and system enhancement initiatives (\$64 million), and a payment to the state general fund (\$200 million). The Revised Settlement, if accepted, is subject to Bankruptcy Court approval. Parties have 30 days to appeal the POD. PG&E is still evaluating its options, including appeal. The impact of the modifications to the settlement proposed by the POD is not reflected in the Consolidated Financial Projections. The impact of the modifications to the settlement proposed by the POD on the Consolidated

Financial Projections, if implemented, would be a decrease in earnings available for common stock and cashflow in 2020 as it relates to the payment to the general fund. Additionally, the proposed disallowed wildfire mitigation and system enhancement costs would impact earnings available for common stock primarily in 2020 and 2021, and cash flow impacts from the loss of anticipated revenue would be expected to impact future years. The modifications to the settlement proposed by the POD, if implemented, would also require any tax savings associated with the shareholder payments under the settlement agreement to be applied to wildfire mitigation expenses that would otherwise have been recovered from ratepayers when realized. The initial settlement of \$1.675 billion and the additional \$262 million established by the POD are assumed to be tax deductible and the resulting tax savings could be as much as \$542 million based on the company's 28% effective net tax rate. The realization of these tax savings depend on many other variables and the timing of the savings is expected after 2024.

- For wildfire-related programs, including wildfire-related inspections and maintenance costs, that are in addition to programs requested in the 2020 GRC Settlement, recovery of costs will be allowed by the CPUC through memorandum accounts and collected on a three-year lag.
- Recovery of incremental capital expenditures in 2020 and 2021 related to implementing microgrid-enabling distributed generation, consistent with its proposal for cost recovery authorization submitted to the CPUC in connection with the CPUC's Order Instituting Rulemaking regarding microgrids.
- Pursuant to the requirements of Assembly Bill ("AB") 1054, approximately \$3.2 billion of fire risk mitigation capital expenditures will be excluded from the Utility's equity rate base and will therefore not earn a return on equity. Such expenditures are assumed to be substantially incurred over the period from August 2019 through December 31, 2022 and are assumed to be funded with debt until securitization bond proceeds are received.

### Assumptions Underlying Regulatory and Policy Projections

The Consolidated Financial Projections assume:

- The Utility's authorized Return on Equity will be 10.25% (as authorized through 2023 by the CPUC in its final decision issued December 19, 2019) throughout the Projection Period. The Consolidated Financial Projections also reflect a capital structure that is consistent with the terms of the Restructuring Support Agreement (the "**Noteholder RSA**") dated January 22, 2020, resulting in a weighted-average cost of debt of approximately 4.3%<sup>2</sup> upon PG&E Corporation's and the Utility's emergence from Chapter 11.
- Consistent with the terms of AB 1054, an initial contribution by the Utility to the Go-Forward Wildfire Fund established thereunder of \$4.8 billion upon emergence, to be amortized over ten years and ongoing contributions by the Utility to the Go-Forward Wildfire Fund of \$193 million per year over the Projection Period.
- The payment of various penalties by the Utility, including general fund payments, shareholder-paid initiatives, and agreements not to seek rate recovery for specified expenses pursuant to the following Orders Instituting Investigation ("**OII**s"):
  - Locate & Mark OII: In February 2020, the presiding officer in this OII issued a decision modifying the settlement agreement between the Utility and the CPUC submitted on October 3, 2019. Consistent with the terms of the settlement agreement, as modified, the Consolidated Financial Projections assume payments and unrecovered expenses by the Utility in the amount of \$110 million during 2020-2022.

---

<sup>2</sup> Inclusive of amortization of fees.

- Phase II Ex-Parte OII: On December 5<sup>th</sup>, 2019, the CPUC approved a settlement agreement between certain public entities and the Utility pursuant to which the Utility agreed to pay an incremental penalty of \$10 million. The Consolidated Financial Projections assume that this penalty is paid in 2020.
- Wildfires OII: As described above, on December 17, 2019, the Utility submitted a settlement agreement to the CPUC in connection with the Wildfires OII in which it agreed not to seek cost recovery for \$1.675 billion of wildfire-related expenditures. The Consolidated Financial Projections assume that these costs will not be recovered (See above for information related to the February 27, 2020 POD).

### Financing Considerations

- The financing assumptions underlying the Consolidated Financial Projections are consistent with the Utility's testimony filed with the CPUC on January 31, 2020 in connection with the CPUC's Plan of Reorganization OII. The Consolidated Financial Projections assume total sources of funding and corresponding uses of approximately \$59 billion (\$57.65 billion upon emergence), as summarized in the following tables:

#### *Expected Sources (in millions)*

Equity issuance for cash	\$9,000
Equity issued into Fire Victim Trust (as defined below)	6,750
New PG&E Corporation Debt	4,750
Reinstated Utility Debt	9,575
New Utility Notes	23,775
Insurance Proceeds	2,200
Cash immediately prior to Emergence	1,600
Deferred Wildfire Claims Settlement	1,350
<b>Total Sources</b>	<b>\$59,000</b>

#### *Expected Uses (in millions)*

Payment to holders of wildfire-related claims	\$24,150
2017/2018 Wildfire Claims Settlement (Deferred Payment)	1,350
Contributions to Go-Forward Wildfire Fund pursuant to AB 1054	5,000
Repayment of Debtor-In-Possession Financing	2,000
Pre-petition Debt to be repaid or reinstated	22,180
Trade Claims and Other Costs	2,300
Accrued Interest	1,270
Cash immediately following Emergence	750
<b>Total Uses</b>	<b>\$59,000</b>

- The Consolidated Financial Projections assume, in connection with PG&E Corporation and the Utility's exit financing, that the CPUC will authorize the exclusion of \$6 billion of temporary New Utility Notes from the Utility's capital structure. The Consolidated Financial Projections further assume that the CPUC will authorize the securitization of \$7 billion of wildfire-related claims costs by March 31, 2021 that will be rate-neutral on a net present value basis to customers,

the proceeds of which will be used to retire the \$6 billion of temporary New Utility Notes and to make payments as part of the \$1.35 billion deferred settlement to the trust to be established under the Plan for the benefit of holders of wildfire-related claims (“**Fire Victim Trust**”). The authorization to securitize \$7 billion of wildfire claims on an NPV neutral basis results in a \$2.1 billion charge at inception as a result of an undiscounted regulatory liability associated with revenue credits funded by the NOL monetization. Securitization revenues, revenue credits, and interest expense on the \$7 billion of securitized debt are fully offset by net amortization of the securitization regulatory asset and undiscounted regulatory liability.

- The securitization proposal reflected in the forecast includes revenue credits of \$1.15 billion in 2021 and \$397 million in 2022 that are not funded by NOL monetization. The timing and amounts of customer credits are still to be determined and are subject to material change and regulatory approval.
- The Consolidated Financial Projections assume that the equity commitment premium due under the equity backstop letters will equal 119 million shares of PG&E Corporation common stock, payable on the Effective Date. Assuming that the Debtors implement the capital structure described above by drawing on the equity backstop commitments and based on the Debtors’ forecasted Normalized Estimated Net Income (as defined in the equity backstop commitment letters), the value of the equity commitment premium would be approximately \$1.2 billion at the currently estimated Backstop Price (as defined in the equity backstop commitment letters). The value of the equity commitment premium could exceed this amount in the event that PG&E Corporation successfully consummates a marketed equity offering or rights offering in lieu of drawing on the equity backstop commitments or if the Debtors implement an alternative capital structure, under certain conditions.
- The Consolidated Financial Projections assume that the Debtors will face no incremental wildfire liabilities related to pre-petition wildfires beyond the \$25.5 billion of wildfire-related claims that the Debtors have committed as of the date hereof to pay under the Plan pursuant to various settlement agreements with the holders of wildfire-related claims. The Consolidated Financial Projections further assume the Debtors will not face any liabilities related to postpetition wildfires that are not covered by insurance.
- Common dividends are assumed to be restored once Utility equity ratio achieves 52% on a regulatory basis and are moderated to allow PG&E Corporation debt reduction throughout the forecast period. This assumption does not reflect a commitment on the Board or management's part to a specific future dividend policy.
- The Consolidated Financial Projections assume that additional equity is raised in 2021. This financing need may either be met through equity issuance or maintaining Holding Company debt levels.
